Helen Winter, Nadya Gilbert, 2021-05-24

Flutes are a part of the Native American tradition Original instruments have from zero to 7 finger holes and each flute master designs their own instrument in order to find their own unique sound Flutes along with percussion instruments were used for ceremonial and healing purposes These songs were adapted here for Recorder musical instrument The most difficult thing about playing Native American songs is their irregular rhythms It might change several times during a song because rhythm is generally more important than melody Songs for American tribes are traditionally a method of communicating with their ancestors and supernatural powers Music is used to

 Swing Low Sweet Chariot *Recorder for Absolute Beginners* Helen Winter, Nadya Gilbert, This book is for kids or adults
 who are absolute beginners in music We tried to write it as simply as possible We use an easy to play visual aid so any
 beginner can play music quickly No previous knowledge is necessary Every song has a large and simple letter coded visual
 along with traditional sheet music The instruction is designed so that children begin with simple circles and gradually
 advance to reading notes using sheet music We try to make this transition as easy as a game where children advance to
 higher levels themselves There are 22 songs and 2 options to help children begin to play right away PLAYING BY LETTER
 CIRCLE PLAY WITH THE MUSICAL STAFF The player can first follow the circles and then repeat with the classic note
 symbols and staff The helpful letters are always above the notes There are 3 parts in this book They are equal to 3 levels
 Level 1 Songs that are played in one octave All songs here appear twice once written with circles and the next time with
 classic music notes This will help kids remember the staff notes Level 2 In this part you will find one version with both circles
 and notes and a more advanced version of the song with notes and musical notation For example Hot Cross Buns Version 1
 CIRCLES Hot Cross Buns Version 1 NOTES Hot Cross Buns Version 2 NOTES Here the player will play songs in a different

key and learn how to transpose Generally the version of the song written with sheet music is a little bit more complex than a letter coded version Such versions already have music notations such as rests or beams etc You can find an illustrated explanation of the notation at the beginning of this book Level 3 Here the first two songs are versions of the same melody different combinations of notes written with circles and notes This is important so that the beginner can see how the same melody can be played in different keys First of all this book is addressed to newcomers to the recorder instrument Also it is a perfect self training guide for children and beginner adults to mastering the challenges of flute or recorder
