Small Town Baltimore An Album Of Memories:

Small Town Baltimore Gilbert Sandler, 2002-10-10 This album of memories introduces the reader to the people and places neighborhoods restaurants department stores parks hotels night clubs racetracks and theaters that once put the charm in Charm City BOOK JACKET

Come and Be Shocked Mary Rizzo, 2020-09-15 Baltimore seen through the eyes of John Waters Anne Tyler Charles S Dutton Barry Levinson David Simon and also ordinary citizens The city of Baltimore features prominently in an extraordinary number of films television shows novels plays poems and songs Whether it is the small town eccentricity of Charm City think duckpin bowling and marble stooped row houses or the gang violence of Bodymore Murdaland Baltimore has figured prominently in popular culture about cities since the 1950s In Come and Be Shocked Mary Rizzo examines the cultural history and racial politics of these contrasting images of the city From the 1950s a period of urban crisis and urban renewal to the early twenty first century Rizzo looks at how artists created powerful images of Baltimore How Rizzo asks do the imaginary cities created by artists affect the real cities that we live in How does public policy intentionally or not shape the kinds of cultural representations that artists create And why has the relationship between artists and Baltimore city officials been so fraught resulting in public battles over film permits and censorship To answer these questions Rizzo explores the rise of tourism urban branding and citizen activism She considers artists working in the margins from the East Baltimore poets writing in Chicory a community magazine funded by the Office of Economic Opportunity to a young John Waters who shot his early low budget movies on the streets guerrilla style She also investigates more mainstream art from the teen dance sensation The Buddy Deane Show to the comedy drama Roc to the crime show The Wire from Anne Tyler's award winning book The Accidental Tourist to Barry Levinson's movie classic Diner

On Middle Ground Eric L. Goldstein, Deborah R. Weiner, 2018-03-28 A model of Jewish community history that will enlighten anyone interested in Baltimore and its past Winner of the Southern Jewish Historical Society Book Prize by the Southern Jewish Historical Society Finalist of the American Jewish Studies Book Award by the Jewish Book Council National Jewish Book Awards In 1938 Gustav Brunn and his family fled Nazi Germany and settled in Baltimore Brunn found a job at McCormick's Spice Company but was fired after three days when according to family legend the manager discovered he was Jewish He started his own successful business using a spice mill he brought over from Germany and developed a blend especially for the seafood purveyors across the street Before long his Old Bay spice blend would grace kitchen cabinets in virtually every home in Maryland The Brunns sold the business in 1986 Four years later Old Bay was again sold to McCormick In On Middle Ground the first truly comprehensive history of Baltimore's Jewish community Eric L Goldstein and Deborah R Weiner describe not only the formal institutions of Jewish life but also the everyday experiences of families like the Brunns and of a diverse Jewish population that included immigrants and natives factory workers and department store owners traditionalists and reformers The story of Baltimore Jews full of absorbing characters and marked by dramas of immigration acculturation

and assimilation is the story of American Jews in microcosm But its contours also reflect the city's unique culture Goldstein and Weiner argue that Baltimore's distinctive setting as both a border city and an immigrant port offered opportunities for advancement that made it a magnet for successive waves of Jewish settlers The authors detail how the city began to attract enterprising merchants during the American Revolution when it thrived as one of the few ports remaining free of British blockade They trace Baltimore's meteoric rise as a commercial center which drew Jewish newcomers who helped the upstart town surpass Philadelphia as the second largest American city They explore the important role of Jewish entrepreneurs as Baltimore became a commercial gateway to the South and later developed a thriving industrial scene Readers learn how in the twentieth century the growth of suburbia and the redevelopment of downtown offered scope to civic leaders business owners and real estate developers From symphony benefactor Joseph Meyerhoff to Governor Marvin Mandel and trailblazing state senator Rosalie Abrams Jews joined the ranks of Baltimore's most influential cultural philanthropic and political leaders while working on the grassroots level to reshape a metro area confronted with the challenges of modern urban life Accessibly written and enriched by more than 130 illustrations *On Middle Ground* reveals that local Jewish life was profoundly shaped by Baltimore's middleness its hybrid identity as a meeting point between North and South a major industrial center with a legacy of slavery and a large city with a small town feel

Tradition, Urban Identity, and the Baltimore "Hon" David J. Puglia, 2018-09-15 Baltimoreans have garnered a reputation for greeting one another by tagging hon to their speech In the late twentieth and early twenty first century this small piece of local dialect took center stage in a series of rancorous public debates over the identity associated with Baltimore culture Each time controversy followed leading to consequences ranging from protests and boycotts to formal legislative action Hon brought into focus Baltimore's past and future by symbolizing lingering divisions of race class gender and belonging in the midst of campaigns to unify and modernize the city While some decried hon and the Hon as embarrassing others hailed the word and the related image of a down to earth blue collar woman as emblematic of the authentic Baltimorean This book tells the story of the battles that flared over the attempts to use hon to construct a citywide local tradition and their consequences for the future of local culture in the United States

Condom Nation Alexandra M. Lord, 2010-01-01 An award winning history of the U S Public Health Service's haphazard efforts to educate Americans about sex for more than a century Since launching its first sex ed program during World War I the Public Health Service has dominated federal sex education efforts Alexandra M Lord draws on medical research news reports the expansive records of the Public Health Service and interviews with former surgeons general to examine these efforts from early initiatives through the administration of George W Bush Giving equal voice to many groups in America middle class working class black white urban rural Christian and non Christian scientist and theologian Lord explores how federal officials struggled to create sex education programs that balanced cultural and public health concerns She details how the Public Health Service left an indelible mark on federally and privately funded sex education programs through partnerships and

initiatives with community organizations public schools foundations corporations and religious groups With engaging and insightful analysis Lord explains how tensions among these organizations exacerbated existing controversies about sexual behavior She also discusses why the Public Health Service s promotional tactics sometimes fueled public fears about the federal government s goals in promoting or not promoting sex education Award for the Public Understanding of Science 2010 British Medical Association s Board of Science First Prize Popular Medicine British Medical Association 2010 Book Awards

An Album of Memories Tom Brokaw,2001-05-01 A seventeen year old who enlisted in the army in 1941 writes to describe the Bataan Death March Other members of the greatest generation describe their war in such historic episodes as Guadalcanal the D Day invasion the Battle of the Bulge and Midway as well as their life on the home front In this beautiful American family album of stories reflections memorabilia and photographs history comes alive and is preserved in people s own words and through photographs and time lines that commemorate important dates and events Starting with the Depression and Pearl Harbor on through the war in Europe and the Pacific this unusual book preserves a people s rich historical heritage and the legacy of the heroism of a nation **Generations** ,2005 **Baltimore's Harbor Haunts**

Melissa Rowell,Amy Lynwander,2005 This spellbinding book exposes some of Baltimore Maryland s unknown histories and uncovers 37 hauntings along the water From the ghost of a drowned boy in Canton to famous ghosts of Fort McHenry these tantalizing stories pay homage to the more spirited residents of the Canton Fell s Point Inner Harbor Federal Hill and Locust Point neighborhoods American Book Publishing Record ,2003 **Forthcoming Books** Rose Arny,2002 **Home Front Baltimore** Gilbert Sandler,2011-09-15 Rarely seen photographs from the Baltimore Sun the News American and the Afro American bring to life the rich personal anecdotes of wartime Baltimoreans and transport readers back to an indelible era of Baltimore history *Jewish Baltimore* Gilbert Sandler,2000-09-24 From Nates and Leon s deli to Hutzler s department store a columnist for Baltimore s Jewish Times and the Baltimore Sun tells of neighborhoods and landmarks that have been important to the city s Jewish population from 1850 to today More than 100 nostalgic photos help bring the memories to life

The Other Promised Land Avi Y. Decter,Melissa Martens,2005 **Postcard America** Jeffrey L. Meikle,2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L

Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images
