Songs From The Stars:

Songs from the Stars Norman Spinrad, 1982 **Songs of the Stars** Isaac Rieman Baxley, 1904 *The First Generation of Country Music Stars* David Dicaire, 2015-01-27 This book focuses on 50 of the most important entertainers in the history of country music from its beginnings in the folk music of early America through the 1970s Divided into five distinct categories it discusses the pioneers who brought mountain music to mass audiences cowboys and radio stars who spread country music countrywide honky tonk and bluegrass musicians who differentiated country music during the 1940s the major contributions that female artists made to the genre and the modern country sound which dominated the genre from the late 1950s to the mid 1980s Each entry includes a brief biography of the chosen artist with special emphasis on experiences which influenced their musical careers Covered musicians include Fiddlin John Carson Riley Puckett Gene Autry Roy Rogers Bob Wills Bill Monroe Hank Williams Sr Dale Evans June Carter Cash Loretta Lynn Buck Owens Roy Clark Willie Nelson and Merle Haggard *The New Generation of Country Music Stars* David Dicaire, 2014-11-21 This book highlights 50 of the most important entertainers in contemporary country music providing a brief biography of each artist with special emphasis on experiences that influenced their musical careers The artists are divided into five categories The New Traditionalists artists such as George Strait Reba McEntire and Clint Black who established the mainstream country sound in the 1980s Alternative Country artists such as Steve Earle and Bela Fleck who made country music on their own terms Groups ensemble acts such as Alabama the Dixie Chicks and Rascal Flatts that have carried on the traditions of the Carter Family and other prominent groups of the 1920s and 1930s Country Pop artists such as Garth Brooks and Shania Twain who firmly established the countrypolitan sound as the cash cow of Nashville and New Country the next generation of country pop artists with particular attention paid to international megastars such as Keith Urban and teen sensations including LeAnn Rimes and Taylor Swift Popular Music, Stars and Stardom Stephen Loy, Julie Rickwood, Samantha Bennett, 2018-06-15 A popular fascination with fame and stardom has existed in Western culture since the late eighteenth century a fascination that in the twenty first century reaches into almost every facet of public life The pervasive nature of stardom in modern society demands study from the perspectives of a range of distinct but thematically connected disciplines The exploration of intersections between broader considerations of stardom and the discourses of popular music studies is the genesis for this volume The chapters collected here demonstrate the variety of work currently being undertaken in stardom studies by scholars in Australia The contributions range from biographical considerations of the stars of popular music contributions to critical discourses of stardom in the industry more broadly and the various ways in which the use of astronomical metaphors in both cultural commentary and academic discourse demonstrate notions of stardom firmly embedded in popular music thought Not only do these chapters represent a range of perspectives on popular music stars and stardom they provide eloquent and innovative contributions to the developing discourse on stardom in popular music **Catalogue of Music** British

Museum,1891 *Hindi Film Songs and the Cinema* Anna Morcom,2017-07-05 Since their beginnings in the 1930s Hindi films and film songs have dominated Indian public culture in India and have also made their presence felt strongly in many global contexts Hindi film songs have been described on the one hand as highly standardized and on the other as highly eclectic Anna Morcom addresses many of the paradoxes eccentricities and myths of not just Hindi film songs but also of Hindi cinema by analysing film songs in cinematic context While the presence of songs in Hindi films is commonly dismissed as purely commercial this book demonstrates that in terms of the production process musical style and commercial life it is most powerfully the parent film that shapes and defines the film songs and their success rather than the other way round While they constitute India's still foremost genre of popular music film songs are also situational dramatic sequences inherently multi media in style and conception This book is uniquely grounded in detailed musical and visual analysis of Hindi film songs song sequences and films as well as a wealth of ethnographic material from the Hindi film and music industries Its findings lead to highly novel ways of viewing Hindi film songs their key role in Hindi cinema and how this affects their wider life in India and across the globe It will be indispensable to scholars seeking to understand both Hindi film songs and Hindi cinema It also forms a major contribution to popular music popular culture film music studies and ethnomusicology tackling pertinent issues of cultural production multi media and the cross cultural use of music in Hindi cinema The book caters for both music specialists as well as a wider audience *Songs of the Stars* Isaac Rieman Baxley,2016-05-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Pop Music Legends** Hank Moore,2022-09-06 Music affects every person It is the soundtrack of our happiness zest for achievement and relationships to others Music brings great ideas and feelings It soothes the soul It creates and sustains memories Hank Moore *Pop Music Legends* covers change and growth of the music recording industry It is based on the Hank Moore's involvement in music over the years interviews with hundreds of music stars and his knowledge of pop culture It is the only book that encompasses a full scope music perspective and is designed to have high appeal mass appeal historical entertainment and is applicable to a broad audience *Course of Study for Intermediate Grades* Philippines. Popular Music of Vietnam Dale A. Olsen,2008-06-30 Based on the author's research in Ho Chi Minh City Hanoi and other urban areas in Vietnam this study of contemporary Vietnamese popular music explores the ways globalization and free market economics have influenced the music and subcultures of Vietnamese youth focusing on the conflict between the politics of remembering nurtured by the Vietnamese Communist government and the politics of forgetting driven by the capitalist interests of the music industry Vietnamese youth at the end of the second and beginning of the third millennium are influenced by the

challenges generated by a number of seemingly opposite ideologies and realities such as the past versus the present socialism versus capitalism and cultural traditionalism versus globalization Vietnam has undergone a radical demographic shift with a very pronounced youth movement and consequently Vietnamese popular culture has been radically reshaped by a young population coming of age in the twenty first century As Olsen reveals the way Vietnamese young people cope with these opposing and contrasting forces is often expressed in their active and passive music making
