Slow Dancing with Fire Brahma Yassky, 2022-05-03 As an emerging young painter in New York City Brahma Yassky lived her dream working full time as an artist and supporting herself with her work attending art openings and going to clubs and painting scenery in theaters In 1982 a flame shot up from her stove and burned 55% of her body In Slow Dancing with Fire Yassky chronicles the day she was burned the three months she spent in the burn unit enduring an arduous healing process and the next full year of physical and occupational therapy She feared she might never paint again or have an independent life Would any man ever find her attractive enough to want a relationship Over time Yassky's resilient spirit guided her to build a new life She earned credentials as an art therapist and helped others heal from their traumas by engaging with the creative process She adopted a daily practice of swimming both as a meditation and a way to loosen scar contractions The New York City Department of Health commissioned her to create a mural on the outside of a building in the South Bronx and posters for every subway car She joined the Guerrilla Girls a women's artist activist collective whose mission was to fight racism and sexism in the art world She wrote and directed a film about the day she was burned casting an actress to play herself thus objectifying the experience and eliminating her personal identity as a burn victim And finally she married a man she never would have dated before the fire because his greatest attributes were kindness and nurturance not coolness and worldly success Her story encourages the belief that building a resilient spirit and healing our wounds and traumas are not only possible but

exhilarating *New York Magazine*, 1978-11-27 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

**Slow Dancing with the Devil** Susan Bartz Herrick, 2024-02-08 Susan Herrick's memoir follows the story of her beloved son and only child Luke through his struggle with opioid addiction, recovery, and sobriety, and an untimely and heartbreaking death. Luke suffered a near-fatal car accident that left him partially paralyzed and addicted to Oxycontin, the very drug that helped save his life. Susan turned to the streets to obtain Suboxone, a legal but medically restricted opioid blocker, in an attempt to save her son's life. Remembering this, she writes, "The day I became my son's drug dealer, we both died in a way." This poignant and compelling memoir exposes the rampant prescribing of Oxycontin, upwards of 600mg daily, in cases like Luke's, and the role overprescribing plays in the disease of Substance Use Disorder (SUD). Through Luke's story, the author addresses failed public policies, misguided medical practices, societal stigmas, and enabling tendencies of loved ones that hinder recovery for those afflicted with SUD.

**Slow Dancing in the Kitchen** Sam Gifford, 2009-07 *Slow Dancing in the Kitchen* Peter Wallace is, to all appearances, a success: Handsome, intelligent, educated, and talented. He is the quintessential success story, vice president and genius in residence for the biggest ad agency in town. But in the shadow of this facade is a haunted house of insecurity. A detractor calls him the quintessential cliché. Peter's marriage is dysfunctional for some reasons he doesn't comprehend, and for others he knows well. His fragile self-esteem had always forced him to seek the affections of women. Now, with his marriage crumbling, what had been recreational becomes nearly a clinical necessity. Laura is a beautiful Southern country girl, a fashion model. Her good looks and apparent attraction to Peter create a scenario in which Peter doesn't love her but becomes addicted to her beauty and her sometimes trashy ways. He views her as a bauble to be worn until he becomes bored. His wife Katherine is aware of the affair and has a college friend move him from the house in a violent but humorous scene. The friend, while somewhat foppish, is better looking and stronger than Peter. The court stuns Peter by imposing huge alimony payments and child support. He marries Laura to fulfill his need to be worshiped, but the two are left with little. He faces the necessity of selling his prized possession, his boat. This seems superficial, but Peter measures his own worth by status and possessions. While he temporarily savors his freedom from Katherine, he mourns the loss of his two children. Myrna Jacobi, his attorney, counsels him to clear his mind and to find himself. She recounts her own breakup, telling Peter that she found herself dancing alone in the kitchen one evening and knew then that she had discovered the answer. Find out who you are, she counsels Katherine. Katherine is murdered. It is assumed that her new lover, an alcoholic Pulitzer Prize-winning photographer, did it in a fit of anger. Lack of evidence results in his release, but he is known on the street as the perpetrator. The real murderer, Laura, has become an alcoholic, and the marriage is over, even though they live in the same

house She meets the photographer at an AA meeting and they fall in love She leaves Peter who is by this time completely in love with Myrna Jacobi But Myrna is unavailable for a surprising reason Peter is recruited by a Fortune 500 size private firm headed by Martin Mendel an offensive insulting second generation owner The company is falsely seen as having Mafia ties Peter realizes later in his employment that Mendel could easily sell his company for more than a billion dollars and be rid of the allegations Peter recognizes one night that Myrna has mapped the course to his soul and that Marty Mendel taught him character and strength on a level where Peter had never before traversed Mendel chose to clear his family name over easy money Peter settles into a life of satisfying work and relationship with his children One evening as he is cooking dinner and enjoying music and a glass of good wine by himself the phone rings *Slow Dancing In The Kitchen* is the story of spiritual metamorphosis It is a modern day Pilgrim s Progress On another level *Slow Dancing In The Kitchen* is the story of the relationships between fathers and sons and fathers and daughters and the ways in which these interactions affect life Some characters are forever prisoners of early relationships but Peter Wallace ultimately gathers the strength to escape For the Love of Freedom D. J. Vallone,2002-05-09 The foundations of American freedom are shaken in this story about politics and journalism in Michigan Chip Halick a journalist on the political beat discovers secrets about the popular governor that can potentially destroy his reputation and put his New Freedom agenda at risk Faced with the possibility of having his past indiscretions detailed in the newspaper the governor launches an attack in a manner completely contradictory to his public image and platform Having made a career out of championing the cause of freedom he is suddenly snared in a trap of his own making In the conflict that ensues the governor exercises both legal and political means to suppress the truth about his past Armed with the power of the press Chip nonetheless recognizes that his freedom to publish salacious news comes with a cost his professional reputation Set in the Michigan capital with a backdrop of the lush and beautiful season of harvest *For the Love of Freedom* is a dramatic struggle to untangle a web of politics ambition manipulation religious mores ethics laws constitutional intent and rhetorical sway *Slow Dancing with a Stranger* Meryl Comer,2024-05-21 The Emmy Award winning broadcaster shares a New York Times bestselling unvarnished personal account of her husband s battle with Alzheimer s disease When Meryl Comer s husband Dr Harvey Gralnick chief of hematology and oncology at the National Institutes of Health began forgetting routine things and demonstrating abrupt changes in behavior doctors were confounded as to what was going wrong Diagnoses ranged from stress and depression to Lyme disease from pernicious anemia to mad cow s disease supposedly acquired from a trip to London Finally after years of inconclusive tests he was diagnosed with Alzheimer s a seemingly impossible disease for a man in his prime Comer gave up her television career and for the next two decades cared for Harvey in their home tending to his every need while watching him regress into an emotionally distant and sometimes violent stranger The man I live with is not the man I fell in love with and married she writes He has slowly been robbed of what we all take for granted the ability to navigate the mundane activities of daily living bathing shaving dressing
