prove that for all prime exponents less than 100 Case I of Fermat's Last Theorem holds Hidden behind a man's name her brilliance as mathematician was first discovered by three of the greatest scholars of the eighteenth century Lagrange Gauss and Legendre In Sophie's Diary Germain comes to life through a fictionalized journal that intertwines mathematics with historical descriptions of the brutal events that took place in Paris between 1789 and 1793 This format provides a plausible perspective of how a young Sophie could have learned mathematics on her own both fascinated by numbers and eager to master tough subjects without a teacher's guidance Her passion for mathematics is integrated into her personal life as an escape from societal outrage Sophie's Diary is suitable for a variety of readers both young and old mathematicians and novices who will be inspired and enlightened on a field of study made easy as told through the intellectual and personal struggles of an exceptional young woman      Chronicles of the Spanish Civil War Series Tricia Goyer, 2008-02-01 This set includes all three books of the Chronicles of the Spanish Civil War series A Valley of Betrayal A Shadow of Treason and A Whisper of Freedom In A Valley of Betrayal Sophie finds herself alone in the war torn Spanish countryside for reasons beyond her control What was once a thriving paradise has become a battleground for fascist soldiers and Spanish patriots It doesn't take long for Sophie to realize just how far from home she really is Caught in the middle of what is quickly becoming a bloody battleground she receives tragic news but remaining in Spain is her only option The route to safety is blocked and fighting surrounds her On her darkest night Sophie takes refuge with a brigade of international compatriots It is among these volunteers through the use of her fiancé's camera and her art that she pledges to make the plight of the Spanish people known around the world In A Shadow of Treason Sophie discovers that nothing is as she first imagined When Walt the reporter who helped her over the border shows up again after Guernica is bombed Sophie is given an impossible mission She must leave behind the man she's fallen in love with and return to the person who betrayed her Another layer of the war in Spain is revealed as Sophie is drawn into the international espionage schemes that could turn the tide of the war and help protect the soldiers from the International Brigade she must find a way to get a critical piece of information to Walt in time In A Whisper of Freedom battles heat up not only those being waged by the soldiers on both sides fighting for Spain but in the hearts and minds of the men and women who must sacrifice more than their dreams in order to save the lives of their loved ones In this meticulously researched novel brave and idealistic Sophie Philip Jose and Deion realize their only hope for freedom is escaping Spain's borders By continuing the story of this band of volunteers during the Spanish Civil War A Whisper of Freedom proves that courage and commitment don't always result in outward victory But there are whispers of hope and freedom that resonate through even the darkest night      *The Rotarian*, 1999-09 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine      **School Library Journal**, 2006-04      **The Hunchback of**
