Minyard, 2024-04-30 This book took some great thought to write but And It Just Had to Be is paramount to everything that Christianity stands for The work of Jesus Christ His death and resurrection is crucial to our faith The key factor is the oneness of Christ in us This book highlights the factor of what Christ really did for us to appease the wrath of God The choice is freewill The truth is we have been translated from darkness to light We are all sinners saved by the grace of God but we have to accept this gift to have eternal life However if you reject this gift then the wrath of God is on you my friend There were elements that were very personal that happened during my rebellious years in unbelief and it happens to many people It s sad but it does right Trust me learn from my mistakes please repent really quick You don t know what the price is I talk about surrender being the first step to accepting Jesus as Lord and Savior Salvation is a onetime event if it s genuine but throughout your life it s an everyday deal the real one Sometimes we ride the fence and think everything is A OK but it s not Please have intimacy with God He loves us very much The Christian life ends when we re at the Judgment Seat of Christ I hope no one appears at the Great White Throne Judgment I covered many topics in this book to illustrate biblical concepts for you to grasp the truth This is very serious stuff in the eyes of God The purpose of this book is for you to make the right choice repent or not Remember God believes in you You might be in that rebellious life but just surrender back to God      **Songs of the Redeemed** Ahmed Musa , 2024-12-12 A sister s song A nation s praise A moment of deliverance that echoes through the ages After Israel s miraculous escape from Egypt when Pharaoh s army was swallowed up by the sea there was no greater celebration than the triumphant song of Miriam the prophetess As the first woman to lead the people in worship Miriam s song became the anthem of deliverance and the heart of Israel s spiritual identity Songs of the Redeemed Miriam Leads in Worship explores this powerful moment of praise and worship revealing not only the joy of victory but the deeper meaning behind the song that still inspires generations of believers In Songs of the Redeemed Miriam Leads in Worship you will discover The significance of Miriam s leadership as a woman of faith and how her song became a pivotal moment in Israel s spiritual journey The power of worship in times of deliverance and how Miriam s song was a response to God s faithfulness and intervention How the song reflects the themes of freedom redemption and God s sovereignty echoing the core message of the Exodus story The

role of music and worship in connecting believers to God's miraculous acts and how Miriam's song set the stage for the worship practices that would follow in Israel's history. How the songs of the redeemed including Miriam's invite us into a deeper relationship with God reminding us to celebrate His victories in our lives. Miriam's song is more than a historical moment; it is a call to all believers to worship with joy remembering the mighty acts of God in their own lives. Just as Miriam led with her song of praise, we too are invited to sing songs of the redeemed, testifying to God's ongoing work of deliverance. What songs are you singing in your life today? How can worship and praise become a part of your response to God's deliverance in your own journey? Miriam's song is a reminder that worship isn't just a ritual; it's a response to God's powerful acts of salvation and a declaration of His glory in every generation. Step into Songs of the Redeemed and join Miriam's call to worship. Let your life be a song of deliverance, declaring the greatness of the God who saves.

**Songs for the Forgotten** Julia Burns, 2020-10-20. Songs for the Forgotten: A Psychiatrist's Record combines pivotal moments from Julia Burns's Southern upbringing in the 1970s with case histories accumulated through three decades of treating psychiatric patients, particularly those drowning in the cultural epidemic of child abuse. This book is her journal of rupture and return. The reader will follow the author's hard-won reconciliation. In telling panoply of stories including her own, Burns argues for the interconnectedness of humanity: when one child is hurt, our humanity is violated, and we are all responsible for undoing that damage. If no one steps up to save children, the cycle of abuse will continue. Songs for the Forgotten offers a strong practical component providing information about trauma and healing. Burns illustrates how hope and wholeness can come from remembrance and telling.
