Sorties Journals New Essays:

The Cambridge Companion to The Essay Kara Wittman, Evan Kindley, 2022-11-03 The book studies the history and theory of the essay and its social political and aesthetic contexts

The Way We Read James Dickey William B. Thesing, Theda Wrede, 2009 Original inroads to understanding the life and works of the celebrated novelist and poet In *The Way We Read James Dickey* editors William B Thesing and Theda Wrede have assembled an outstanding collection of current critical responses to the works of the acclaimed novelist poet and teacher including essays by Dickey's former colleagues at the University of South Carolina and a piece by his most famous student novelist Pat Conroy The volume breaks new ground in the application of innovative critical approaches and restores Dickey to his rightful place in the literary canon as a remarkable writer who crafted some of the best poetry and fiction of the twentieth century A decade after Dickey's death and thirty five years after the release of the film version of his famous novel *Deliverance* Dickey remains a controversial figure in the American literary landscape He was an intellectual maverick who was often ahead of his time and yet he responded intensely almost obsessively to his own changing times Thesing and Wrede argue that although he appeared to conform to poetic conventions his writing was a visionary reinterpretation and extension of preexisting traditions This tension between a poet's intellectual precursors and the radical innovation of his work is the inspiration behind the fresh approaches taken by the contributors in this volume just as it energized Dickey's own endeavors The essays offer original insights through emerging scholarly perspectives as well as through established methods of critique The contributors address a range of themes in Dickey's works including gender religion humanity's relationship to nature and the writer's cultural context This landmark reappraisal of Dickey's legacy offers readers a coherent forum that addresses why his writings remain relevant today thus restoring and revaluing the rising significance of Dickey's literary achievement for twenty first century audiences William B Thesing a distinguished professor emeritus of English at the University of South Carolina was a colleague of James Dickey's for two decades From 2003 to 2008 Thesing served as editor of the James Dickey Newsletter He is the author or editor of fifteen books including *The London Muse* winner of the 1980 SAML A Studies Book Award

Summer of Deliverance Christopher Dickey, 2010-10-12 *Summer of Deliverance* is a powerful and moving memoir of anger love and reconciliation between a son and his father Hailed as a literary genius of his generation James Dickey created his art and lived his life with a ferocious passion He was a heavy drinker a destructive husband and father a poet of grace and sensitivity and after the publication and subsequent film of his novel *Deliverance* a wildly popular literary star Drawing on letters notebooks diaries and his explicit conversations with his father Christopher Dickey has crafted a superb memoir of the corrosive effects of fame a moving remembrance of a crisis that united a family and an inspiring celebration of love between father and son

A Study Guide for James Dickey's "Deliverance" Gale, Cengage Learning, 2016-06-29 A Study Guide for James Dickey's *Deliverance* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot

summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

Reading, Learning, Teaching James Dickey William B. Thesing, 2009 William B Thesing James Dickey's colleague at the University of South Carolina for twenty years has a unique and complex perspective on the life and writing of this great twentieth century American author Dickey offers readers students and teachers a variety of energized and imaginative texts and Thesing provides original and perceptive readings of his life and his novels as well as his most popular poems about animals in nature man in nature social and sexual relationships women and civilian and wartime death This is the only introductory teaching study guide available on Dickey's poems and novels Chapters are conveniently organized around essential thematic categories The author employs various modern critical approaches from feminist criticism to deconstruction to the poems and novels The book will be useful in college or high school courses on Southern literature American poetry and twentieth century literature

Words to Measure a War David K. Vaughan, 2009-04-23 This is a study of the war poetry of nine American men who served in World War II The efforts of those who had established themselves as poets prior to or during the war Karl Shapiro Randall Jarrell John Ciardi and William Meredith are compared with those whose poetic careers began after the war Louis Simpson James Dickey Richard Hugo Howard Nemerov and Lincoln Kirstein The military careers of these soldiers illuminate how their experiences affected the content as well as style of their poems Each man's poetry directly related to his involvement with the combat environment the closer the combat experience the more personal the poetry the more distant the experience the more detached the poetry

[The New York Times Book Review](#), 1972

Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern

Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised, it boasts 604 entries, nearly double the earlier edition's, written by 264 scholars. For every figure, major and minor, from the venerable and canonical to the fresh and innovative, a biographical sketch and chronological list of published works provide comprehensive, concise, up-to-date information. Here, in one convenient source, are the South's novelists and short story writers, poets and dramatists, memoirists and essayists, journalists, scholars, and biographers from the colonial period to the twenty-first century. What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication, as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, *Southern Writers* is an indispensable reference book for anyone intrigued by the subject.

To be a Man Keith Thompson, 1991. Article 23 is on coming out; there may be other gay-related essays. DKH

New York Medical Journal, and Philadelphia Medical Journal, 1921

The Secrets Men Keep Ken Druck, James C. Simmons, 1987-05-12

James Dickey Matthew Joseph Bruccoli, Judith Baughman, 1990. A deft foreword by Dickey precedes a bibliography that identifies the first appearance in print of everything he wrote and includes descriptive information essential to establishing the pedigree of the editions. The sections cover books and pamphlets wholly written by Dickey, contributions to books and pamphlets, first publication in journals or newspapers, interviews with Dickey, later collections of previously collected poems. An appendix lists major works about Dickey. Annotation copyrighted by Book News Inc., Portland, OR.

The Publishers' Trade List Annual, 1976

The Harper American Literature Donald McQuade, Harper & Row, Publishers, 1987

Contemporary American Poetry A. Poulin, Michael Waters, 2001. This highly respected anthology presents the work of 66 poets who have shaped the contours and direction of the mainstream of American poetry from 1955 to the present. The collection provides a generous sampling of each poet with a photo, biographical sketches, and bibliographies. A prolific poet-editor, Michael Waters continues the careful selection process as A. Poulin's literary executor.
