The Great Matrimonial Debate:

A State of Ambivalence Lenore Lyons, 2004-01-01 This book examines the contemporary feminist movement in Singapore It provides a fascinating analysis of the meanings that Singaporean women attach to the label feminist as well as the ways in which feminist activists negotiate their complex relationship with the Singaporean state Great Debates in Gender and

Law Rosemary Auchmuty, 2018-03-16 The first textbook to consider gender perspectives in relation to the whole undergraduate law curriculum in England and Wales Gender is of central importance in every area of law and every area of people's lives but is rarely mentioned in the formal LLB syllabus this book is designed to fill some of those gaps 18 chapters written by experts in the field cover all the core modules on the English LLB together with 11 of the most popular options Aimed at students and lecturers on undergraduate and postgraduate Gender and Law modules the book will also be useful for all LLB and LLM students studying English law who may use it to accompany their studies from their first to their final year and also for prospective law students legal scholars from outside England and Wales and scholars in other disciplines

The Parliamentary Debates from the Year 1803 to the Present Time, 1822 *Cobbett's Parliamentary Debates* Great Britain. Parliament, 1857 **Debates for the Digital Age** Danielle Sarver Coombs, Simon Collister, 2015-11-23 By evaluating the Internet's impact on key cultural issues of the day this book provides a comprehensive overview of the seismic technological and cultural shifts the Internet has created in contemporary society Books about Internet culture usually focus on the people places sites and memes that constitute the cutting edge at the time the book is written That approach alas renders such volumes quickly obsolete This provocative work on the other hand focuses on overarching themes that will remain relevant for the long term The insights it shares will highlight the tremendous impact of the Internet on modern civilization and individual lives well after specific players and sites have fallen out of favor Content is presented in two volumes The first emphasizes the positive impact of Internet culture for example 24 hour access to information music books merchandise employment opportunities and even romance The second discusses the Internet's darker consequences such as a demand for instant news that often pushes journalists to prioritize being first over being right online scams and invasions of privacy that can affect anyone who banks shops pays bills or posts online Readers of the set will clearly understand how the Internet has revolutionized communications and redefined human interaction coming away with a unique appreciation of the realities of today's digital world for better and for worse **Parliamentary Debates**, 1835 *The Parliamentary Debates* Great Britain. Parliament, 1857 Parliamentary Debates Victoria. Parliament, 1899 **Looking for Love in the Legal**

Discourse of Marriage Renata Grossi, 2014-09-01 This book examines the in visibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people's understanding of

marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy
