The Grand National Clive Graham,1972 **The Grand National** Anne Holland,2019-10-24 Every year the Grand National produces very different stories from jockeys and horses alike uplifting scenes from a victor and heartbreak when a mere inch divides the loser from the winner at the end of nearly four and a half miles and thirty challenging fences In 1839 the first winner was aptly named Lottery Back then huge crowds rode to Aintree by horseback in carriages carts or on foot Today the Grand National is probably the world s most famous horse race with a global television audience of some 600 million in 140 countries This richly informed book focuses on the race s various record breakers rather than being a purely chronological history of this greatest of all steeplechases Many records have stood the test of time in 2019 Tiger Roll s second consecutive victory was the first time that the feat had been achieved since Red Rum in 1973 74 Anne Holland s authoritative history celebrates one of the world s greatest sporting spectacles A well organised and cheerily anecdotal volume Spectator *Steeplechasing* Peter Winants,2000-08-17 Steeplechasing provides a long colorful history of the sport and gives behind the scenes portraits of the horses people and places of the chase From the 1800s enjoy the reproductions of illustrations from colorful sporting journals and enjoy the writing style of that era which was equally colorful In more recent times marvelous action pictures capture the excitement beauty and sometimes danger of the sport Art lovers will also enjoy the color reproductions of horse portraits and race scenes by some of America s best sporting artists Limited Edition 175 is bound in a cloth clamshell casing **British Sport - A Bibliography to 2000** Richard Cox,2014-02-04 Volume two of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **British Sport: Local histories** Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian *Sport in Britain* Richard William Cox,1991 **Equestrian Studies** Myron J. Smith,Salem College (Salem, W. just how brave he could stand to be On the other side of the Atlantic the enigmatic Marion duPont grew up at the estate now known as James Madison's Montpelier the refuge of America's Father of the Constitution Rejecting her chance to be a debutante denied a corporate role because of her gender Marion chose a pursuit where horses spoke for her Taking on the world's toughest race she would leave her film star husband Randolph Scott a continent away and be pulled beyond her own control With its reach from Lindbergh's transatlantic flight to Cary Grant's Hollywood Battleship is an epic tale of testing your true worth *Library of Congress Catalog* Library of Congress,1970 **Library of Congress Catalogs** Library of Congress,1976
