While the

Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O'Casey J.M. Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author's career a discussion of major works and themes an overview of the author's critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume Dr. Jekyll and Mr. Hyde & Other Stories

Robert Louis Stevenson, 2024-08-27 This spine-tingling volume collects some of Robert Louis Stevenson's stories first published in the late 19th century for a new generation of young readers featuring a freshly reimagined cover Dr Henry Jekyll is a respectable man sociable and well-liked so his friends Mr Utterson and Mr Enfield are concerned when Dr Jekyll appears linked to Edward Hyde Mr Hyde's outbursts of violence have their small community on edge he may be small in stature but no one can deny he's terribly dangerous self-indulgent and even evil As Dr Jekyll's behavior grows more erratic and Mr Utterson circles in ever closer to the elusive Mr Hyde the shocking truth of the relationship between the good doctor and the unholy terror comes to light a chain of events set off by a repressed man giving himself over wholly to the worst of his vices and shame Also included are *The Body Snatcher* a story about medical students haunted by what they've done to obtain cadavers and *The Bottle Imp* a tale of a man who buys a cursed bottle who learns about the consequences of wishes

The Cold Equations & Other Stories Tom Godwin, 2003 This is a collection of stories by a master of science fiction adventure with added dimensions of speculation and cold hard realism **Let There Be Rock: The Story of AC/DC** Susan Masino, 2020-09-03 Learn how this group of Australian mates became one of the few truly legendary rock and roll bands in history Author Susan Masino traces the band's roots from their beginnings in Sydney Australia in the early 1970s to trail blazing the U.S. mainstream to the devastating death of lead singer Bon Scott in 1980 After that tragedy the band pulled together and rebounded to the top of the charts with new front man Brian Johnson and their watershed album *Back in Black* The book follows the band through four decades of triumph and tragedy including Malcolm's last performances on the *Black Ice* tour and Angus picking up the torch Through it all AC/DC continues their quest to build a legion of new fans in the 21st century Compiled from Susan Masino's interviews with the group across the last 40 years as well as dozens of new interviews

with other musicians and friends of the band Let There Be Rock reveals the real story of AC DC *Red Cavalry and Other Stories* Isaac Babel, 2005-07-07 Throughout his life Isaac Babel was torn by opposing forces by the desire both to remain faithful to his Jewish roots and yet to be free of them This duality of vision infuses his work with a powerful energy from the earliest tales including Old Shloyme and Childhood which affirm his Russian Jewish childhood to the relatively non Jewish world of his collection of stories entitled Red Cavalry Babel's masterpiece Red Cavalry is the most dramatic expression of his dualism and in his simultaneous acceptance and rejection of his heritage heralds the great American Jewish writers from Henry Roth to Saul Bellow and Philip Roth Push-push! and Other Stories Sindiwe Magona, 1996 A collection of short stories in the detail of their varied backgrounds range in location from rural Transkei and township life in the Cape to central New York They have in common also as before the authors perceptive and vivid creation of memorable characters whether hilarious or tragic **Pitch Woman and Other Stories** Coquelle Thompson, Elizabeth Derr Jacobs, 2007-01-01 Despite the political instability characterizing twentieth century Taiwan the value of baseball in the lives of Taiwanese has been a constant since the game was introduced in 1895 The game first gained popularity on the island under the Japanese occupation and that popularity continued after World War II despite the withdrawal of the Japanese and an official lack of support from the new state power the Chinese Nationalist Party Fenceline and Other Stories Jeremy Sayers, 2014-07-03 Though it may be difficult to believe the eleven stories in this collection are based in truth Author Jeremy Sayers hails from a family of adventurers and farmers His father's family came to America in 1715 and settled in Virginia His mother's family arrived much later immigrants and migrants All together these people were coal miners blacksmiths and cowboys Most of all they were believers in whatever it was that let them survive one sunrise to another And they were storytellers Fenceline and Other Stories brings some of those tales to life Like the myths of ancient cultures the Greeks Hindus Hebrews and Native Americans these stories tell about a particular time and place But they also contain something timeless These stories give us reasons to laugh and to mourn And the characters in these tales teach us something about coping with strife as we share little parts of their lives Cavalleria Rusticana and Other Stories Giovanni Verga, 2006-03-30 The stories of Giovanni Verga 1840-1922 are wonderful evocations of ordinary Italian life focusing in particular on his native Sicily In an original and dynamic prose style he portrays such eternal human themes as love honour and adultery with rich and colourful language The inspiration for Mascagni's opera Cavalleria Rusticana depicts a young man's triumphal return home from the army spoilt when he learns that his beloved is engaged to another man Verga's acute awareness of the hardships and aspirations of peasant life can be seen in stories such as Nedda Picturesque Lives and Black Bread while others such as The Reverend and Don Licciu Papa show the dominance of the church and the law in the Sicilian communities he portrays so vividly

Performing Embodiment in Samuel Beckett's Drama Anna McMullan, 2020-07-24 The representation and experience of embodiment is a central preoccupation of Samuel Beckett's drama one that he explored through diverse media McMullan

investigates the full range of Beckett's dramatic canon for stage radio television and film including early drama mimes and unpublished fragments She examines how Beckett's drama composes and recomposes the body in each medium and provokes ways of perceiving conceiving and experiencing embodiment that address wider preoccupations with corporeality technology and systems of power McMullan argues that the body in Beckett's drama reveals a radical vulnerability of the flesh questioning corporeal norms based on perfectible autonomous or invulnerable bodies but is also the site of a continual reworking of the self and of the boundaries between self and other Beckett's re-imagining of the body presents embodiment as a collaborative performance between past and present flesh and imagination self and other including the spectator listener
