Finding and Keeping Your Soulmate** Kelly Wallace, 2021-06-12 As a professional psychic counselor for over 20 years who specializes in love and life issues I see how hard it is for my clients to find true love For most people it might not be difficult to get dates or be in short term relationships but it's incredibly hard to find the one First dates may go along wonderfully but never turn into anything long term or new relationships that seemed to have so much hope simply crash and burn joining the wreckage of our past Others find it almost impossible to even attract potential dates and spend months years even decades being alone hoping and praying that their soulmate will find them at long last Still others have completely given up on ever finding true love and have simply decided to stay in a cold or dysfunctional relationship or remain alone Obviously there's no shortage of people on the planet so why is it so hard to find true love This is why I wrote *Is He The One Finding and Keeping Your Soulmate* It covers the many pitfalls and obstacles we face while on the path to finding our soulmate and ways you can overcome anything and everything that's stopping you from enjoying the relationship you've always dreamed of I'll show you how to blast through your barriers and ultimately find and keep your Mr. Right *The Truth About Soulmates (Twin Souls, Twin Flames, Dual Souls, Karmic Partners) Part 1: Phases* Gabriele Hannemann, 2020-02-21 The first encounter with a soulmate isn't something you can compare to any other encounter Many people will instantly realize that this is a special kind of partner Often a feeling arises as if you were looking into your own eyes or as if you were standing in front of you in person which is a result of great love connecting the two soulmates Usually the male soulmate withdraws from his female soulmate

after a short time which is very difficult for her to understand because the only thing she'd like is to be together with him. The more he withdraws or acts in the opposite direction of what he has been saying to her, the more she believes that she's imagining everything or even that she's ready for a mental hospital. Thereby she may get trapped in a waiting position or feel great suffering which seems very much the same as infernal anguish. These and further questions will be explained in this first part. Why the male soulmate always withdraws. Why at the time of their encounter the male soulmate is mostly bound to someone in a relationship. Why the male soulmate usually tries to start a relationship with other women. Why you'll wear a stigma of a crazy person if you tell someone about this connection. Why she has to suffer so much because of his withdrawal and what it all means. Which individual phases you have to go through with your soulmate and what happens in each of them. What kinds of behavior you should possibly avoid with your soulmate especially if you are experiencing neediness.

His personal slave KWIM And he doesn't just expect me to service his massive ego He wants me to love him in the same way that he loves me And live with him in a world where clothing is entirely optional It sounds crazy to admit I feel I found my soulmate My home Where I belong I have little to lose No parents no job no place in college And as for the bullies who've taunted me through high school they are gonna think twice about what they've done if they ever see me with HIM But am I ready to sacrifice everything I know to live so far away that it is out of this world Time races on and I have to decide Promised to Idris I spent the night with the man of my dreams and I promised him my soul Now he's come to stake his claim The big beautiful man is a powerful prince in his realm And he's used to getting what he wants Even when he's not dressed He lives in a beautiful palace with views to die for And now he wants me there by his side He wants me Just humble ordinary me and only me Forever Mate and it's for life From another world the Raven Prince can take the form of a bird or a man but he takes only one lover It's an opportunity too good to miss and an offer most people would grasp But am I ready to sacrifice everything I know to live so far away with the royal family in a palace that it's literally out of this world A rewrite of the soulmates fantasy series Hunter Raven Lenus Also published under separate titles Marked by Kane Promised to Idris Fighting with Aaron Seeking the Harem The complete soulmates sci fi romance series **Romancing Miss Stone M.C.** Vaughan,2024-06-25 His perfectly planned life is about to go wild By the numbers Bo Ferguson has his future all planned Then his archaeologist fiancée dumps him Via text From Belize Navigating the rainforest to win her back is way out of Bo's comfort zone but so is the idea of starting over Fortunately he's secured a tour guide willing to lead him into the unmapped jungle Unfortunately she's annoying impulsive and attractive as hell Jungle expert Alexandra Stone is in no position to turn down a job after her regrettable ex stole everything from her family business and ran Sure Bo might be frustratingly uptight but Alex needs the money And besides there's something fun about pushing the guy's adorably rigid buttons especially when it clearly gets a rise out of him But the close confines of their shared camp make it hard to ignore the tension beneath the bickering prompting the sweltering heat between them to erupt into sweaty wild passion Bo can't deny his brief time with Alex has been the most exciting of his life But the journey they're on still leads to one place his ex fiancée forcing Bo and Alex to confront their pasts their fears and the question of just where this adventure will take them **Dark Soulmates: How To Break Free From Toxic Karmic Connections And Find Healthy Love** Kelly Wallace,2024-08-27 Dark Soulmates Nobody Wants Them But We Need Them When we usually think of soulmates we imagine our true love The One the person we'll happily be with forever With a dark soulmate this isn't the case though This type of karmic partner is a soulmate in the sense that you're in the same soul group and have shared past lives together but the two of you had some major problems A relationship like this is always filled with powerful emotions and brings up your unresolved issues from those past lives and your current life as well There's no doubt that the magnetism a dark soulmate has on us is incredibly strong You feel like you've never felt before You've never met someone you instantly clicked with in this way You've never felt a bond so strong You'll

connect with them faster and fiercer than probably any other type of relationship you'll be in. They're just not good for you though they're necessary for soul growth and spiritual reparation. Not a single person has gone out looking for a karmic relationship but everyone has been in at least one. On the surface they often seem like any other relationship the difference is your emotional experiences with your partner. You have highs and lows you feel close then distant and no matter how hard you try or how much you wish things would change you both keep repeating the same patterns. Leaving is difficult though because you're not only letting go of the person but you're also letting go of behaviors that have kept you stuck in this cycle for perhaps centuries. In the end acknowledging the lessons you learned while with this person and then taking steps to incorporate healthier and happier habits will allow you to finally release this karma and find a positive soulmate. Ultimately you can take what you've learned and use it to help you on your journey in life instead of letting it hold you back. Soon you'll be creating the kind of relationship you've always wanted to have. One that's filled with respect passion and kindness and can last a lifetime and beyond. But first you need to figure out how to break that karmic bond and let go of dysfunctional relationships.
