THE GREATEST STORY EVER TOLD FULTON OURSLER,1949 *The Greatest Story Ever Told* Fulton Oursler,1949

The greatest story ever told: a tale of the greatest life ever lived f Fulton OURSLER,1940 **The Greatest Story Ever Told** Fulton Oursler,1989-08-25 Fulton Oursler's outstanding classic *The Greatest Story Ever Told* narrates the ever new everlasting story of the life of Jesus Christ Written with powerful simplicity and set against a rich and accurate historical background this account of the greatest life ever lived describes the moving story of Christ's nativity the flight of the Holy Family into Egypt Christ's youth His public ministry passion death and resurrection While there have been many lives of Christ published few have received so wide a popular acclamation as Fulton Oursler's classic tale Since it was first published in 1949 when it was instantly acclaimed by both the secular and lay press and endorsed by clergy of all faiths *The Greatest Story Ever Told* has gone into scores of printings has been read by millions and is one of the most successful bestsellers of all time The life of Christ is certainly the greatest story ever told and Fulton Oursler has told it superbly well **G-Man (Pulitzer Prize Winner)** Beverly Gage,2022-11-22 Winner of the 2023 Pulitzer Prize in Biography Winner of the 2022 National Book Critics Circle Award in Biography the 2023 Bancroft Prize in American History and Diplomacy and the 43rd LA Times Book Prize in Biography Finalist for the 2023 PEN Jacqueline Bograd Weld Award for Biography Named a Best Book of 2022 by The Atlantic The Washington Post and Smithsonian Magazine and a New York Times Top 100 Notable Books of 2022 Masterful This book is an enduring formidable accomplishment a monument to the power of biography that now becomes the definitive work The Washington Post A nuanced portrait in a league with the best of Ron Chernow and David McCullough The Wall Street Journal A major new biography of J Edgar Hoover that draws from never before seen sources to create a groundbreaking portrait of a colossus who dominated half a century of American history and planted the seeds for much of today's conservative political landscape We remember him as a bulldog squat frame bulging wide set eyes fearsome jowls but in 1924 when he became director of the FBI he had been the trim dazzling wunderkind of the administrative state buzzing with energy and big ideas for reform He transformed a failing law enforcement backwater riddled with scandal into a modern machine He believed in the power of the federal government to do great things for the nation and its citizens He also believed that certain people many of them communists or racial minorities or both did not deserve to be included in that American project Hoover rose to power and then stayed there decade after decade using the tools of state to create a personal fiefdom unrivaled in U S history Beverly Gage's monumental work explores the full sweep of Hoover's life and career from his birth in 1895 to a modest Washington civil service family through his death in 1972 In her nuanced and definitive portrait Gage shows how Hoover was more than a one dimensional tyrant and schemer who strong armed the rest of the country into submission As FBI director from 1924 through his death in 1972 he was a confidant counselor and adversary to eight U S presidents four Republicans and four Democrats Franklin Roosevelt and Lyndon Johnson did the most

to empower him yet his closest friend among the eight was fellow anticommunist warrior Richard Nixon Hoover was not above blackmail and intimidation but he also embodied conservative values ranging from anticommunism to white supremacy to a crusading and politicized interpretation of Christianity This garnered him the admiration of millions of Americans He stayed in office for so long because many people from the highest reaches of government down to the grassroots wanted him there and supported what he was doing thus creating the template that the political right has followed to transform its party G Man places Hoover back where he once stood in American political history not at the fringes but at the center and uses his story to explain the trajectories of governance policing race ideology political culture and federal power as they evolved over the course of the 20th century **The Greatest Story Ever Told** Anthony Abbot,1949 **The Gospel According to the**

Novelist Magdalena Maczynska,2015-08-27 Why have so many prominent literary authors from Philip Pullman and Jos Saramago to Mich le Roberts and Colm T ib m recently rewritten the canonical story of Jesus Christ What does that say about our supposedly secular age In this insightful study Magdalena Maczynska defines and examines the genre of scriptural metafiction novels that not only transform religious texts but also draw attention to these transformations In addition to providing rich examples and close readings Maczynska positions literary studies within interdisciplinary debates about religion and secularity Her book demonstrates a surprising turn of events even as contemporary novelists deconstruct the traditional categories of secular and sacred writing they open up new spaces for scripture in contemporary culture The

Story of Jesus M. Clark,2005-08 The Story of Jesus is an invaluable guide for studying the life and ministry of Jesus of Nazareth By combining the four Gospels into a one cohesive narrative it provides a more complete portrait of the most important person in history Jesus Christ Author M Douglas Clark has carefully woven together the separate but partial narratives contained in the four Gospels to provide a compelling perspective on the life of Jesus Without fictionalizing or paraphrasing Clark uses a straightforward style that is easy to comprehend providing a clear chronology of the events in Jesus life from his birth to his resurrection The Story of Jesus is divided into segments that include The Period of Preparation The First Year of Ministry The Time of Great Public Favor His Face Turns Towards the Cross The Resurrection and Ascension For those who are ready to delve into an in depth study of the life of Christ The Story of Jesus offers uncomplicated and factual guidance for both long term students and those who are just beginning their journey **American Jesus** Stephen

Prothero,2004-09-18 A Deep Dive into America s Complex Relationship with Jesus There s no denying America s rich religious background belief is woven into daily life But as Stephen Prothero argues in American Jesus many of the most interesting appraisals of Jesus have emerged outside the churches in music film and popular culture and among Jews Muslims Buddhists and people of no religion at all Delve into this compelling chronicle as it explores how Jesus the carpenter from Nazareth has been refashioned into distinctly American identities over the centuries From his enlistment as a beacon of hope for abolitionists to his appropriation as a figurehead for Klansmen the image of Jesus has been as mercurial as it is

influential In this diverse and conflicted scene American Jesus stands as a testament to the peculiar fusion of the temporal and divine in contemporary America Equal parts enlightening and entertaining American Jesus goes beyond being simply a work of history It s an intricate mirror reflecting the American spirit while questioning the nation s socio cultural fabric
