

# Soulmate

Are you out there?  
Are you really for me?  
Are you just like me?  
Will you love me unconditionally?  
Will you accept my flaws?  
Will you say 'I love you' to me everyday?  
Will you express your love to me?  
Will you be my light, in the dark?  
Will you hold me, when I cry?  
Is there really a soumate out there for me?

Am I destined to be alone?  
Am I better off alone?

**Soulmates** Juliana Geran Pilon, 2011-12-31 In *Soulmates Resurrecting Eve* Juliana Geran Pilon argues for a return to an egalitarian view of men and women found in the original Genesis narrative as reflected through Judaism Christianity and Islam In each of these Abrahamic traditions it was understood that man and woman were created to be soulmates in God s image equal despite their different functions within society Pilon writes that this original message has gradually been distorted with disastrous effect Any hope for an ennobling human community begins by resurrecting Eve as an equal partner to Adam The work examines the Biblical creation narrative comparing it to Greek and other ancient mythologies Pilon explains how the disturbing association of woman with sin and death led to Eve s demise as Adam s equal The final section of the work deals with the Goddess myth love and marriage in early religious narratives and modern man s search for his soul no less than for a soulmate The book at its core is a meditation on the relationship between men and women but also among human beings The resurrection of Eve is indispensable to attaining a true appreciation of love and faith Pilon uses religious texts expert commentary and various works of fiction poetry and psychology to make her argument come alive The work is strengthened by the writing style alternately poetic and humorous and a clear and illuminating progression of ideas Its emphasis on reconciliation and understanding and its post feminist outlook will find a receptive audience

### **PHILOSOPHY OF LOVE**

Adrian Gabriel Dumitru, His love Her fantasy understanding what love is about As a man but also as a woman we try to define the undefined from a love story Dreaming about love and being in love the path from the fantasy to the love story itself is just a matter of luck or maybe where you find yourself on the timeline of your own life Maybe is the perfect time for you to explore what love is about or maybe other things are important at the moment and the love story can only be a future project Exploring what love is about in our minds as a fantasy or in the real life as a real love story is depending only and only if we are ready or not But what is the difference between fantasy and reality when even the Bible is saying that everything we see is just an illusion Well i believe that the fantasy is only the begining of defining what we want and the love story is the experiment itself Is it too much to name a love story an experiment Well exploring as a fantasy or as reality is letting your soul understand what love is about And sometimes is even a life lesson The moment when you jump into the fairy tale the real fantasy and you understand the meaning of love the fact that love is about giving and not about receiving that is the moment when you also understand what life is about Accepting your partner just as he she is just as accepting all the people from our lives is the moment of awakening And also you should know that this path is leading you to point when your thinking will be totally redefined Life itself is about love Seeing what love is about is understanding the meaning of life If the love chapter started for you even if it s just a fantasy or reality you should be happy The awakening will come to you

regain Alena's trust      Is He The One? Finding and Keeping Your Soulmate Kelly Wallace, 2021-06-12 As a professional psychic counselor for over 20 years who specializes in love and life issues I see how hard it is for my clients to find true love. For most people it might not be difficult to get dates or be in short term relationships but it's incredibly hard to find the one. First dates may go along wonderfully but never turn into anything long term or new relationships that seemed to have so much hope simply crash and burn joining the wreckage of our past. Others find it almost impossible to even attract potential dates and spend months years even decades being alone hoping and praying that their soulmate will find them at long last. Still others have completely given up on ever finding true love and have simply decided to stay in a cold or dysfunctional relationship or remain alone. Obviously there's no shortage of people on the planet so why is it so hard to find true love? This is why I wrote Is He The One? Finding and Keeping Your Soulmate. It covers the many pitfalls and obstacles we face while on the path to finding our soulmate and ways you can overcome anything and everything that's stopping you from enjoying the relationship you've always dreamed of. I'll show you how to blast through your barriers and ultimately find and keep your Mr. Right.
