**Song of the Shepherd** Tony Horsfall, 2005-05 Song of the Shepherd invites us to enjoy a relationship of intimacy and grace finding true peace and contentment as we learn to depend on God day by day      **The song of the shepherd king [Psalm 23].** Reginald Crabb Burr, 1911      Psalm 23 Mark A. Tabb, 1999      **Song of the Shepherd** Mark Tabb, 1999 Who wants to be a sheep The twenty third Psalm begins The Lord is my Shepherd While we often think of this phrase as a comforting and beautiful affirmation of God's love for us we rarely stop to think of its implications If God is our Shepherd that makes us sheep Mindless passive dependant animals that will follow anything that catches their attention Stupid creatures that must be watched at all times lest they be a detriment to themselves Yet that's how the Bible refers to God's people time and time again If God is to be our Shepherd then we need to be His sheep We must surrender our stubborn wills to His direction bow to his discipline and acknowledge His sovereignty over all heaven and earth Join Mark Tabb as he studies the life of God's sheep and encourages us to live each day surrendered to our Shepherd in Song of the Shepherd      *The Swan Song of the Old Shepherd* J. Terrien, 2003 In this monumental work his most ambitious undertaking the late Samuel Terrien brings together a lifetime of scholarship on Psalms long the wellspring of Jewish spirituality as well as the main hymnal of the Christian church The book's insightful and clearly written introduction treats such subjects as the longevity and ecumenicity of the psalms their Near

Eastern background the Hebrew text and ancient versions their music their strophic structure their literary genre their theology and their relation to the New Testament In the commentary itself Terrien freshly elucidates the theological significance of these collected poems by putting readers in touch with the formal versatility and religious passion of the psalmists themselves While Terrien always engages in scientific exegesis before drawing theological conclusions he is careful to allow full expression to the theological and especially the doxological voice of these unmatched spiritual songs The result is a commentary that provides a link between the archaic language of Psalms and the intellectual demands of modern thinking and spirituality Throughout his exposition Terrien shows great respect for the scribal testimony of the Jewish tradition especially the consonants of the Masoretic text He likewise displays great care in finding the most accurate meaning for Hebrew words of obscure origin This meticulous work renders a translation of Psalms more reliable than those of Terrien's predecessors He also draws on many fruitful gains of structural analysis in discerning the strophic divisions within the Hebrew text Often he finds unity of composition where earlier critics denied it And for readers interested in specific aspects of translation and interpretation Terrien has appended bibliographical lists of modern works on each psalm
