A Song of Thieves Jacqlin Guernsey, 2023-04-03 The kingdom of Felshan is at its breaking point The death of the prince seven years ago left the country vulnerable In their grief the King and Queen have all but abandoned their duties leaving their daughter to hold the pieces together The last hope for a peaceful future rests with Princess Adalena the new albeit hesitant heir of Felshan When the princess is kidnapped a secret few must find her before a power grab for the throne dismantles the country for good Ari is a commissioned thief and spy her skills honed by the very palace she once despised Being asked to save the missing princess brings her head to head with the last person she'd ever choose Roan Montgomery Roan is captain of the Royal Guard working through his own misery and troubled past while attempting to keep the peace in a crumbling Felshan Ari wants to be free Roan wants to forget This treacherous quest will push Ari and Roan to their breaking point pulling the duo intimately together in the process The fate of the realm rests with these unlikely allies who discover along the way that they themselves might be the ones who need saving

Miles Philip Phillips, 1882 *Dearly Beloved* Pamela Ayo Yetunde, 2025-04-22 *Dearly Beloved* we are gathered here today to get through this thing called life When Prince spoke those words over celestial organ sounds in the opening moments of *Let's Go Crazy* he wasn't just inaugurating yet another Billboard Hot 100 hit one of forty seven in his career he was also giving voice to the deep seated and richly complex spiritual underpinning of his art Prince is beloved by millions worldwide and a true legend of the pop genre Yet most of his fans don't recognize the spiritual messages coded within his work nor understand the connections between Prince's own religious devotion which evolved over time and the sexualized messages of his music Prince was beguiling and used his seductive and

mysterious charm to draw his fans into his spiritual and cosmic worldviews often without their knowledge In Dearly Beloved Pamela Ayo Yetunde a lifelong Prince fan and founder of the Theology of Prince project when she taught at United Theological Seminary in Prince's own Minneapolis decodes the spiritual and sexual messages behind Prince's work from For You to Graffiti Bridge to The Rainbow Children and beyond Exploring more than forty years of his music and art you will discover Prince as a spiritual giant He might not have always gotten it right but nonetheless he cast a powerful vision for what it means to be dearly beloved what it takes to gather intentionally the opportunities presented by being in the present and how to engage with the complexities of human experience For anyone who loves Prince is inspired by him is confused by his lyrics or is curious about what his music means and for all who live in search of deeper meaning and tools for cultivating resilience in difficult times Dearly Beloved is an essential spiritual guide
