Tzounakas,2024-09-02 This book demonstrates that the carefully chosen Greek words in Persius programmatic passages play a significant role in the context of his literary criticism they allow him to express his objection to the Graecizing poetic compositions of his day more convincingly while facilitating intertextual dialogues with many writers Greek words that occur in programmatic passages throw into relief various pathologies of poetry which Persius disapproves of and which contribute effectively to a justification of his rejection However this practice which does not continue into the rest of his work where Greek words are incorporated into the satirist's thought more harmoniously appears to serve specific expedencies and should not be considered characteristic of Persius attitude towards Greek culture in general Besides the satiric persona adopts a positive stance regarding Greek philosophy or comedy and criticizes the ignorant critics of Greek culture while many aspects of Greek thought enrich his own poetry in several passages Thus despite the intensity with which he turns against the Graecizing compositions of his day generalizations regarding an anti Hellenic stance on Persius part should be deemed unfounded Bluegrass Neil V. Greenwood ,2022-04-19 Return to Muck tells of Marg s experiences as a solo older woman traveller in some lesser known Scottish islands in the Inner and Outer Hebrides On a budget she mostly stays in hostels and bunkhouses travels by car within the islands except Muck but takes no carbon emitting flights She walks wanders and wonders talks to islanders age range from 5 to 97 comes across usually by chance stunning geographical features exciting wildlife ancient stones folktales and other finds many of which lead her to research and more discovery Unusual subject matters include finding the connection between goose barnacles and barnacle geese learning about Gaelic song and stumbling across a lighthouse optic in a stately home garden Two of these finds become sources for poems From this an increased creativity emerges some of which is a natural progression from her poems that of composing songs and teaching them at other island schools as well as the Muck school She bases the lyrics of these songs on a folktale pertaining to the particular island thus allowing the pupils to express themselves musically and learn about their local folklore at the same time She describes her own experiences of teaching the songs This book offers a perspective only a lone woman traveller can give It can serve both as a memento to those who know the islands well and provide an introduction for anyone who has yet to discover them especially those who yearn to travel alone
