The Groupe Des Dombes A Dialogue Of Conversion:

The Groupe Des Dombes Catherine E. Clifford, 2001 **The Oxford Handbook of Ecumenical Studies** Geoffrey Wainwright, Paul McPartlan, 2021 Provides a rich source of information and reflection on many aspects of ecumenism from 50 expert contributors of many nationalities and traditions Offers a global perspective showing how ecumenism is a feature of the Church in all parts of the world with different geographical areas specifically considered in chapters focusing on Europe the Middle East Africa Asia and more Offers an invaluable guide to one of the most important Christian activities of today work for unity and reconciliation within the Church itself and as a witness in the world at large Book jacket **Receptive Ecumenism As Transformative Ecclesial Learning** Paul D. Murray, Gregory A. Ryan, Paul Lakeland, 2022 Receptive Ecumenism asks not what other churches can learn from us but what can we learn and receive with integrity from our ecclesial others The chapters in this volume by academics church leaders and ecumenical practitioners show how Receptive Ecumenism has grown and matured over the past two decades **Theological Dialogue with Classical Pentecostals** Jelle Creemers, 2015-09-24 The last two decades have witnessed the growing participation in theological dialogues of non institutional free church movements This poses a serious challenge to 21st century ecumenism since ecclesial realities and internal diversity of these movements impede fruitful dialogue in the classical manner The present volume addresses fundamental aspects of this challenge by a critical study of an exemplary case of such dialogues the International Roman Catholic Classical Pentecostal Dialogue 1972 2007 This unique study builds both on primary archival sources and on earlier research on the IRCCPD After providing an ecumenical profile of the Classical Pentecostal dialogue partner Creemers demonstrates how fair representation of the Classical Pentecostal movement has been pursued in the course of the dialogue Next he gives attention to the ecumenical method of the IRCCPD First the development of a dialogue method hinging on hard questions is traced which has allowed a balanced theological exchange between the dialogue partners Regarding theological method it is demonstrated that both partners showed a willingness to experiment together by integrating sources of theological knowledge typically distrusted in their own traditions In conclusion the analyses are integrated in an overview of challenges and opportunities for dialogue with the Classical Pentecostal movement in the context of ongoing discussions on ecumenical method Receptive Ecumenism and the Renewal of the Ecumenical Movement Antonia Pizzey, 2019-05-15 Receptive Ecumenism is a ground breaking new ecumenical approach widely regarded as having the potential to revitalise the Ecumenical Movement But what is Receptive Ecumenism Why is it important In Receptive Ecumenism and the Renewal of the Ecumenical Movement Antonia Pizzey offers a comprehensive systematic analysis of Receptive Ecumenism While still emerging Receptive Ecumenism is highly promising because it prioritises the need for ecclesial conversion Pizzey explores the scope and complexity of Receptive Ecumenism providing much needed clarity on its aim key developmental influences and distinctiveness as well as its virtuous character and relationship with Spiritual Ecumenism The major implementations of

Receptive Ecumenism to date are investigated along with its significance for the future of ecumenism especially regarding its engagement with contemporary challenges

THE ECUMENICAL IMPERATIVE AND FORMATION OF ECUMENICAL CONSCIOUSNESS AMONG PASTORAL WORKERS SEBASTIAN CHUKWUMA ANOKWULU, 2013-09 The idea of the Church as the instrument of unity had existed before Second Vatican Council but the Council made the search for unity explicitly an imperative From the Second Vatican Council emerged a more emphatic vision of the mission of the Church to the world in which ecumenism is no longer an option but an imperative From the time of the Council onward every Christian should positively respond to God's question to Cain Where is your brother Gen 4:9 The ecumenical imperative is primarily the responsibility of pastoral workers The book surveys in epochs the historical changes that has occurred in the Church up to Vatican II reviews reception along the ages of the Church pointing to the uniqueness of Vatican II and gives through biblical exegesis of conversion a fresh understanding that will help pastoral workers to be ever conscious and ready to serve as Church's instrument of unity wherever they are This book re-awakens the spirit of the Decree on Ecumenism *Unitatis Redintegratio* offering it to be properly received by all who pray with Christ for unity Jn 17:21 It proposes pastoral suggestions on the practice of Ecumenism

Ecclesial Repentance Jeremy M. Bergen, 2011-03-31

Ecumenical Ecclesiology Gesa Elsbeth Thiessen, 2009-09-15 This is a rich collection of fifteen articles by European North American and Asian theologians who are concerned with the concept life unity and future of the church It offers a wealth of broad perspectives on ecclesiology by scholars from Catholic Protestant and Orthodox backgrounds The first section Perspectives on Ecumenical Ecclesiology comprises reflections on postmodern ecclesiologies as well as on the development and problems concerning ecumenical methods and models of unity The second section Communion Ecclesiology and Otherness provides some pertinent deliberations on how an ecclesiology of communion can integrate otherness In particular Zizioulas communion ecclesiology is critically examined the possibility for a retrieval of Eucharistic theology between Catholics and Orthodox is put forward and Tillard's communion ecclesiology is appraised as offering resources for innerdenominational otherness The final section Ecclesiology in Global Contexts considers critically the possibility of evangelical ecclesiology as an answer to ethnic impaired Christian community The role of the Catholic Church and its values in Europe and vis-à-vis the European Constitution is examined The Church of Nigeria's Constitutional Revision 2005 and its ecclesial ecumenical implications comes into focus and three notable concepts of unity as developed by three Indian scholars S K George John Sadiq and Karem David are evaluated Finally the Japanese diaspora in the States is appraised as a place where a particular Japanese Christian vision could emerge through the internationalist ecclesiology developed by Japanese Christian missionaries

Receptive Ecumenism and the Call to Catholic Learning Paul Murray, 2010-05-06 This volume proposes a fresh strategy for ecumenical engagement Receptive Ecumenism that is fitted to the challenges of the contemporary context and has already been internationally recognised as making a distinctive and important new contribution to ecumenical

thought and practice Beyond this the volume tests and illustrates this proposal by examining what Roman Catholicism in particular might fruitfully learn from its ecumenical others Challenging the tendency for ecumenical studies to ask whether explicitly or implicitly What do our others need to learn from us this volume presents a radical challenge to see ecumenism move forward into action by highlighting the opposite question What can we learn with integrity from our others This approach is not simply ecumenism as shared mission or ecumenism as problem solving and incremental agreement but ecumenism as a vital long term programme of individual communal and structural conversion driven like the Gospel that inspires it by the promise of conversion into greater life and flourishing The aim is for the Christian traditions to become more not less than they currently are by learning from or receiving of each other s gifts The 32 original essays that have been written for this unique volume explore these issues from a wide variety of denominational and disciplinary perspectives drawing together ecclesiologists professional ecumenists sociologists psychologists and organizational experts

Hermeneutics of Doctrine in a Learning Church Gregory A. Ryan, 2020-08-10 In *Hermeneutics of Doctrine in a Learning Church* Gregory A Ryan offers an account of the dynamic multi dimensional task of interpreting Christian tradition He integrates doctrinal hermeneutics the pastorality of doctrine exemplified by Pope Francis and a systematic appraisal of Receptive Ecumenism to provide an original perspective on this task The book focuses on three contemporary Catholic theologians Francis Sch ssler Fiorenza Ormond Rush and Paul D Murray highlighting how each recognises the dynamic interaction of multiple perspectives involved in authentic ecclesial interpretation Christian tradition whether passed on in teaching scripture practices or structures needs to be continually received and interpreted This book offers theologians ecumenists and church workers a fresh model for receptive ecclesial learning in which doctrinal hermeneutics and pastoral realities are dynamically integrated
