Sons and Comrades Kazimierz Brandys, 1961 **Shadow Fight(s)** Rainer Bressler, 2021-10-29 The author investigates his hatred of his long since passed away father He hated him and survived him He tries to approach his late father by drawing an as objective as possible portrait of him This man who came to Switzerland from Germany in 1937 Switzerland became his exile In Switzerland he marries a Swiss lady and history takes its course In the interest of an intimate clarity beyond the biographical facts the story is freely invented and fluidly told in relentless openness from a wide variety of perspectives and condenses into a humorous family and social novel that does not hide the fact that the son s supposed hatred of his father masks his longing for his father s love **Minutes of the ... Annual Session of the National Encampment, Grand Army of the Republic** Grand Army of the Republic, 1923 **Morpeth in the Great War** Craig Armstrong, 2016-07-31 Morpeth played a key role in Northumberland s war effort As a market town and the seat of

government of the county authority the town was significant in the coordination of Northumberland's war effort. With a wide rural hinterland it played a huge part in the production and dispersal of vital food. The town also occupied a position on the fringes of the Northumberland coal district and many of the men and businesses of Morpeth were engaged in the equally vital work of mining. The town shared a proud tradition of military service with the wider region reflected in the huge numbers of Morpeth men and women who came forward for service in the military or in roles such as nursing. It was a recruitment centre with its own unit of the 17th Territorial battalion Northumberland Fusiliers. For many of those left behind in Morpeth the war was a time of fear and hardship. This book includes accounts of the struggles that many families faced in coping with wartime policies, severe shortages, rising wartime prices, longer working hours and endless worry, sometimes in the face of accusations of drunkenness or idleness from the authorities and unfair criticism of the rural districts recruiting record. Despite the hardships Morpethians continued to provide incredible charitable support right up until the end of the war in addition to their work efforts. These momentous efforts are explained throughout this book which is a poignant testimony to the bravery, self-sacrifice and determination of the people of Morpeth during the Great War. *Specimens of the Novelists and Romancers* Richard Griffin, 1831 *Journal of the ... Republic, 1916 **Journal of ... Annual Encampment of the Department of Indiana, Grand Army of the Republic, Held at ...** Grand Army of the Republic. Department of Indiana. Encampment, 1925 **The Declaration of Independence and War History** Horatio N. Warren, 1894 Army at Home Judith Giesberg, 2009-09-01. Introducing readers to women whose Civil War experiences have long been ignored, Judith Giesberg examines the lives of working class women in the North for whom the home front was a battlefield of its own. Black and white working class women managed farms that had been left without a male head of household, worked in munitions factories, made uniforms and located and cared for injured or dead soldiers. As they became more active in their new roles, they became visible as political actors, writing letters, signing petitions, moving or refusing to move from their homes and confronting civilian and military officials. At the heart of the book are stories of women who fought the draft in New York and Pennsylvania, protested segregated streetcars in San Francisco and Philadelphia and demanded a living wage in the needle trades and safer conditions at the Federal arsenals where they labored. Giesberg challenges readers to think about women and children who were caught up in the military conflict but nonetheless refused to become its collateral damage. She offers a dramatic reinterpretation of how America's Civil War reshaped the lived experience of race and gender and brought swift and lasting changes to working class family life.

Slav Sisters Natasha Perova,2020-04-30 This anthology illustrates the evolution of Russian women s writing over the 20th century It wasn t until the 1900s that women authors finally made a notable breakthrough on the Russian literary scene Despite a brilliant start further development of women s writing in Russia was crudely interrupted by Soviet censorship and only resumed after the downfall of the USSR Whereas critics unanimously recognise the greatness of such literary stars as Anna Akhmatova and Marina Tsvetayeva opinions differ about other writers such as Nadezhda Teffi and Lydia Ginzburg who

reached wide readerships only in the 1990s when most of the formerly banned books were published Mid century women were almost invisible in Russian literature but world famous authors like Ludmila Ulitskaya Galina Scherbakova and Svetlana Alexiyevich were still writing Latterly women writers such as Olga Slavnikova Irina Muravyova and Margarita Khemlin increasingly dominated publishing programmes *Proceedings of ...
