Surviving With Joe Paul Andrus,2013-10-25 Joe Anderson was supposedly on the plane The sound from the launcher s control box almost startled Olaf as he intently stared at the screen his face eerily highlighted in green light A red dot was centered in a bright green circle on the launchers screen as he gently pressed the firing switch Fire streaked out into the air a brilliant white star in the fading light trailing a column of white smoke The rocket accelerated towards the plane and then ended its short life with a fiery blast Joe Anderson must survive the threats of both man and nature in this thrilling sequel to *Surviving In America Under Siege* [Record of the Great Council of the United States of the Improved Order of Red Men](#) Improved Order of Red Men. Gordy,2003-10 The Great Nauga Hunt has a curious history I worked for the Long Beach California Fire Department One day in a fire station I forget which one it was I overheard two firemen talking One fireman was telling the other one about a joke he had played on another fireman The joke the fireman said was telling this other fireman that naugahyde was the hide of an animal When I heard this I laughed to myself Who would believe that naugahyde was the skin of a real animal The fireman telling the story was convinced that the fireman he was playing the joke on did not know that naugahyde was a manmade plastic covering I didn t know the fireman who was supposed to believe that naugahyde was the skin of a real animal very well but I thought he was pulling the leg of the fireman who was trying to play the naugahyde joke on him Anyway I don t know who was kidding who but the utter absurdity of anyone believing that naugahyde was the skin of a real animal seemed so completely impossible that I shook my head in disbelief I laughed to myself whenever I thought of this incident I knew instantly that here was a story a story I wanted to tell but how would a writer write such a story How could you invent a character that would be so dumb as to not know that naugahyde was a plastic covering and not the hide of a real animal I didn t know As time went by my mind subconscious began to spit out scenes of a young man who was a hunter such as the ones we used to see in the Tarzan movies and the Jungle Jim stories An innocent gullible young man but a great hunter who belonged to one of those hunting clubs we used to see in movies about Africa of men sitting around in a room with the mounted heads of animals hanging on all of the room s walls usually Englishmen or Europeans Well I wasn t going to write about a bunch of English stuffed shirts I was going to write an American story about Americans even if they were stuffed shirts I ve had enough of insulting ill mannered Englishmen and Europeans bashing America and Americans The trouble was I had to use some Europeans anyway because I made the hunting club an international club So you see from this unusual beginning I my subconscious made up the story The Great Nauga Hunt The Great Nauga Hunt is one of the greatest

if not the greatest hunt in all of the history of the universe If you like great hunting stories you will like The Great Nauga Hunt I have added the history of how and when I wrote The Great Nauga Hunt to the end of the story so the reader can find out where an author gets some of his stories
