Sort Of Homecoming A Novel:

Nailed to History: The Story of Manic Street Preachers Martin Power, 2018-04-05 Manic Street Preachers have established themselves as one of the UK's most enduring intelligent and credible rock groups but that quest for greatness has been a difficult sometimes torturous path a path which one of their number the gifted and troubled Richley Edwards abandoned for destinations still unknown *Nailed To History* traces the slow yet inexorable climb of the South Wales band from their 1980s glam punk origins critically derided as Generation Terrorists to their current position as respected art rock intellectuals a fact underlined by 2009's award winning *A Journal For Plague Lovers* This Omnibus Enhanced edition now includes a multimedia discography charting every album and single release the band has made through a timeline of music videos and album art Author Martin Power also examines the life and complex personality of Edwards whose highly politicised morally disquieting wordplay defined much of the Manics early appeal his personal demons writ large across 1994's dark masterwork *The Holy Bible* Edwards evermore extreme behaviour culminated in his sad strange disappearance in February 1995 A story of honour and enduring friendship of culture alienation boredom and despair *Nailed To History* examines the Manic Street Preachers musical output and the personalities that make them an enduring artistic and political force

Oromo In Exile Gow, Greg, 2013-05-09 The movement of thousands of refugees from the Horn of Africa to Australia has only recently begun to attract interest among the media and general public Perhaps the least known among these refugees are the Oromo people who have fled continued persecution in Ethiopia By the year 2002 more than fifteen hundred Oromo had found their way to Australia In this totally original book Greg Gow provides a privileged insight into the values and meanings of lives that could easily be seen as marginal Packed with insight and imageful observation *The Oromo in Exile* communicates some of the vibrancy and complexity among these people from the Horn of Africa who are now living in Australia Arising out of a series of dramatic and sometimes startling encounters the book addresses the question of identity and place by giving voice to the pain of exile not only among the Oromo but displaced people more generally As Gow narrates although now free in Australia the Oromo experience anguish and divided loyalties as the dominant values of individualism privacy and self advancement in mainstream Australian society conflict with their longing for cohesion and community Gow discovers that home does not necessarily exist physically but the overriding desire to construct home even away from home is pervasive The Oromo are a people committed to creatively performing home while in exile a process the book both reflects and contributes to

Teaching Creative Writing in Asia Darryl Whetter, 2021-08-26 This book examines the dynamic landscape of creative education in Asia exploring the intersection of post coloniality translation and creative education in one of the world's most relevant testing grounds for STEM versus STEAM educational debates Several essays attend to one of today's most pressing issues in Creative Writing education and education generally the convergence of the former educational revolution of Creative Writing in the anglophone world with a defining aspect of the 21st century the shift from

monolingual to multilingual writers and learners The essays look at examples from across Asia with specific experience from India Singapore China Hong Kong the Philippines and Taiwan Each of the 14 writer professor contributors has taught Creative Writing substantially in Asia often creating and directing the first university Creative Writing programs there This book will be of interest to anyone following global trends within creative writing and those with an interest in education and multilingualism in Asia **The Recorder** ,2000 **Down These Green Streets** Declan Burke,2013-04-15 This book suggests crime fiction is now the most relevant and valid form of writing which can deal with modern Ireland in terms of the post Troubles landscape and post Celtic Tiger economic boom The book takes a chapter by chapter approach with each chapter and author discussing a different facet of Irish crime writing for example Declan Hughes discusses the influence of American culture on Irish crime writing and Tana French reflects on crime fiction and the post Celtic Tiger Irish identity This publication is aimed at both the academic and general reader **Slavery, Migrations, and Transformations: Connecting Old and New Diasporas to the Homeland - Student Edition** Falola, Toyin,Sanchez, Danielle Porter ,2015-07-30 Note this is an abridged version of the book with references removed The complete edition is also available on this website From the historical movements of enslaved Africans to the Americas to newer migrations of Africans to spaces like Belgium and France experiences of blackness on a global stage reflect themes of negotiation persecution isolation unification remembrance and much more Yet it is impossible to minimize the complex experiences that make up the African diaspora throughout the world as diasporic communities face a range of struggles specifically related to the politics of identity and connections to the continent of Africa itself This book is thus a timely and much needed exploration of the intricate nature of culture and life in the African diaspora It examines identities collectivities and relationships with Africa and Africans It helps fill a gap in the field by illuminating the complex experiences of blackness in a manner that motivates readers to grapple with the nuances diaspora studies and African issues on a global stage This book balances conceptualizations of diaspora by engaging with scholars exploring old African diasporas newer migrations and even regional movement within the continent of Africa itself More importantly the chronological breadth of the volume allows readers to explore historical matters alongside comparable contemporary issues as a way of assessing continuities and the ways in which communities continue to grapple with institutional racism political marginalization and negotiations between tradition and modernity on a global stage Furthermore the interdisciplinary nature of the book offers diverse approaches for robust engagement with African diaspora studies **Exploring the Horror of Supernatural Fiction** Miranda Corcoran,Steve Gronert Ellerhoff,2020-06-02 Detailing the adventures of a supernatural clan of vampires witches and assorted monstrosities Ray Bradbury s Elliott family stories are a unique component of his extensive literary output Written between 1946 and 1994 Bradbury eventually quilted the stories together into a novel From the Dust Returned 2001 making it a creative project that spanned his adult life Not only do the stories focus on a single familial unit engaging with overlapping twentieth century themes of family identity and

belonging they were also unique in their time interrogating post war American ideologies of domestic unity while reinventing and softening gothic horror for the Baby Boomer generation Centred around diverse interpretations of the Elliott Family stories this collection of critical essays recovers the Elliots for academic purposes by exploring how they form a collective gothic mythos while ranging across distinct themes Essays included discuss the diverse ways in which the Elliott stories pose questions about difference and Otherness in America engage with issues of gender sexuality and adolescence and interrogate complex discourses surrounding history identity community and the fantasy of family *Transgressive Fiction* R.

Mookerjee,2013-05-07 Often dismissed as sensationalist transgressive fiction is a sophisticated movement with roots in Menippean satire and the Rabelaisian carnal folk sensibility praised by Bakhtin This study the first of its kind provides a thorough literary background and analysis of key transgressive authors such as Acker Amis Carter Ellis and Palahniuk

her mother gave birth to her in the bathroom of a local pizzeria Beck has been given the dubious privilege of having minor fame free pizza for life and a guaranteed job when she turns sixteen a job she unfortunately can't afford to turn down Now she's stuck with her geeky co-workers instead of taking Instagram ready shots with her best friends and her epic crush But maybe the pizza people aren't all bad Maybe that pizza delivery guy is kind of cute And maybe there's a way to make this Bathroom Baby thing work for her Because when disaster strikes the beloved pizza place that's started to feel like home she's going to need a miracle one that might even mean bringing her two worlds together *Derek Walcott, The Journeyman Years, Volume 1: Culture, Society, Literature, and Art* Gordon Collier, 2013-12-06

During the same period in which Derek Walcott was pouring immense physical emotional and logistical resources into the foundation of a viable first rate West Indian theatre company and continuing to write his inimitable poetry he was also busy writing newspaper reviews chiefly for the Trinidad Guardian His prodigious reviewing activity extended far beyond those areas with which one might most readily associate his interests and convictions As Gordon Rohlehr once presciently observed If one wants to see a quotidian workaday Walcott one should go back to his well over five hundred articles essays and reviews on painting cinema calypso carnival drama and literature articles which reveal a rich various witty and scrupulous intelligence in which generous humour counterpoints acerbity These articles capture the vitality of Caribbean culture and shed additional light on the aesthetic preoccupations expressed in Walcott's essays published in journals The editors have examined the corpus of Walcott's journalistic activity from its beginnings in 1950 to its peak in the early 1970s and have made a generous selection of material from the Guardian along with occasional pieces from such sources as Public Opinion Kingston and The Voice of St Lucia Castries The articles in Volume 1 are organized as follows Caribbean society culture and the arts generally literature and society periodicals anglophone poetry prose fiction and non-fiction African and other literatures and the visual arts Caribbean and beyond The volume closes with a selection of Walcott's miscellaneous satirical essays The volume editor Gordon Collier has written a searching introductory essay on a central theme here a critical comparative analysis of Walcott's development as journalist against the historical background of press activity in the Caribbean coupled with an illustrative discussion drawing on Walcott's newspaper articles of his attitudes towards prose fiction and poetry *Harry Potter and the Classical World* Richard A. Spencer, 2015-07-20

J K Rowling has drawn deeply from classical sources to inform and color her Harry Potter novels with allusions ranging from the obvious to the obscure Fluffy the vicious three-headed dog in Harry Potter and the Sorcerer's Stone is clearly a repackaging of Cerberus the hellhound of Greek and Roman mythology But the significance of Rowling's quotation from Aeschylus at the front of Harry Potter and the Deathly Hallows is a matter of speculation Her use of classical material is often presented with irony and humor This extensive analysis of the Harry Potter series examines Rowling's wide range of allusion to classical characters and themes and her varied use of classical languages Chapters discuss Harry and Narcissus Dumbledore's many classical predecessors Lord Voldemort's likeness to mythical

figures and magic in Harry Potter and classical antiquity among many topics **American Dream, American Nightmare** Kathryn Hume, 2022-08-15 In this celebration of contemporary American fiction Kathryn Hume explores how estrangement from America has shaped the fiction of a literary generation which she calls the Generation of the Lost Dream In breaking down the divisions among standard categories of race religion ethnicity and gender Hume identifies shared core concerns values and techniques among seemingly disparate and unconnected writers including T Coraghessan Boyle Ralph Ellison Russell Banks Gloria Naylor Tim O'Brien Maxine Hong Kingston Walker Percy N Scott Momaday John Updike Toni Morrison William Kennedy Julia Alvarez Thomas Pynchon Leslie Marmon Silko and Don DeLillo Hume explores fictional treatments of the slippage in the immigrant experience between America's promise and its reality She exposes the political link between contemporary stories of lost innocence and liberalism's inadequacies She also invites us to look at the literary challenge to scientific materialism in various searches for a spiritual dimension in life The expansive future promised by the American Dream has been replaced Hume finds by a sense of tarnished morality and a melancholy loss of faith in America's exceptionalism American Dream American Nightmare examines the differing critiques of America embedded in nearly a hundred novels and points to the source for recovery that appeals to many of the authors **Landscape's Revenge** Caio

Yurgel, 2018-11-05 Landscape as it appears and is described throughout the works of Bernardo Carvalho and Robert Walser provides an excellent yet virtually unexplored pathway to the authors literary projects The landscape functions here as a synthetic and unifying figure that triggers at first through the analysis of its description per se the main and most evident elements of the authors works However when sustained as a methodological figure beyond the scope of its own description the landscape soon reveals a darker far more fascinating and far less explored side of the authors oeuvres a vengeful seemingly defeatist resentment against the status quo which gives way to the more latent and biting elements of the authors prose such as irony the unheimlich an anti heroic agenda the apocalyptic aesthetics of a disaster prone fictional world as well as an understanding of history and literature through the figures of failure and marginality By drawing from diverse critical traditions from Latin America and Europe this comparative text seeks to unravel in all of its complexity and scope the fictional stage upon which Walser's and Carvalho's characters narrate with their dying breath a world that is slowly undoing itself **The Inside View** Rangrao Bhongle, 2003 The Present Volume Includes Critical And Insightful Essays On Native Responses To Contemporary Indian English Novel Nativism As An Ideology Cannot Be Accepted In Toto In The Indian Context As There Are Several Paradoxical And Self Contradictory Factors Operating Within The Indian Social Structure The Nativist Approach To Indian English Literature Cannot Be An Effective Device To Assess The Genre To Be Carried Away By The Waves Of The Western Thought Would Also Be Equally Ridiculous Therefore To Understand The Not So New Phenomenon Now Dispassionate And Objective Criteria Has To Be Evolved The Essays In This Volume Endeavour To Reach Out To The Indian English Novel With As Much Objective Understanding Of The Discipline As Necessary The Title Of The

Book Indicates Native Responses Not Nativist Because There Is No Theory Involved Or Any Permanent Set Of Values To Be Adopted For Evaluating Indian English Novel Nevertheless The Essays Included In The Volume Are Meant To Clear The Web Of Misunderstanding Created By Nativism And Cosmopolitanism Together And Find A Way Out To Better Understanding And Appreciation Of Contemporary Indian English Novel It Is Hoped That The Volume Will Be Of Immense Use To The Common Reader As Well As To The Serious Critics Of Contemporary Indian English Novel **The Literary Digest International Book Review** Clifford Smyth,1923 *The Cambridge Introduction to the Novel* Marina MacKay,2010-11-25 Beginning its life as the sensational entertainment of the eighteenth century the novel has become the major literary genre of modern times Drawing on hundreds of examples of famous novels from all over the world Marina MacKay explores the essential aspects of the novel and its history where novels came from and why we read them how we think about their styles and techniques their people plots places and politics Between the main chapters are longer readings of individual works from Don Quixote to *Midnight's Children* A glossary of key terms and a guide to further reading are included making this an ideal accompaniment to introductory courses on the novel *The Change of Narrative Modes in Chinese Fiction (1898-1927)* Pingyuan Chen,2022-02-17 This book examines the Chinese fictions xiaoshuo published between 1898 and 1927 three pivotal decades during which China underwent significant social changes It applies Narratology and Sociology of the Novel methods to analyze both the texts themselves and the social cultural factors that triggered the transformation of the narrative mode in Chinese fiction Based on empirical data the author argues that this transformation was not only inspired by translated Western fiction but was also the result of a creative transformation in tradition Chinese literature *Decolonising the mind* Ngugi wa Thiong'o,1992
