

Never Grow Old

from www.traditionalmusic.co.uk

Words and Music: James Moore, ca. 1914.

I have heard of a land on the far away strand,
'Tis a beautiful home of the soul;
Built by Jesus on high, where we never shall die,
'Tis a land where we never grow old.

Refrain

Never grow old, never grow old,
In a land where we'll never grow old;
Never grow old, never grow old,
In a land where we'll never grow old.

In that beautiful home where we'll never more roam,
We shall be in the sweet by and by;
Happy praise to the King through eternity sing,
'Tis a land where we never shall die.

Refrain

When our work here is done and the life crown is won,
And our troubles and trials are o'er;
All our sorrow will end, and our voices will blend,
With the loved ones who've gone on before.

Refrain

and Japheth means bright or fair One of the most intimidating questions that plagued the mind of many today is how could one son be of Black decent and not the others According to medical research it tells us it is possible to have children that are very different particularly if one or both of the parents is dark complexioned but according to medical research it is impossible for a bright or fair complexioned person to produce a dark skinned child NOTE NOTHING IS TOO HARD FOR GOD According to historians and their findings Ham is the ancestral father of the Blacks Mongoloids and the Indians Shem is the ancestral father of the Jews and Arab nations and from the loins of Japheth came the Caucasians nationalized the Indo European Countries

Children ,1928 *The Gaithers and Southern Gospel* Ryan P. Harper,2017-04-26 In *The Gaithers and Southern Gospel* Ryan P Harper examines songwriters Bill and Gloria Gaither s Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity
