The Gospels For Your Whole Life Mark And John In Prayer And Study:

The Gospels for Your Whole Life William G. Thompson, 1983 **The Gospel of Matthew in Current Study** David Edward Aune, 2001 First rate scholars here explore the pastoral and academic aspects of the study of Matthew's Gospel Built on the best of current research these chapters cover a diverse range of significant topics in addition to highlighting the points of disagreement that continue to stimulate scholarship in the field Published in memory of William G Thompson S J The Gospel of Matthew in Current Study is not only a fitting tribute to Thompson's lifelong interest in the First Gospel but is also an excellent introduction to contemporary Matthean studies with great potential as a classroom resource Contributors Richard S Ascough David E Aune Wendy Cotter Daniel J Harrington Jack Dean Kingsbury Amy Jill Levine Anthony J Saldarini Donald Senior Graham N Stanton Thomas H Tobin Elaine Wainwright The Spirituality of the Gospels Stephen C. Barton, 2006-09-06 Probably no other works of ancient literature have had a greater influence on religious life and thought than the Four Gospels Certainly no other works have been the subject of such intense study by those determined to learn more about the Gospels central often enigmatic figure And yet despite the bewildering variety of scholarly approaches few have sought to interpret the Gospels in terms of the distinctive spirituality that each contains and seeks to evoke in its readers That is the aim of this important new book to help today's readers explore what each Gospel has to offer when viewed by its own right as a classic of Western spirituality Written in a clear non technical style the fresh perspectives this work presents will open new vistas on the familiar stories about the life teaching and ultimate significance of Jesus
