Mortified by the shallowness of the roles and movies she was given she longed for the freedom and fulfillment of her own artistic vision After years in the studio system shy Piper Laurie found her voice and the courage to burn her contract It was only after she left the oppressive studio culture that she began to star in the TV shows plays and films that truly became the hallmarks of her career The Glass Menagerie on Broadway the original Days of Wine and Roses The Hustler the iconic Carrie and Twin Peaks She grew into a three time Oscar nominated actress an accomplished sculptor and a director This memoir is the inspiring tale of Piper s perseverance to break from tradition and to practice her craft at the highest level She started life as a withdrawn mute child who couldn t find her voice and was transformed into a woman who learned to live out loud by her own rules
