Soul Cries:

Soul Cries D'mitri Bibbs,2005-04 An emotional gothic rollercoaster Wouldn't come close to describing the works of Soul Cries It's a blend of chilling erotic and horrific tales that melts vivid images to paint a lasting impression to nourish your soul

My Soul Cries Lisa Masoni, Giorgio De Ritis,2019-04-09 She is Emily Emily Marchionne my life and my joy in the book there are two interwoven stories between autobiography and romantic and dramatic tale With an important message In the first story we find Simone De Rosi a sensitive guy a dreamer who believes in love Funny dramatic situations are created around him that will change his life In the course of the story he will fall by Emily Marchionne In the second story appears Giorgio a quiet boy who was also a dreamer who hopes to meet his rematch in love It will cross the passions of protagonists projects for the music all narrated by a particular place and a particular person which intrudes into the plots of the stories to make sure everything goes the right way but comes to terms with himself The novel deals with various issues It's an autobiography in fact there are events in the two stories actually lived but also fictitious events It's psychological because enters the hard Pathology of bipolar disorder a shadow that falls on people that is really hard to pinpoint and then treat More generally it's romantic because the love story of the characters is crucial in the evolution of the latter And of course is dramatic because it happens get very sad that disrupt the lives of the protagonists Can easily identify with them because the author is a young man who has tried the emotions and experiences that for better or worse we all lived What dumbfounding in a good way is that reading page after page we ask ourselves what message or shall we say the moral of the text Probably each of us will do a different effect Curiosity will push to read line after line devouring every word **Oh How My Soul**

Cries Lorna Ann-Marie Bettis,2003-08 **Her Soul Cries** Mary E. Clayton,2011-03 Her Soul Cries bold italicized title was birthed to promote the need for an emotional purging of the soul as a true means for wholeness In doing so it exposes human nature in its rawest form The book is nontraditional and is a true depiction of the baggage life gives us to carry It symbolizes a slow progressiveness from an existence of utter disparity to one of needed change on a personal level It includes themes of rejection domestic abuse and sexuality Each one are inclusive to families and communities Her Soul Cries bold italicized title represents a wide range of emotion Lighthearted memories are mingled with those that may be more difficult to digest grasping your attention and arousing your curiosity This book is written to promote understanding as a replacement for judgment The writer uses a combination of poetry prose random thoughts teachable statements and related bible references to create a sense of connection with the reader **Dusty Roads** Janice Carter Brown,2016-01-29 Dusty Roads is a poetic

walk in the journey that is my life It is taken from various seasons and experiences I believe it is God's will that this work be published At this time and in this season the message of God's grace should be preached through all genres It is my belief that my fellows as well as those who walk outside the safety of salvation will be bettered by the openness of this work the testimony and honest revelation will be a witness to the lost and edification to kingdom travelers It is my belief that this work

is one of few things for which Christ will reward as a faithful act and the knowledge that I may be of service to him in the furtherance of the kingdom compels and yes propels me onward down this dusty road **This Time it's Personal** William Thompson, 2018-10-27 Hello again everyone i am back with my second book This Time it s Personal And it is i hope everybody enjoyed my first book Love Letters To you Now i am back with a new book of poetry it s about family so called friends and gold digging woman who played games never wanting the man just his money sad only a real woman that knows her worth is worthy of me for she is priceless And life today is not living at all we are just existing and riding on the wings of hatred my friends please wake up to who you really are So we can all live in peace and harmony And stop walking in our sleep and everyday live in a never ending nightmare in my books there are messages so read them over and over again and hear the spirit speaking to your very soul And remember ONLY ANGELS CAN WEAR WHITE I can move mountains and flood the seas i am the cure for every disease i am love i am life i am i am the husband whos the wife i am the destroyer of this thing man calls death i am the life i am the breathe can you feel me when you breath yes my love take me in i am the lover i am the friend i am a diamond in the ruff i still shine when things get tough i am that needle in the haystack i am there when everybody s slack i got you and your back i am the KING yes i am the king of the heavens my body is of the earth with a beautiful soul noble from birth my voice is in the wind blowing through the trees i am love a warm summer s breeze i have always been and i will always be my Father is the root and i am the tree and yes we are one in the same when i woke up he told me my name will i am the earth and the sky i am your tear drop when you cry i feel your pain this is something i can t explain it is too much for the mind my presence is very divine on March 3 1967 a great light came from Heaven and the world was shook i am the story i am the book then came the rain lightning and thunder people gathered and started to wonder what in the world can this be everyone was happy no more scorn all of a sudden the veil was torn can you hear the bells can you hear the horn at that moment King William was born born to lead lead the masses feed the mind and crush the glasses of the world that can not see i am God and he is me he is the root and i am the tree now the world is shook open your mind read my book i am william some will laugh some will cry but you need to ask yourself who am i *Composition of a Soul's Journey through Poetry* Camelia Straughn, 2014-08-26 Composition of a Soul s Journey through Poetry is Sensuous and intimate Hopeful inspiring and aspiring Vulnerable honest real relevant relatable even therapeutic An appreciation for G d s grace to us through others A unique perspective and a keen sense of the world Submission to G d s power and an acceptance of life as it really is and most of all it invites the reader to Self empowerment *An Invitation to My Heart* by Vanessa Landry Vanessa Landry, 2006-07 This collection of Christian poetry short stories and Godly gossip was designed to encourage readers and to set their spirits free **Bitter/Sweet** Brenda Stubbs Lawrence, 2023-03-08 Bitter Sweet Surviving the Struggle Within describes my efforts to face the fears and pain of love and self love sickness and health death and spirituality and forgiveness It also expresses my hope to find the answers to life s questions First I had to acknowledge self because

without self acknowledgement every obstacle will magnify In understanding what makes me tick and how my past could hold me back I learned to love myself which allowed me to find true love Bitter poisons that once flowed through my veins are now replaced with the sweet taste of honey My agonies frustrations and pain took me on one excursion after another The only true journey toward growth and fulfillment is tunneling through the many avenues of self I had to go within before I could move forward I had to master this expedition No matter what I seek everything I need is already inside me Am I important enough to myself to go within and search for what I want and need It is what I choose to accept about my life that will make it Bitter or Sweet And I realize that I am not alone Everyone experiences pain and discord I hope my words reach others so they too can rejoice I have learned to celebrate the child within to overcome past hurts and all the old Bitter Sweet experiences This chronicles where I have been where I am today and what I have accomplished **Empty Souls Living**

Beyond Your Grave Juanita R. Vedder, 2023-06-30 RIP Rest in peace Why is it when a loved one passes away the family and friends say Rest in peace Are the dead really in peace The dead knows nothing so how could that person be in peace So what is the truth behind this saying God makes it clear in His word where people go after they die Is there such a thing of life after death or is death the end of life People have different opinions about this People need to know the truth about where they will spend eternity when they die and not just someone's opinion except the fact that no one wants to know the truth and if they did know the truth they would not tell the deceased person's family that their deceased loved one is spending eternity in hell and being tormented daily Imagine this You are at your loved one's funeral and you say Rest in peace and then someone says to you Why are you saying that This person lived a life of wickedness cheating hurting people lying to people and stealing from people and you say Rest in peace Why should that person be in peace what did they do to deserve peace That person is going to hell and in hell there is no peace Is this something you want to hear at a funeral Too many people are being deceived by this saying only because it helps those who are hurting to clear their mind Yes granted that person's body is dead but are they dead Or are they living beyond their grave The spirit is very much alive So once again is that person resting in peace or how would a person even know What about you where will you spend eternity if you were to die right now Read this book and find out All knowledge of this book has been inspired by God and is backed up by the word of God in it
