The Homiletic Review ,1887 *The Grass Beyond the Door* Catherine McVicar,1978 *Pinkerton's Sister* Peter

Rushforth,2005 A sprawling stream of conscious novel set primarily in the head of Alice Pinkerton at the dawn of the twentieth century Alice isn't yet ready for the new age she's a vestige of Victorian times a madwoman living on the third floor not in the attic she insists of her family's home No one was as close to her as words on a page Alice muses and indeed she relates more to characters from the novels of George Eliot Charlotte Bronte and Charles Reade than to the people who surround her especially the thoroughly modern socialite Mrs Albert Comstock who represents everything Alice hates Alice's doctor who seeks to cure her of her malady proclaims Imagination is an impediment to progress For Alice there's no more chilling sentiment

The Time of the Therapeutic Communities Liam Clarke,2004 From the 1950s onwards different movements have contributed to Therapeutic Communities TCs This book follows these post war changes to the present day and discusses the influence they had on the practice of psychiatry Providing a thorough analysis of the emergence and progression of TCs this book is essential reading for anyone in the field *The Five Books of Youth* Robert

Hillyer,2022-09-16 In *The Five Books of Youth* Robert Hillyer crafts a reflective ode to the vigors and vagaries of youth scribing with an eloquent pen that traces the contour of early emotional landscapes Hillyer's verse espouses a lyrical classicism enriching the modernist canon with a work that echoes the mellifluous poetics of a bygone era while addressing timeless themes This collection is steadfast in its formality harkening back to the precision and structure of the English poetic tradition and yet it breathes with a vivacity that lends it contemporaneity amid the pantheon of literary dialogues between past and present disenchantments DigiCat Publishing's commitment to cultural preservation is evident in their meticulous curation of this special edition ensuring Hillyer's thoughts are immortalized not only through the printed page but also through accessible digital mediums thus bridging the generational gap between readers and the quintessence of poetic heritage Robert Hillyer an esteemed figure in early 20th century literature stands out by virtue of his devotion to classical forms amidst the burgeoning appetite for modernist experimentation A Pulitzer Prize recipient and an outspoken critic of literary trends that diverged from traditionalism his *The Five Books of Youth* is arguably a personal manifesto a testament to the abiding allure of structured verse suffused with emotional sincerity Hillyer's own academic and poetic journey from his days at Harvard to his commentary on the revolutions in poetry reveals a deep seated belief in the enduring power of measured reflective verse perhaps a driving force behind his creation of this work For those who derive solace from poetry

that marries elegiac grace with the verve of youthful optimism *The Five Books of Youth* comes highly recommended Whether one is wistfully reminiscing or actively navigating through the tender years of life's morning Hillyer's poetry resonates offering solace and understanding through its rich tapestry of meter and metaphor DigiCat Publishing's dedication to fostering a renewed appreciation for literary classics ensures that Hillyer's voice remains as relevant and influential today as it was in his own time making this edition an invaluable addition to the libraries of both seasoned scholars and casual aficionados of the poetic form

The Loop Joe Coomer, 2002-02-01 Lyman a thirty year old orphan is sipping coffee on the front steps of the trailer he calls home one morning when a ninety year old parrot arrives with a beakful of cryptic sayings such as That which hath wings shall tell the matter and a mysterious past Convinced that heeding the bird's wisdom will lead him to answers about himself he so desperately seeks Lyman combines his night job as a courtesy patrolman circling the highway that loops around Fort Worth with days in the library Together with Fiona the loquacious librarian he traces his adopted pet's origins and while what Lyman ultimately discovers may not help him piece together his own past it paves the way for a future he never imagined

The Hammer of the Sun Michael Scott Rohan, 2012-12-14 In the great battle which had returned control of Morvannec the legendary city to mankind Elof the Smith had saved Kara his love from the immortal Power which ruled her But in the seven years since the Smith has grown fearful that Kara herself no mortal will one day leave him In his fear Elof makes the mistake of drawing on his own uncanny powers to bind Kara closer to him he only succeeds in driving her away Haunted guilt ridden Elof can do nothing but follow his love eastwards across the Seas of Sunrise towards the city of Kerys in which Kermorvan of Kerbryhaine's people had originated In the myth filled lands of the East where the Powers of the Ice contemplate the total extinction of life Elof must face his past his future and his destiny
