The Great Unveiling:

The Great Unveiling William Graham Scroggie, 1929 **The Great Unveiling** Michael Kelley, 2016-04-06 The Book of Revelation has been one of the most neglected books of the Bible for most of church history The supernatural is all around us though so restrained by the Holy Spirit's work in the Church that people often forget its existence Revelation speaks largely of a future time without the Church and as such minds have trouble grasping the sheer supernatural things of which it speaks Often mislabeled as revelations it actually concerns itself with one single revelation the unveiling of the Lord Jesus Christ Who is coming again for His Bride the Church and will return with her to overthrow a world empire brought together by the ultimate demonic human known as the Beast Christ will then seize control of this rapidly deteriorating world and make all things right physically ruling in absolute fairness righteousness It is the Christian's hope showing Jesus's love for him or her as well as the unbeliever's terror As such the study of it gives young Christians a biblical view as to who they are as ambassadors and pilgrims passing through enabling them in their witness to lost people because time is quickly running out Young Christians are encouraged to study this commentary and use the outline at the beginning to tell others the Gospel of salvation in the Lord Jesus Christ without which all humanity is doomed to hell because of their sin against a Holy and Righteous God **The Great Unveiling** William Graham Scroggie, 1925 *The Great Unveiling* Michael Kelley, 2019-12-13 The Book of Revelation is one of the most misunderstood and neglected books in the Bible partly because of its Apocalyptic genre which is a literary form that is not used anymore Yet it is also misunderstood because most Christians are unfamiliar with the historical cultural context of first century Christianity and Judaism in the Roman Empire The Revelation is far more relevant for Christian's daily lives as the church advances the gospel throughout the world than most people realize specifically written to believers to unveil the reign of their Lord over the earth and the binding of Satan the Spirit and the Bride through the proclamation of the gospel opening the eyes of the nations that he had blinded over the course of centuries This commentary seeks to quote and cite as much of the history as possible to bring out the book's first century meaning and present applications [Evangelistic Sermons Delivered During the Great Meetings at Pittsburg and Des Moines](#) Charles Reign Scoville, 1902 [The wonders of the great unveiling](#) Leonard Sale Harrison, 1941 **The Great Journey** Bonnie M. Gulan, 2002-04-19 Think In Mark 12:24 Jesus said Are you not therefore deceived not being acquainted with the Scriptures nor yet the Power of God Be knowing the Scriptures are the Word the complete expression of God's Thought and contain the Power of God's Thought The Bible on the other hand is but the letter men's letters men's interpretations of the Scriptures and contain not the Power of God's Word but contain only the force of men's reasoning men's intellect One could say that the Bible is but the survey for the Scripture Digs The Great Journey in Pursuit of Jesus Way Truth Life is my personal daily journal during the years of 1998 and 1999 Everything I write is hand written so great care was taken in transcribing my written journal into this format By great care I mean transcribing word for word along with their misspellings and errors so

that it would allow you the reader to travel with me every day In this journal I share what I took notice of and took notes on during my journey Some things I perceived during this journey gave me new questions to question as well as answers to questions that I have repeatedly asked myself over many years Travel with me through my 1998 1999 journal as we embark on this Great Journey in pursuit of Jesus Way Truth and Life
