## **The Politics Of Love The Nt Non Violent Revolution:**

Jesus, Deliver Us Willard M. Swartley, 2019 Deliver us from the evil one is the heart's cry from the Lord's Prayer Evil wears many faces in our modern world This book connects the Lord's Prayer to troubles of our times be it attacks from Satan the wars around the world the scourge of racism or the mass shootings of our time The subtitle of the book identifies the scope This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government While the book aims to be a biblical theology on these topics it seeks also to address the praxis how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ's victory over Satan sin evil and death Love your enemy confronts evil with power to transform *Catalogue of Accessions* Dr. Williams's Library, 1955 *The Publishers' Trade List Annual*, 1977 **The Crucifixion of the Warrior God** Gregory A. Boyd, 2017-04-17 The Crucifixion of the Warrior God in an epic constructive investigation takes up the set of dramatic tensions between depictions of divinely sanctioned violence in Scripture and the message and life of peace of Jesus centering the New Testament Over two volumes author Gregory A Boyd argues that we must take seriously the full range of Scripture as inspired and the centrality of the crucified and risen Christ as the supreme revelation of God **General Catalogue of Printed Books** British Museum. Department of Printed Books, 1971 **Practising Resurrection** Cris Rogers, 2013-12-01 Does God bring resurrection or is God resurrection Does Jesus bring life or is Jesus life in its rawest form Jesus death was never about sin management but about the whole created order being restored and redeemed Jesus died 2 000 years ago but still today he invites us to join him in this mass resurrection project which involves following him to our death so that we might be resurrected in him The church was never intended to be a group of people meeting to worship but a living community of people all dying to themselves so that Jesus would be alive in them and that they would then bring life to others Practising Resurrection looks at how the resurrection of Christ is played out in the world everyday It is an encouragement and a hope that there is a redeeming power at work in the world today **Peace News for Nonviolent Revolution**, 1985 *Love That Does Justice* Thomas Lewis Schubeck, 2015-02-25 **A Revolutionary Jesus** Jesse P. Nickel, 2024 This book demonstrates that Jesus's rejection of violence and emphasis on peacemaking were central to the eschatological nature of his ministry of proclaiming and inaugurating the kingdom of God To follow Jesus's teaching and example is to completely disassociate violence from the character of both the kingdom and all who belong to it *The Science and Theology of Godly Love* Matthew T. Lee, Amos Yong, 2012-06-15 Arguing that there are ways to move beyond the limitations of methodological atheism without compromising scientific objectivity the essays gathered in *The Science and Theology of Godly Love* explore the potential for collaboration between social science and theology They do so within the context of the interdisciplinary study of Godly Love which examines the perceived experience of loving God being loved by

God and thereby being motivated to engage in selfless service to others This volume serves as an introduction to and a call for further research in this new field of study offering ten methodological perspectives on the study of Godly Love written by leading social scientists and theologians Drawing on the work of Douglas Porpora and others the contributors contend that agnosticism is the appropriate methodological stance when religious experience is under the microscope Godly Love does not force a theistic explanation on data instead these essays show that it sensitizes researchers so that they can take seriously the faith and beliefs of those they study without the assumption that these theologies represent an incontestable truth

**Subject Guide to Books in Print**, 1971      Towards a Non-violent Revolution Narayan Desai, 1972      **If Jesus Is Lord** Ronald J. Sider, 2019-07-16 What does Jesus have to say about violence just war and killing Does Jesus ever want his disciples to kill in order to resist evil and promote peace and justice This book by noted theologian and bestselling author Ronald J Sider provides a career capstone statement on biblical peacemaking Sider makes a strong case for the view that Jesus calls his disciples to love and never kill their enemies He explains that there are never only two options to kill or to do nothing in the face of tyranny and brutality There is always a third possibility vigorous nonviolent resistance If we believe that Jesus is Lord then we disobey him when we set aside what he taught about killing and ignore his command to love our enemies This thorough comprehensive treatment of a topic of perennial concern vigorously engages with the just war tradition and issues a challenge to all Christians especially evangelicals to engage in biblical peacemaking The book includes a foreword by Stanley Hauerwas      **Evangelical Dictionary of Theology** Walter A. Elwell, 1985 A thoroughly updated edition of this standard reference tool      New Testament for Everyone N. T. Wright, 2015-08-01 This set of six volumes gathers Tom Wright's commentaries on the Gospels from the For Everyone series Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions      **The New Testament and the People of God** N. T. Wright, 1992-01-01 Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world Original      *Being Missional, Becoming Missional* Banseok Cho, 2021-12-10 This book explores the theme of the missional conversion of the church namely how the church is transformed toward its missionary vocation from a biblical theological perspective The purpose of this book is to find biblically grounded theologically sound and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in God's mission today The biblical theological findings on how the triune God in the biblical narrative shapes the people of God toward their missionary

vocation demonstrates first that in Scripture the missional conversion of the church is primarily the consequence of its continuous encounter with the triune God and second that this divine human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of God in fulfilling the missionary vocation of the church on the one hand and the missional failure of the church in its missionary vocation on the other hand

Nickel, 2021-02-08 This study offers fresh insight into the place of non violence within Jesus ministry by examining it in the context of the eschatologically motivated revolutionary violence of Second Temple Judaism The book first explores the connection between violence and eschatology in key literary and historical sources from Second Temple Judaism The heart of the study then focuses on demonstrating the thematic centrality of Jesus opposition to such eschatological violence within the Synoptic presentations of his ministry arguing that a proper understanding of eschatology and violence together enables appreciation of the full significance of Jesus consistent disassociation of revolutionary violence from his words and deeds The book thus articulates an understanding of Jesus nonviolence that is firmly rooted in the historical context of Second Temple Judaism presenting a challenge to the seditious Jesus hypothesis the claim that the historical Jesus was sympathetic to revolutionary ideals Jesus rejection of violence ought to be understood as an integral component of his eschatological vision
