The Oneeyed Man Is King A Story Of Winning:

The One-eyed Man Larry L. King, 2001 In the 1960s when the Supreme Court rules that African Americans must be admitted to the university in an unnamed Southern state Governor Cullie Blanton is about to run for re election One of his opponents is Bayonet Bill Wooster an ex marine general who bases his campaign on fear of racial integration fear of Communists and fear of the federal government he presents himself as the leader in a holy war against the incumbent infidel The other candidate is Poppa Posey a former governor who raises hound dogs quotes Shakespeare and hopes to use Wooster s money to split support for Blanton Only Blanton understands that integration is inevitable and that his task must be to make the transition as painless and bloodless as possible That he fails may be due in part to his freewheeling power driven personality But Blanton is also defeated by inertia tradition and demagoguery He is as he once describes himself someone who just got in the way of goddamn history Is the state Texas and the governor Lyndon B Johnson King denies it arguing that there are equal parts of Huey Long Herman Talmadge and Alfalfa Bill Murray But as Erisman says in his foreword Blanton in his wheeling and dealing his crudities and profanity his ruthlessness and his compassion is a dead on portrait of LBJ in full cry The One Eyed Man presents a hauntingly clear picture of the 1960s in the South the national grief over the assassination of President John F Kennedy the racial turmoil the human dilemma faced by North and South alike And it poses haunting questions for the reader what separates the demagogue from the leader What injustices are acceptable in the name of a larger justice Who determines the greatest good for the greatest number W.
