Soul on Fire Peter Calhoun, 2007-06-01 Soul on Fire is a magical collection of stories describing the awakening of spiritual powers of an Episcopal priest turned shaman powers that have usually been ascribed to Eastern masters of traditional shamans It is about the quest for lost knowledge and the powers that Christ himself once promised Within these pages we learn about the Path of Return to our wondrous Earth as a means by which we can reclaim our original soul powers Soul on Fire is an inspirational guide and must read for long time seekers and those just beginning their journey alike It may just be in a genre of its own At a time when old modalities no longer seem to be working for many people the stories in this book reveal a different way of thinking feeling and being You won't be able to read this book and still perceive the world in the same way **"A"** Soul on Fire Florence Ross-Church, 1898

My Soul's On Fire Stephen Alexander North, My Soul's On Fire is a captivating collection of thought provoking and deeply intimate poems which delve into the essence of the human condition Each poem offers a unique glimpse into various aspects of life exploring themes of desperation love loss passion and triumph This eclectic collection expertly navigates different genres seamlessly transitioning from works of science fiction to haunting apocalyptic visions spine chilling horrors dusty western landscapes tantalizing erotica and profound reflections on relationships With every turn of the page be captivated by the evocative imagery and the raw emotional depth embedded within each poem From exploring the vastness of the universe to unraveling the intricacies of the human heart the fusion of autobiographical fiction and non fiction weaves a narrative that is both intensely personal and universally relatable My Soul's On Fire is a poetic journey celebrating the complexities of existence leaving an indelible mark on the reader's heart long after the last page is turned This book includes a three part apocalyptic story poem East where the city lies The Hunted The books or that light Saloon Thunder Her Blush Response and more Florida Man Writes ***A Soul on Fire for the Lord*** Reverend Rene Johnson, 2022-10-26 My name is Reverend Rene Johnson I am a man who grew up in the inner city streets of Los Angeles and the tough neighborhoods My first love was baseball but I ended up being a hustler in the streets like many of my family members but I was the best After many ups and downs and trials and tribulations I found myself in prison at fifty years old where I met the Lord really for the first time We met we fell in love and he went to work on

me and began a good work in me which he is still completing I wrote A Soul on Fire for the Lord through the Holy Spirit Today I am out of prison I am a leading businessman in the transportation business at Avon Rent a Car Truck and Van Beverly Hills I am thriving I am exhorting people lifting them up praying for them and doing kingdom work Remember it is more blessed to give than to receive Acts 20 35 My eyes have seen the Lord and my soul will continue to be on fire while I have the breath of life in my body I am an overcomer through faith The founding scripture of this book is John 7 38 where it says He who believes in me out of his heart will flow rivers of living water A Soul on Fire Frances Fenwick Williams,1915

Soul on Fire Clarence Farmer,1969 **Confessions of a Lyric Poet** James J. Aldridge,2008-08-30 In this lyric poet book may be of your dreams that you feel about life as we see it Favorite Poet's Poems 2015 Alliance Poets World-Wide,2016-05-04 This the 8th book in the Favorite Poets Poems Anthologies Is once again a most wonderful contributed collection that will be loved and enjoyed by all who reads it will certainly provoke cherished memories to bring tears of both loss joy and compassion Light on Fire Aedamar Kirrane,2021-01-26 A book of modern mysticism about rediscovering the true meaning of faith and how to reclaim our spiritual wisdom Light on Fire is the soulful exploration of one woman s journey to awakening and becoming a modern day Christian mystic It s a compassionate guide that will support others on the path to awakening by offering new insights and practical guidance on how to reconnect with our innate spirituality In her search to understand her own spontaneous awakening Aedamar discovered that awakening is a natural life process from which we have become estranged In beautifully poetic language and through accessible philosophy Aedamar shares how and why we are designed to wake up and to experience Divine Union in the ordinary course of life Waking up is what is now needed to heal ourselves and the deeply rooted traumas of Western society Light on Fire concludes with The Path of Gold Aedamar s seven stage guide to awakening that offers a model for rediscovering Divine Love in everyday life It helps us to reconnect with our spiritual wisdom which is critical as we enter a new era that uniquely calls us to mysticism and to love Blinded by the Sun Seamus Guyver,2013-10-30 A passage between the stars the moon and the thoughts caught within all of us The different emotions we hide sometimes when left staring at the sun feeling the moon within your mind For all the people and chances that have gone before Of all the times we felt so much alive and the regrets we hold like the dark side of the moon Knowing the journey will lead us within the sun changing our views Feeling a step within life is just a change within our minds Now feel the journey within one mind take the time to ponder all the thoughts and feelings felt within one sun and the mood of this life and how it can lift you higher and take you down when you lose the focus of the road that lies ahead and people who move like ghosts within your trail Knowing one day you will unite the Sun and the Moon and find a distant peace within your heart This may take time and Journey will have many falls But the road is just a reflection within the memories of our minds An Exposition of Prophecy, and the Re-existence of the Soul on the Earth.
