13 deals with the interaction of music and politics considering a broad range of genres authors composers and artists in Germany since the nineteenth century A particularly iconic image of German Reunification is that of Mstislav Rostropovich playing from J S Bach's cello suites in front of the Berlin Wall on November 11 1989 Thirty years on it is timely to reconsider the cross fertilization of music and politics within the German speaking context Frequently employed as a motivational force a propaganda tool or even a weapon music can imbue a sense of identity and belonging triggering both comforting and disturbing memories Playing a key role in the formation of Heimat and Germanness it serves ideological nationalistic and propagandistic purposes conveying political messages and swaying public opinion This volume brings together essays by historians literary scholars and musicologists on topics concerning the increasing politicization of music especially since the nineteenth century They cover a broad spectrum of genres musicians and thinkers discussing the interplay of music and politics in classical and popular music from the rediscovery and repurposing of Martin Luther in nineteenth century Germany to the exploitation of music during the Third Reich from the performative politics of German punk and pop music to the influence of the events of 1988 89 on operatic productions in the former GDR up to the relevance of Ernst Bloch in our contemporary post truth society *The Publishers Weekly*, 1924 *Comprehensive Calendar of Bicentennial Events*,

**The Encyclopedia of the American Revolutionary War** Gregory Fremont-Barnes, Richard Alan Ryerson, 2006 Contains entries that provide information on topics related to the American Revolution covering politics people warfare and culture arranged alphabetically from M to R with maps and illustrations **Songs for the Spirits** Barley Norton, 2010-10-01 Songs for the Spirits examines the Vietnamese practice of communing with spirits through music and performance During rituals dedicated to a pantheon of indigenous spirits musicians perform an elaborate sequence of songs a songscape for possessed mediums who carry out ritual actions distribute blessed gifts to disciples and dance to the music's infectious rhythms Condemned by French authorities in the colonial period and prohibited by the Vietnamese Communist Party in the late 1950s

mediumship practices have undergone a strong resurgence since the early 1990s and they are now being drawn upon to promote national identity and cultural heritage through folklorized performances of rituals on the national and international stage By tracing the historical trajectory of traditional music and religion since the early twentieth century this groundbreaking study offers an intriguing account of the political transformation and modernization of cultural practices over a period of dramatic and often turbulent transition An accompanying DVD contains numerous video and music extracts that illustrate the fascinating ways in which music evokes the embodied presence of spirits and their gender and ethnic identities
