The Great Stillness:

The Great Stillness Bruce Frantzis, 2001 This is the second volume of a two book series that peels away the metaphors and explains the living traditions of Lao Tse's water method of Taoist meditation The main focus of the book is to explain inner dissolving its major mediation technique that helps people overcome deeply bound negative emotions deepen their spiritual and psychic development and develop balance and compassion The Great Stillness is one of the few books that discusses the Taoist traditions of sexual chi gung and meditation It is the only book that includes detailed instructions and illustrations for the moving meditation practice called Circle Walking that was developed in Taoist monasteries over 4000 years ago This volume advances the breathing lessons taught in volume one Relaxing Into Your Being

The Great Stillness Bruce Kumar Frantzis, 1999 The Greatest Horrors of William Hope Hodgson William Hope Hodgson, 2023-12-02 In The Greatest Horrors of William Hope Hodgson the reader is immersed in a meticulously crafted tapestry of cosmic dread and existential terror Hodgson's unique blend of horror and weird fiction unfolds through a series of compelling narratives that highlight his distinctive literary style marked by rich atmospheric language and an unsettling exploration of the unknown The collection encapsulates themes of isolation and the insignificance of humanity in the vast universe resonating with the literary context of the early 20th century a period characterized by a fascination with the supernatural and the sublime tensions between man and nature William Hope Hodgson an English author and a sailor drew inspiration from his own life experiences at sea which imbue his stories with authentic maritime terror and a profound respect for the mysteries of the ocean His tumultuous upbringing and early encounters with the macabre deeply influenced his perspective on the uncanny allowing him to create haunting narratives that echo the fears of a rapidly changing world transitioning into modernity This anthology is a must read for enthusiasts of horror and weird fiction as it not only showcases Hodgson's chilling mastery but also invites readers to confront their own latent fears The collection serves as a crucial exploration of psychological terror and cosmic horror making it an indispensable addition to the canon of classic horror literature

Deva Jacquelyn E. Lane, 2020-06-16 An in depth introduction to the Deva Kingdom and our relationship with Deva Explores how we partner with Deva in our everyday lives to evolve both our kingdom and theirs Explains the hierarchy of the Deva kingdom from elementals and nature spirits to higher angelic Deva and every level in between Offers suggestions on how to communicate with the Deva of trees and plants as well as the angelic kingdom Shares the author's personal experiences with Deva around the world Nature spirits faeries gnomes and their higher angelic counterparts who overlight landscapes mountains rivers and plants have held a fascination for people worldwide for countless generations The Deva kingdom is essentially the world's form builders the symphony at the heart of Creation yet Deva is so much more than the joyful beings that animate what we call Nature We each have a very personal and direct relationship with Deva via our physical astral emotional and mental elementals but this connection has been forgotten or at the very least overlooked When we partner

with Deva in our everyday lives we can help evolve both our kingdom and aspects of theirs Exploring the realm of Deva and our relationship with them Jacquelyn E Lane introduces us to the hierarchy of the Deva kingdom from elementals and nature spirits to higher Deva and the levels in between She examines the metaphysics that underlie their existence and how the energy of Deva is intrinsic to all that we experience Deva is a Sanskrit word meaning Being of Light an appropriate name as Deva sing light out of the primordial darkness to create forms for Being Sharing her personal experiences with Deva in many lands over four decades the author investigates our relationship with Deva in particular via the elementals of our human constitution and how we can communicate with the Deva of trees and plants as well as the angelic kingdom Through scientific discoveries and cultural traditions we discover the impact we have on Deva and how we use and even create new forms of Deva via our inventions and collective activity Jacquelyn also looks at the orchestrating function of higher Deva and the wider implications of our understanding of Deva including the role of Deva in Pan consciousness our increasing realization of the intricate matrix of life within and between all the kingdoms on Earth Offering not only an in depth introduction to the world of Deva but also a glimpse of their wisdom humor and joy this book reveals how we can begin to hear their complex song find our own song and work with the appropriate subtle layers of the Deva kingdom to grow and evolve
