**Songs of Godlove** Jack Gottlieb, 2004 Religious Piano Vocal Guitar      **God's Love Song** Murray Bodo, Susan Saint Sing, 2024-03-05 The Canticle of the Creatures is Francis's love song. It is Franciscan wholeness for in it is contained the depth of his prayer and of his life in Christ. In its singing he was singing his dying and his rising for his song was a journey of praise and thanksgiving for his place of origin and his destination the Most High All Powerful Good Lord. Murray Bodo Using St Francis's canticle as a framework. Murray Bodo a Franciscan friar and Susan Saint Sing a secular Franciscan reflect on the vision of Francis and Clare as it has played out over the course of their own lives. Susan's experiences of healing during trips to Assisi and praying in nature and Murray's deep understanding of Francis and Clare as poets and mystics come together in a duet that brings God's love song to life. These deeply personal reflections explore the power of prayer and meditation the sacredness of all creation and the pull of sacred places. This meditative reflective reading experience conveys what a lifetime of Franciscan spirituality looks like and will draw you into exploring your own experience of the vision of Francis and Clare.

**The Book of Love** Kathleen McGowan, 2012-12-11 Once there was a gospel written in Christ's own hand a treasure of almost unimaginable magnitude referred to by the Cathars of medieval France as The Book of Love. Fresh from her successful search for the long hidden scrolls written by Mary Magdalene, journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the Book of Love. But just as there were those who would stop at nothing to seize and suppress the Book of Love seven centuries ago so there are those today who are equally determined that its radical message should never be revealed. In a race across Italy and France new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity. Combining expert research with dazzling plot twists The Book of Love is sure to thrill readers as they follow Maureen's search for clues through some of the world's greatest art architecture and history until a potentially fatal encounter reveals the Book of Love to her and to us.      **God,**
