Handbook of Reference Sources and Services for Small and Medium-Sized Libraries Margaret I. Nicholas,1996-07 Lists over 750 sources focusing on the reference needs of adults The primary objective was to select quality reference tools which cover many different topics Topics include general works biography philosophy religion language literature visual arts applied sciences sports and recreation home life social customs and education The Methuen Drama Handbook of Women in Contemporary British Theatre Marissia Fragkou,Rebecca Benzie,2025-02-06 This handbook provides a detailed exploration of the rich and diverse theatrical work produced by women in the first two decades of 21st century British theatre The book explores key issues and methodologies relevant to women working in the UK s theatre industry including the legacies of feminism and its role in shaping contemporary work by women the politics of visibility and inclusion in theatrical institutions and collaborative strategies in creating original work It closely examines how women in contemporary British theatre tackle urgent social issues such as environmental risk the representation of marginalized identities and mental and physical wellbeing Chapters by both established and early career scholars from a variety of international contexts present new perspectives on significant questions and issues underpinning women s work in 21st century British theatre by engaging with contemporary debates from theatre and performance studies and cultural theory A concluding roundtable with women theatre practitioners addresses key questions pertaining to their work including working conditions the politics of funding and of ageing disability and care With a foreword by the Guardian s chief theatre critic Arifa Akbar and featuring research tools such as introductions to sections a detailed list of sources and an annotated bibliography this is an authoritative study for anyone with a keen research interest in the distinct contribution of women to contemporary British theatre and performance *Stage Writers Handbook* Dana Singer,1997 Written in a straightforward manner with complicated matters clearly explained Stage Writers Handbook is truly a work no writer for the stage can afford to be without Here for the first time Dana Singer gathers the information and ideas stage writers need to conduct their careers in a businesslike manner with all the protections the law provides *The Oxford Handbook of the Georgian Theatre 1737-1832* Julia Swindells,David

Francis Taylor, 2014-01-16 *The Oxford Handbook of the Georgian Theatre 1737-1832* provides an essential guide to theatre in Britain between the passing of the Stage Licensing Act in 1737 and the Reform Act of 1832, a period of drama long neglected but now receiving significant scholarly attention. Written by specialists from a range of disciplines, its forty essays both introduce students and scholars to the key texts and contexts of the Georgian theatre and also push the boundaries of the field, asking questions that will animate the study of drama in the eighteenth and early nineteenth centuries for years to come. The Handbook gives equal attention to the range of dramatic forms, not just tragedy and comedy but the likes of melodrama and pantomime as they developed and overlapped across the period, and to the occasions, communities and materialities of theatre production. It includes sections on historiography, the censorship and regulation of drama, theatre and the Romantic canon, women and the stage, and the performance of race and empire. In doing so, the Handbook shows the centrality of theatre to Georgian culture and politics and paints a picture of a stage defined by generic fluidity and experimentation, by networks of performance that spread far beyond London, by professional women who played pivotal roles in every aspect of production, and by its complex mediation of contemporary attitudes of class, race and gender.

Theatre Arts 1 : Student Handbook Alan D. Engelsman, 1983

Small School Theatre David Richard Corkill, 2025-09-30 This resource uses small schools as a framework for empowering educators and administrators to bring vibrant theatre programs to life, no matter their level of resources. Authored by a seasoned professional in the performing arts field, the book dives into the specific challenges and rewards of establishing, nurturing, and leading a theatrical program. Chapters draw from the author's extensive personal experience as well as insights gleaned from interviews with other successful directors. The chapters are divided into sections for starting, growing, and directing a theatre program, with key takeaways and workbook prompts throughout to provide applicability from first-year teachers to experienced directors and school administrators. Topics include curriculum design, resource allocation, collaborating between stakeholders, evolving to meet the needs of your school, and more. Practical strategies and inspirational approaches guide educators on navigating program development, fostering student growth, and maintaining program excellence. Whether you're a new teacher embarking on your performing arts journey or a seasoned director seeking to refine your program, this book provides a comprehensive resource to cultivate thriving artistic experiences within your school from the ground up.
