Songs Made Famous By Paul Anka:

The Very Best of Paul Anka Paul Anka, 2005 Twenty vintage favorites including Put your head on my shoulder You are my destiny Diana etc **Famous Male Musicians Gr. 4-8** , This is the Sound of Irony: Music, Politics and Popular Culture Katherine L. Turner, 2016-03-03 The use of irony in music is just beginning to be defined and critiqued although it has been used implied and decried by composers performers listeners and critics for centuries Irony in popular music is especially worthy of study because it is pervasive even fundamental to the music the business of making music and the politics of messaging Contributors to this collection address a variety of musical ironies found in the notes themselves in the text or subtext and through performance reception and criticism The chapters explore the linkages between irony and the comic the tragic the remembered the forgotten the co opted and the resistant From the nineteenth to twenty first centuries through America Europe and Asia this provocative range of ironies course through issues of race religion class the political left and right country punk hip hop folk rock easy listening opera and the technologies that make possible our pop music experience This interdisciplinary volume creates new methodologies and applies existing theories of irony to musical works that have made a cultural or political impact through the use of this most multifaceted of devices *The Encyclopedia of Popular Music* Colin Larkin, 2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day **The Music of Bobby Vee** Robert Reynolds, 2016-04-19 Bobby Vee got his break when Buddy Holly s plane crashed killing all aboard Vee s amateur combo answered a call for volunteers to carry on the ill fated Winter Dance Party It was a serendipitous beginning to one of the most successful careers in 60s music Vee scored a 1 hit with the classic Take Good Care of My Baby and followed it with 2 Run to Him ensuring his place in history as one of the most consistent hit makers of his generation His star dimmed when British groups took over but bounced back with one of his biggest hits Come Back When You Grow Up He racked up 38 Top 100 hits This looks at all of his recordings Some of his best music came long after his name vanished from the music charts He encountered Bob Dylan worked with Leon Russell achieved success with Holly s Crickets and met the Beatles Misfortune kept him from songs that became top hits for others **Hit Songs, 1900-1955** Don Tyler, 2007-04-16 This is a chronology of the most famous songs from the years before rock n roll The top hits for each year are described including vital information such as song origin artist s and chart information For many songs the author includes any web or library holdings of sheet music covers musical scores and free audio files An extensive collection of biographical sketches follows providing performing credits relevant professional awards and brief biographies for hundreds of the era s most popular performers lyricists and composers Includes an alphabetical song index and bibliography **A Century of American Popular Music** David A. Jasen, 2013-10-15 First Published in 2002 A Century of American Popular Music is an annotated index to over 2 000 of the most popular best remembered historically important and otherwise influential and interesting popular music from the landmark publication of

Scott Joplin's Maple Leaf Rag to the latest rap hit. It provides information all in one place that is available nowhere else: song title, composer, lyricist, publisher, date of copyright, and genre. The annotations include, where possible, a discussion of the history of the song, how it was written, who popularized it, notable recordings with their original issue numbers, as well as covers and other versions that helped keep the song in public attention. Also included are indices by composer, publisher, and year of publication.

Popular Music and the New Auteur Arved Ashby, 2013-12. MTV utterly changed the movies. Since music television arrived some 30 years ago, music videos have introduced filmmakers to a new creative vocabulary: speeds of events changed, and performance and mood came to dominate over traditional narrative storytelling. *Popular Music and the New Auteur* charts the impact of music videos on seven visionary directors: Martin Scorsese, Sofia Coppola, David Lynch, Wong Kar Wai, the Coen brothers, Quentin Tarantino, and Wes Anderson. These filmmakers demonstrate a fresh kind of cinematic musicality by writing against pop songs rather than against script, and allowing popular music a determining role in narrative imagery and style. Featuring important new theoretical work by some of the most provocative writers in the area today, *Popular Music and the New Auteur* will be required reading for all who study film, music, and sound. It will be particularly relevant for readers in popular music studies, and its intervention in the ongoing debate on auteurism will make it necessary reading in film studies.

Semiotics of Popular Music Martina Elicker, 1997. *Focus On: 100 Most Popular English People of Welsh Descent*. Wikipedia contributors, *Focus On: 100 Most Popular Canadian Male Film Actors*. Wikipedia contributors, *LIFE*, 1962-05-11. *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search, and view photos of today's people and events. The Complete Idiot's Guide to Music History Michael Miller, 2008-07-01. A beautifully composed journey through music history. Music history is a required course for all music students. Unfortunately, the typical music history book is dry and academic, focusing on rote memorization of important composers and works. This leads many to think that the topic is boring, but bestselling author Michael Miller proves that isn't so. This guide makes music history interesting and fun for both music students and older music lovers. Covers more than Western classical music; also includes non-Western music and uniquely American forms such as jazz. More than just names and dates, puts musical developments in context with key historical events.

Canadiana, 1991. **Historical Dictionary of Popular Music** Norman Abjorensen, 2017-05-25. This book seeks to trace the rise of popular music, identify its key figures, and track the origins and development of its multiple genres and styles, all the while seeking to establish historical context. It is fundamentally a ready reference guide to the broad field of popular

music over the past two centuries It has become a truism that popular music so pervasive in the modern world constitutes a soundtrack to our lives a constant though changing presence as we cross thresholds and grow from children to teenagers to adults But it has become more than a soundtrack it has become a narrative Not just an accompaniment to our daily lives but incorporating our lives our sense of identity our lived experiences into it We have become part of the music just as the music has become part of us The Historical Dictionary of Popular Music contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 1000 cross referenced entries on major figures across genres definitions of genres technical innovations and surveys of countries and regions This book is an excellent resource for students researchers and anyone wanting to know more about popular music *Taking Popular Music Seriously* Simon Frith,2017-07-05 As a sociologist Simon Frith takes the starting point that music is the result of the play of social forces whether as an idea an experience or an activity The essays in this important collection address these forces recognising that music is an effect of a continuous process of negotiation dispute and agreement between the individual actors who make up a music world The emphasis is always on discourse on the way in which people talk and write about music and the part this plays in the social construction of musical meaning and value The collection includes nineteen essays some of which have had a major impact on the field along with an autobiographical introduction *American Popular Music and Its Business* the late Russell Sanjek,1988-07-28 Volume three of this work focuses on developments in the music business in the twentieth century from its earliest days to the present era **American Popular Music and Its Business: From 1900 to 1984** Russell Sanjek,1988 Volume three of this work focuses on developments in the music business in the twentieth century from its earliest days to the present era *All Music Guide* Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre
