

A framed painting of the Virgin Mary holding the Christ Child, resting on a woven surface. The painting is set within a dark, ornate frame. The Virgin Mary is depicted with a serene expression, wearing a blue mantle over a red gown. The Christ Child is nestled in her arms, holding a small object. The background of the painting is dark and textured. The entire scene is set against a backdrop of a light-colored, woven mesh, possibly a chair or a tablecloth. A dark, curved object, perhaps a handle or a piece of furniture, is visible on the right side of the frame.
