Soul Mates - the Formula Vincent Sylvan,2013-02-12 Vincent Sylvan has created a formula using astrological influences as a guidepost for finding ones soul mate This formula gives the readers action steps on how to narrow their search along the way to identify this mystical person that Vincent believes we all have These are methods the author has tested and applied himself on his own quest in finding his soul mate After many years of research his first marriage for seventeen years not being able to succeed he experienced divorce and failure This triggered him to find the answers more than ever before and past the prime of his life Sylvan had an awakening and developed the formula to find his other half of his soul the only person who can inspire him to be a better person and take him to greater heights than he could have ever dreamt of by himself or with any other woman Putting into practice the secret to his revelation he finds her on the Internet the hardest place to find his soul mate to put his formula to the test The results surpassed his expectations Vincent realized once more the importance for everyone to find their soul mate to live a life of wonders That is why he created this book For more information on Sylvan visit his blogs to find more about his philosophy and poetry at www.vincentsylvan.com

lives and our psyche is that between twin flames or twin souls Suffice to say it s a very rare connection indeed My first book The Twin Flame and other Soul Mate Connections dealt exclusively with such connections I would say in all honesty that unless you have experienced a twin flame connection then you have no business writing a book about it and pontificating on mere theory If I hadn t experienced such a meeting I doubt I would have had the necessary credentials to write such a book Familiar Strangers is primarily a look at the twin soul and soul mate connections but from the astrological point of view It therefore necessitates covering the very basics of astrology from a light coffee table perspective so that readers can go away and research their own charts and move on to more in depth research into astrology and soul connections At the end of this book I have added some of the articles I wrote in my first book The Twin Flame and other Soul Mate Connections If you have read that first you can choose to re read those articles or ignore them To all those who have suffered the bereavement of soul mate separation and feel they are truly going insane to those involved in a soul connected relationship they haven t the words to describe or are desperate so to do this book is for you Debbie Nagioff DMS Astrol DPLT 3 June 2015 **VIRGO**
