[With Musical Notes and a Bibliography.]. Gale Huntington, 1964 Songs Gale Music on Martha's Vineyard Thomas Dresser, Jerold Muskin, 2014-09-30 Martha's Vineyard has a rich musical legacy that stretches back to the earliest drumbeats of the Wampanoags and the whaling chanteys of the nineteenth century Returning Civil War veterans formed the island's oldest continuous music ensemble the Vineyard Haven Band Vineyarders embrace all things musical from choral and string ensembles to singers and songwriters Discover this melodious history from the early twentieth century dance bands at the Tivoli ballroom through the war years the piano bars and the nascent folk music scene at the Mooncusser Cafe where Carly Simon and James Taylor played their first licks Authors Thomas Dresser and Jerry Muskin explore the homegrown music scene and the summer stars who keep islanders and visitors To Swear like a Sailor Paul A. Gilje, 2016-02-15 Anyone could swear like a sailor Within the larger moving to the beat culture sailors had pride of place in swearing But how they swore and the reasons for their bad language were not strictly wedded to maritime things Instead sailor swearing indeed all swearing in this period was connected to larger developments This book traces the interaction between the maritime and mainstream world in the United States while examining cursing language logbooks storytelling sailor songs reading images and material goods To Swear Like a Sailor offers insight into the character of Jack Tar the common seaman and into the early republic It illuminates the cultural connections between Great Britain and the United States and the appearance of a distinct American national identity The book explores the emergence of sentimental notions about the common man through the guise of the sailor appearing on stage in song in literature and in Native American Whalemen and the World Nancy Shoemaker, 2015-04-27 In the nineteenth century nearly all images Native American men living along the southern New England coast made their living traveling the world's oceans on whaleships Many were career whalemen spending twenty years or more at sea Their labor invigorated economically depressed reservations with vital income and led to complex and surprising connections with other Indigenous peoples from the islands of the Pacific to the Arctic Ocean At home aboard ship or around the world Native American seafarers found themselves in a variety of situations each with distinct racial expectations about who was Indian and how Indians behaved

Treated by their white neighbors as degraded dependents incapable of taking care of themselves Native New Englanders nevertheless rose to positions of command at sea They thereby complicated myths of exploration and expansion that depicted cultural encounters as the meeting of two peoples whites and Indians Highlighting the shifting racial ideologies that shaped the lives of these whalemen Nancy Shoemaker shows how the category of Indian was as fluid as the whalemen were mobile

Whaling on Martha's Vineyard Thomas Dresser, 2018-05-28 Martha's Vineyard became an integral part of the whaling industry at the beginning of the eighteenth century and inspired a lasting romantic enthusiasm for life on the open ocean From shorewhaling to daring voyages into the Atlantic Pacific and Arctic Oceans the insular whaling community offered a tempting path for many young Vineyarders to rise from cabin boy to captain Local businesses were enticed by the potential profit from whaling voyages and many reaped generous rewards from successful whale oil harvests Through memoirs music and memorabilia author Thomas Dresser recounts this dramatic history of the bygone era of whaling on Martha's Vineyard

Wake Up Dead Man Bruce Jackson, 1999 Making it in Hell says Bruce Jackson is the spirit behind the sixty five work songs gathered in this eloquent dispatch from a brutal era of prison life in the Deep South Through engagingly documented song arrangements and profiles of their singers Jackson shows how such pieces as Hammer Ring Ration Blues Yellow Gal and Jody's Got My Wife and Gone are like no other folk music forms they are distinctly African in heritage diminished in power and meaning outside their prison context and used exclusively by black convicts. The songs helped workers through the rigors of cane cutting logging and cotton picking Perhaps most important they helped resolve the men s hopes and longings and allowed them a subtle outlet for grievances they could never voice when face to face with their jailers Representations of Childhood Death NA NA, 2016-04-30 Recent events such as the massacres in Dunblane and Arkansas the deaths of children in terrorist attacks civil wars and famines children born with AIDS and the many abductions and murders of children including some by children have placed childhood death firmly in the public consciousness But how do we understand what it means for a child to die This book examines the way the deaths of children have been dealt with at different times and in different media Each contributor has focused on a different way of representing the deaths of children from superstitions about malign child ghosts through mothers diaries to horror fiction and more Public Worship, Private Faith John Bealle, 1997 The Sacred Harp a tunebook that first appeared in 1844 has stood as a model of early American musical culture for most of this century Tunebooks such as this printed in shape notes for public singing and singing schools followed the New England tradition of singing hymns and Psalms from printed music Nineteeth century Americans were inundated by such books but only the popularity of The Sacred Harp has endured throughout the twentieth century With this tunebook as his focus John Bealle surveys definitive moments in American musical history from the lively singing schools of the New England Puritans to the dramatic theological crises that split New England Congregationalism from the rise of the genteel urban mainstream in frontier Cincinnati to the bold New South movement that sought to transform the southern economy from the nostalgic

culture writing era of the Great Depression to the post World War II folksong revival Although Bealle finds that much has changed in the last century the custodians of the tradition of Sacred Harp singing have kept it alive and accessible in an increasingly diverse cultural marketplace Public Worship Private Faith is a thorough and readable analysis of the historical social musical theological and textual factors that have contributed to the endurance of Sacred Harp singing Care Away Edward D. wrote late in life During his time in the Pacific Melville served on three whaling ships as well as on a U S Navy man of war As a deserter from one whaleship he spent four weeks among the cannibals of Nukahiva in the Marquesas seeing those islands in a relatively untouched state before they were irrevocably changed by French annexation in 1842 Rebelling against duty on another ship he was held as a prisoner in a native calaboose in Tahiti He prowled South American ports while on liberty hunted giant tortoises in the Galapagos Islands and explored the islands of Eimeo Moorea and Maui He also saw the Society and Sandwich Hawaiian Islands when the Western missionary presence was at its height Heflin combed the logbooks of any ship at sea at the time of Melville's voyages and examined nineteenth century newspaper items especially the marine intelligence columns for mention of Melville's vessels He also studied British consular records pertaining to the mutiny aboard the Australian whaler Lucy Ann an insurrection in which Melville participated and which inspired his second novel Omoo Distilling the life's work of a leading Melville expert into book form for the first time this scrupulously edited volume is the most in depth account ever published of Melville's years on whaleships and how those singular experiences influenced his writing
