The Politics Of Identity Protestant Working Clab Politics And Culture In Belfast

Tom Gibbons, Dominic Malcolm

The Politics Of Identity Protestant Working Clab Politics And Culture In Belfast:

The Irish Language in Northern Ireland Camille C. O'Reilly, 2016-07-27 A topical and authoritative investigation of the Irish language and identity in Northern Ireland The phrase our own language has come to symbolize the importance of the Irish language to Irish identity for many Nationalists in Northern Ireland However different interests compete to have their version of the meaning and importance of the Irish language accepted This book investigates the role of the Irish language movement in the social construction of competing versions of Irish political and cultural identity in Northern Ireland arguing that for some Nationalists the Irish language has become an alternative point of political access and expression *Football, Politics and Identity* James Carr, Daniel Parnell, Paul Widdop, Martin J. Power, Stephen R. Millar, 2021-06-06 This book presents a series of fascinating case studies that show how the lives and bodies of clubs players and fans around the world are enmeshed with politics It draws on original research in countries including England Scotland Ireland Poland Mexico Algeria and Argentina and includes both historical and contemporary perspectives It explores some of the most important themes in the study of sport including sectarianism migration fan activism and national identity and shows how football continues to be tied to political events symbols and movements This is fascinating reading for any student or researcher working in sport studies political science sociology or contemporary history Moments, Metaphors, Memories Kausik Bandyopadhyay, Souvik Naha, 2021-05-13 As the most popular mass spectator sport across the world soccer generates key moments of significance on and off the field encapsulated in events that create metaphors and memories with wider social cultural psychological political commercial and aesthetic implications Since its inception as a modern game the history of soccer has been replete with events that have changed the organization meanings and impact of the sport The passage from the club to the nation or from the local to the global often opens up transnational spaces that provide a context for studying the events that have defined the sport and its followers Such defining events can include sporting performances decisions taken by various stakeholders of the game accidents and violence among players and fans and invention of supporter cultures among other things The present volume attempts to document identify and analyse some of the defining events in the history of soccer from interdisciplinary and comparative perspectives It revisits the discourses of signification and memorialization of such events that have influenced society culture politics religion and commerce This book was originally published as a special issue of the journal Soccer Society Scots in Victorian and Edwardian Belfast Kyle Hughes, 2013-12-11 A new departure in Scottish and Irish migration studies The Scottish diasporic communities closest to home those which are part of what we sometimes term the near Diaspora are those we know least about Whilst an interest in the overseas Scottish diaspora has grown in recent years Scots who chose to settle in other parts of the United Kingdom have been largely neglected This book addresses this imbalance Scots travelled freely around the industrial centres of northern Britain throughout the nineteenth and early twentieth centuries and Belfast was one of the most important ports of call for

thousands of Scots The Scots played key roles in shaping Belfast society in the modern period they were essential to its industrial development they were at the centre of many cultural philanthropic and religious initiatives and were welcomed by the host community accordingly Yet despite their obvious significance in staunchly Protestant Unionist and at times insular and ill at ease Belfast individual Scots could be viewed with suspicion by their hosts dismissed as strangers and cast in the role of interfering outsiders

Key Features The only book length scholarly study of the Scots in modern Ireland Brings to light the fundamental importance of Scottish migration to Belfast society during the nineteenth century Advances our knowledge and understanding of Scotland s near diaspora Highlights areas of tension in Ulster Scottish relations during the Home Rule era Puts forward a new agenda for a better understanding of British in migration to Ireland in the modern period

The Anthropology of Ireland Hastings Donnan, Thomas M. Wilson, 2020-08-04 Where and what is Ireland What are the identities of the people of Ireland How has European Union membership shaped Irish people s lives and interests How global is local Ireland This book argues that such questions can be answered only by understanding everyday aspects of Irish culture and identity Such understanding is achieved by paying close attention to what people in Ireland themselves say about the radical changes in their lives in the context of wider global transformation As notions of sex religion and politics are radically reworked in an Ireland being re imagined in ways inconceivable just a generation ago anthropologists have been at the forefront of recording the results The first comprehensive book length introduction to anthropological research on the island as a whole The Anthropology of Ireland considers the changing place in a changing Ireland of religion sex sport race dance young people the Travellers St Patrick s Day and much more

Football Cultures and Identities Gary Armstrong, 1999-05-19 The game of football has played a key role in shaping and cementing senses of national identity throughout the world Aware that the game may afford a space for expressing protest groups may attempt to harness the forces of populist nationalism This book examines football in 18 countries

The Routledge Handbook of Language in Conflict Matthew Evans, Lesley Jeffries, Jim O'Driscoll, 2019-05-10 The Routledge Handbook of Language in Conflict presents a range of linguistic approaches as a means for examining the nature of communication related to conflict Divided into four sections the Handbook critically examines text interaction languages and applications of linguistics in situations of conflict Spanning 30 chapters by a variety of international scholars this Handbook includes real life case studies of conflict and covers conflicts from a wide range of geographical locations at every scale of involvement from the personal to the international of every timespan from the fleeting to the decades long and of varying levels of intensity from the barely articulated to the overtly hostile sets out the textual and interactional ways in which conflict is engendered and in which people and groups of people can be set against each other considers what linguistic research has brought and can bring to the universal aim of minimising the negative effects of outbreaks of conflict wherever and whenever they occur The Routledge Handbook of Language in Conflict is an essential reference book for students and researchers of language and communication linguistics peace studies international

relations and conflict studies **Sport and English National Identity in a 'Disunited Kingdom'** Tom Gibbons, Dominic Malcolm, 2017-02-17 Given sport's centrality in English society what role does it play in symbolising contemporary English national identity This comprehensive study explores the complex set of relationships between sport and what it means to be English in the twenty first century The bond between sport and nationalism has long been recognised but with increasingly vociferous separatist nationalisms threatening the dismantling of the United Kingdom a closer analysis is timely Part one addresses key debates regarding English national identity within the specific sporting contexts of association football cricket tennis cycling and rugby Part two discusses the complex relationship between religion sport and English national identity as well as the attitudes and experiences of traditionally marginalized groups including women minority ethnic groups and disabled people Part three considers the perspectives of the other UK nations on the link between sport and English national identity *Sport and English National Identity in a Disunited Kingdom* is fascinating reading for all those with an interest in the sociology politics and history of sport and the study of nations nationalism and national identity *Unionism in the United Kingdom, 1918-1974* P. Ward, 2005-03-01 This book examines the range and complexity of unionist political identities ideas and beliefs in the non English parts of the United Kingdom in the mid twentieth century It discusses the careers of eight politicians from Scotland Wales and Northern Ireland and uncovers the varieties of unionism that held the multi national UK together Challenging the idea that Britain was in the process of breaking up it argues that the Union provided a focus for loyalty in the United Kingdom that contributed to the continuing formation of identities of Britishness *The Politics of Sport* Lincoln Allison, 1986 **Talking Politics** Kum-Kum Bhavnani, 1991-06-06 Originally published in 1991 this study examines the views of politics presented by young people in contemporary Britain Bhavnani argues that previous studies of youth and youth culture were limited by too great a reliance on simple survey techniques and by lack of attention to conceptions of politics amongst young people and to politics as a series of lived relationships rather than a set of external objects Instead she uses ethnographic approaches and open response interviewing within the broad theoretical framework of social representations The political is taken to refer to the ways in which people regulate and attempt to regulate with a view to challenging unequal social relationships Within this the specific issues examined are employment unemployment youth training schemes democracy and voting racism and marriage Bhavnani's analysis organised by themes such as disposable income and social and personal control tackles questions of power in the research process and a notion of discursive configurations as distinct from social representations *Talking Politics* Robin Gwendolyn Whitaker, 2001 **And the Healing Has Begun...** Katrin Pietzonka, 2013-12-12 For anyone interested in Northern Ireland its history its culture its music finally here comes a book that offers a new approach into understanding the complex diversity that has shaped Northern Irish society and its people during the times of the Troubles and beyond Like poems songs in their own right should be recognised as historical documents From Mickey McConnells *Only our Rivers Run Free* and Phil Coulter *The Town I loved*

so Well to Tommy Sands There Were Roses political social developments inspired Northern Irish poets and songwriters alike By incorporating a great amount of background information on the artists mentioned above and resulting from personal interviews with the author a very unique insight into the history of Northern Ireland is given In addition the vast amount of songs written from an outsiders perspective and in particular in the Rock and Popmusic Genre such as Paul McCartneys Give Ireland back to the Irish John Lennons Sunday Bloody Sunday to James Taylors Belfast to Boston and Katie Meluas Belfast also required appropriate recognition Together all these songs compiled and discussed in this book will provide the reader with a better understanding of Northern Irelands history its society its people past and present Whether it is for further academic research or simply used as reference material for anyone interested in Irish Music and Songs about and from Northern Ireland this book will remain an essential guide and reference book in years to come *Football Fans, Rivalry and Cooperation* Christian Brandt, Fabian Hertel, Sean Huddleston, 2017-04-21 Football is undoubtedly the sport with the largest following in the world attracting billions of fans across the globe These fans play an integral part in determining the identity of the football club they support Many studies have focused on the intense rivalry between clubs their fans and the opposing identities they represent However little attention has been paid to examples of cooperation between rival fans This book is the first to explore antagonistic cooperation in football the idea that rival fans can work together despite their animosity With examples from Argentina Brazil Germany Mexico Croatia Poland Turkey Ukraine the UK the US and Zimbabwe this book brings together case studies on rival fans working together and explores how and why such cooperation takes place Showcasing original research from a team of international football scholars it sheds new light on the social and political complexities of contemporary football fan culture *Football Fans Rivalry and Cooperation* is fascinating reading for anybody with an interest in football studies the sociology of sport sport and politics or sport and social theory **Research Handbook on Sports and Society** Elizabeth C.K. Pike, 2021-05-28 This state of the art Research Handbook provides a challenging and critical examination of the complex issues surrounding sports in contemporary societies Featuring contributions from world leading scholars it focuses upon the impact of their research together with significant social issues and controversies in sport *The Changing Politics of Sport* Lincoln Allison, 1993 **Sport: Sport and power relations** Eric Dunning, Dominic Malcolm, 2003 A collection of texts providing a useful resource for students in the field of sports studies Subject headings include approaches to the study of sport the development and structure of modern sport sport and power relations and major issues in contemporary sport *Young People, Social Capital and Ethnic Identity* Tracey Reynolds, 2013-10-18 Social capital and ethnicity are crucial to young people s understandings of their social world The strong bonding networks often assumed in ethnic groups suggest that individuals may prefer to be bonded to each other according to shared socio cultural factors such as shared histories memories language customs traditions and values However bridging forms of social capital allow new understandings of ethnic identities to emerge and which involve dynamic

and complex social processes that are continually changing and evolving according to time location and context This book explores the ways in which the concepts of social capital and ethnicity play a central role in young people s relationships participation in wider social networks and the construction of identities Researchers and scholars working in the fields of children and youth studies education families social and racial and ethnic studies offer differing accounts of the ways in which social capital operates in young people s lives across diverse social settings and ethnic groups This edited book is timely and significant given the public interest of researchers academics politicians and policymakers working in areas of youth and community work race relations and cultural diversity This book was published as a special issue of Ethnic and Racial Studies

Rethinking Northern Ireland David Miller, 2014-09-25 Rethinking Northern Ireland provides a coherent and critical account of the Northern Ireland conflict Most writing on Northern Ireland is informed by British propaganda unionist ideology or currently popular ethnic conflict paradigm which allows analysts to wallow in a fascination with tribal loyalty Rethinking Northern Ireland sets the record straight by reembedding the conflict in Ireland in the history of an literature on imperialism and colonialism Written by Irish Scottish and English women and men it includes material on neglected topics such as the role of Britain gender culture and sectarianism It presents a formidable challenge to the shibboleths of contemporary debate on Northern Ireland A just and lasting peace necessitates thorough re evaluation and Rethinking Northern Ireland provides a stimulus to that urgent task

Growing Up in a Divided Society Sean Byrne, 1997-03 One of the key unanswered questions related to youth violence and tolerance is the effect of social diversity on daily experience By examining children s political imagery this project significantly expands existing work on troubled and neglected youth in Northern Ireland South Africa and the Middle East The current changing political context within Northern Ireland reflects that a process of peace building has begun and that integrated schooling is an important cornerstone of that process
