

The Great War And The British People

Laura Ugolini

The Great War And The British People:

The Great War and the British People J. M. Winter, 1986 For those interested in military history in social history or in cultural history this book pointed the way to a new generation of scholarship in the Great War Its reissue issue with a new introduction locates this book within that ongoing historical conversation **BOOK JACKET** [The Great War and the British People](#) University Lecturer in History and Fellow J M Winter, 2013-12-31 [British Identity in World War I](#) Mary K.

Laurents, 2020-12-10 This book analyzes the development of the Lost Generation narrative following the First World War The author examines narratives that illustrate the fracture of upper class identity including well known examples of the Lost Generation Robert Graves Siegfried Sassoon and Vera Brittain as well as other less typical cases George Mallory and JRR Tolkien to demonstrate the effects of the First World War on British society culture and politics J. Bourne, 2000-11

Manpower and the Armies of the British Empire in the Two World Wars Mark Frost, Andrew L. Brown, Douglas E. Delaney, 2021-06-15 In the first and only examination of how the British Empire and Commonwealth sustained its soldiers before during and after both world wars a cast of leading military historians explores how the empire mobilized manpower to recruit workers care for veterans and transform factory workers and farmers into riflemen Raising armies is more than counting people putting them in uniform and assigning them to formations It demands efficient measures for recruitment registration and assignment It requires processes for transforming common people into soldiers and then producing officers staffs and commanders to lead them It necessitates balancing the needs of the armed services with industry and agriculture And often overlooked but illuminated incisively here raising armies relies on medical services for mending wounded soldiers and programs and pensions to look after them when demobilized *Manpower and the Armies of the British Empire in the Two World Wars* is a transnational look at how the empire did not always get these things right But through trial error analysis and introspection it levied the large armies needed to prosecute both wars Contributors Paul R Bartrop Charles Booth Jean Bou Daniel Byers Kent Fedorowich Jonathan Fennell Meghan Fitzpatrick Richard S Grayson Ian McGibbon Jessica Meyer Emma Newlands Kaushik Roy Roger Sarty Gary Sheffield Ian van der Waag [The Longman Companion to Britain in the Era of the Two World Wars 1914-45](#) Andrew Thorpe, 2014-09-19 In the momentous period barely 30 years covered by this systematic reference guide the Edwardian world was transformed unrecognisably through war technological progress and social change into the Nuclear Age It saw the coming of mass democracy the apogee of empire the Depression the threat of fascism the development of suburban society and as yet scarcely understood the end of Britain's international hegemony Andrew Thorpe's superb contribution to the Companions series illuminates all this and much else It will be indispensable to anyone interested in the history and politics of modern Britain **Civvies** Laura Ugolini, 2016-05-16 The history of the First World War continues to attract enormous interest However most attention remains concentrated on combatants creating a misleading picture of wartime Britain one might be forgiven for assuming that by 1918 the country had become virtually

denuded of civilian men and particularly of middle class men who or so it seems volunteered en masse in the early months of war In fact the majority of middle class and other men did not enlist but we still know little about their wartime experiences Civvies thus takes a different approach to the history of the war and focuses on those middle class English men who did not join up not because of moral objections to war but for other much more common reasons notably age family responsibilities or physical unfitness In particular Civvies questions whether if servicemen were the apex of manliness were middle class civilian men inevitably condemned to second class unmanly status **England, Canada and the Great War** L. G.

Desjardins,2021-04-25 In England Canada and the Great War L G Desjardins meticulously explores the profound connections between England and Canada during World War I weaving together a rich tapestry of historical narratives personal accounts and socio political analysis The author employs a scholarly yet accessible literary style integrating primary sources such as letters and diaries with contemporary historiography to illuminate the complexities of wartime experiences The book situates itself in the broader context of transnational studies examining how the war shaped national identities and relationships between colonies and their metropolises offering valuable insights into the socio cultural landscapes of both nations L G Desjardins a historian with a keen interest in military history and colonial studies brings a unique perspective to this narrative His academic background and personal connections to the regions discussed inform his empathetic portrayal of individuals caught in the tumult of war Desjardins s previous work in examining Canadian military contributions and the British Empire s global impacts makes him particularly suited to dissect these nuanced relationships during a pivotal era This book is highly recommended for readers interested in military history colonial studies and the intricacies of international relations Desjardins s work not only deepens our understanding of World War I but also invites reflection on the enduring legacies of conflict making it an essential addition to any scholarly library In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

The British Working Class 1832-1940 Andrew August,2014-06-11 In this insightful new study Andrew August examines the British working class in the period when Britain became a mature industrial power working men and women dominated massive new urban populations and the extension of suffrage brought them into the political nation for the first time Framing his subject chronologically but treating it thematically August gives a vivid account of working class life between the mid nineteenth and mid twentieth centuries examining the issues and concerns central to working class identity Identifying shared patterns of experience in the lives of workers he avoids the limitations of both traditional historiography dominated by economic determinism and party politics and the revisionism which too readily dismisses the importance of class in British society **The English and Their History** Robert Tombs,2015-10-27 A New York Times 2016 Notable Book Robert Tombs s momentous The English and Their History is both a startlingly fresh and a uniquely inclusive account of the

people who have a claim to be the oldest nation in the world The English first came into existence as an idea before they had a common ruler and before the country they lived in even had a name They have lasted as a recognizable entity ever since and their defining national institutions can be traced back to the earliest years of their history The English have come a long way from those first precarious days of invasion and conquest with many spectacular changes of fortune Their political economic and cultural contacts have left traces for good and ill across the world This book describes their history and its meanings from their beginnings in the monasteries of Northumbria and the wetlands of Wessex to the cosmopolitan energy of today s England Robert Tombs draws out important threads running through the story including participatory government language law religion the land and the sea and ever changing relations with other peoples Not the least of these connections are the ways the English have understood their own history have argued about it forgotten it and yet been shaped by it These diverse and sometimes conflicting understandings are an inherent part of their identity Rather to their surprise as ties within the United Kingdom loosen the English are suddenly embarking on a new chapter The English and Their History the first single volume work on this scale for more than half a century and which incorporates a wealth of recent scholarship presents a challenging modern account of this immense and continuing story bringing out the strength and resilience of English government the deep patterns of division and also the persistent capacity to come together in the face of danger

If you ally need such a referred **The Great War And The British People** book that will give you worth, acquire the extremely best seller from us currently from several preferred authors. If you desire to funny books, lots of novels, tale, jokes, and more fictions collections are along with launched, from best seller to one of the most current released.

The Great War And The British People Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Great War And The British People has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Great War And The British People has opened up a world of possibilities. Downloading The Great War And The British People provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Great War And The British People has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Great War And The British People. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Great War And The British People. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Great War And The British People, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Great War And The British People has transformed the

way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Great War And The British People Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Great War And The British People is one of the best book in our library for free trial. We provide copy of The Great War And The British People in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Great War And The British People. Where to download The Great War And The British People online for free?
