

The Politics Of Projects

Brian Irwin PMP, MSM

The Politics Of Projects:

Power and Politics in Project Management Jeffrey K. Pinto, 1996 The Politics of Projects Robert Block, 1983

The Politics of Projects Robert Block, Bob Block, 1983 *Project Politics* Nita A. Martin, 2016-04-08 The ability of individuals to work together to facilitate the delivery of a project can be a major factor in determining its success. By misinterpreting or even missing the signs of underlying political issues, a project manager will struggle to deliver projects successfully. Project Politics provides a framework for solving political concerns through the effective management of complex relationships. Nita Martin's structured approach will raise awareness and improve your ability to manage issues in the workplace. She shows that once you recognize the problems and take politics in your stride, you can successfully manage such environments. The first part of Project Politics presents theoretical concepts of human behaviour as a basis for structuring observations and understanding why people behave the way they do. The second follows the familiar project life cycle. Each project stage is considered in turn, and numerous case studies are presented with analyses that draw upon the concepts presented in Part I. Nita Martin uses psychology, influence, behaviour, and communication models, giving guidance on putting theory into practice and pointing out typical political situations throughout. For all management professionals who recognize the importance of politics in the workplace and wish to be armed with the tools to make a difference, Project Politics will provide the foundation.

Managing Politics and Conflict in Projects Brian Irwin PMP, MSM, 2008

Managing Politics and Conflict in Projects is an easy-to-read, no-nonsense guide that walks you through the soft issues of project management, including communicating, negotiating, and influencing skills that are vital to your project success. Understand your organization's political climate and culture and ascend the corporate ladder to the next level as a project manager. Learn how to deal with political issues requiring complex organizational and interpersonal skills using valuable review points, tips, and a fictional narrative illustrating the book's main points. Improve and develop your leadership, interpersonal, and communications skills. Negotiate your political environment. Acknowledge and overcome challenges inherent in project management. Enhance your career by effectively utilizing politics and conflict. Recognize and interpret the barriers of communication. Be prepared to enter into a negotiation. Overcome cultural challenges.

The politics of evaluation Taylor, David, Balloch, Susan, 2005-01-19

Evaluation has become a central tool in the development of contemporary social policy. Its widespread popularity is based on the need to provide evidence of the effectiveness of policies and programmes. This book sees evaluation as an inherently political activity as much about forms of governance as scientific practice. Using a wide range of examples from neighbourhood renewal, health, and social care, and other aspects of social policy, it relates practical issues in evaluation design to their political contexts. With contributions from leading academics and evaluation practitioners, the book considers key issues in the politics of evaluation, including governance and evaluation, participatory evaluation, partnerships, and evaluation and learning from evaluation. The politics of evaluation is important.

reading for academics social researchers policy makers service providers and professionals across the public services as well as professional evaluators It will be a valuable resource for students on a range of social science and professional courses and those concerned with recent developments in social research methodology

The Politics of Transdisciplinarity

Jeremias Herberg,Ulli Vilsmaier,2024-09-06 This book discusses collaborative research as both a product of social and epistemic control and as a process of dealing with it It offers fresh multi disciplinary perspectives on old questions that are gaining new urgency with the rise of participatory transdisciplinary and transformative research The volume addresses the complexity of collaborative research at the interface of science policy and society and sheds light on a common dilemma researchers and their collaborators tackling issues that require political and knowledge based control At the same time collaborative research that involves diverse publics is difficult to predict or regulate By examining the interplay of power and knowledge in these collaborations the book offers insights into how researchers navigate the dilemma of social and epistemic control This exploration is crucial for understanding the politics of transdisciplinarity Featuring contributions from various fields including transdisciplinary sustainability studies science and technology studies policy analysis participatory research and more the book discusses different methodologies practices theories and adaptations in response to the control dilemmas inherent in collaborative research to offer a deeper understanding of the nuanced relationship between power and knowledge within collaborative research The Politics of Transdisciplinarity will be a key resource for the reflexive researcher working with collaborative approaches at the interface of science policy and society It was originally published as a special issue of Social Epistemology

The Politics of Pork

Scott A. Frisch,2013-01-11 First Published in 1999 This study develops a new way of studying pork barrel politics based on congressional behavior in the 1980s and 1990s

The

Politics of Making Mark Swenarton,Igea Troiani,Helena Webster,2013-04-15 A unique collection of contemporary writings this book explores the politics involved in the making and experiencing of architecture and cities from a cross cultural and global perspective Taking a broad view of the word politics the essays address a range of questions including What is the relationship between politics and the making of space What role has theory played in reinforcing or resisting political power What are the political difficulties associated with working relationships Do the products of our making construct our identity or liberate us A timely volume focusing on an interdisciplinary debate on the politics of making this is valuable reading for all students professionals and academics interested or working in architectural theory

The Politics of Language

Education Charles Alderson,2009-02-27 Politics can be a very important influence on educational developments and their deployment However this volume is different from other volumes since it looks not at the macropolitics and the ideological agendas of nations and multinational or global organisations but rather focuses on micropolitics the agendas and motivations of individuals within organisations and on their actions Micropolitics can be seen as ways of manoeuvring within institutions which are themselves not political but commercial financial and educational Indeed politics with a small p includes not only

institutional politics but also personal politics which can influence language education both in daily matters and in projects for innovation and change The aim of this edited book is to begin a debate about the nature and role of micropolitics to contribute to a better understanding of language education change and resistance to change and the processes of language education

Japan and the Politics of Techno-globalism Gregory P. Corning, 2016-07-08 Techno globalism is the term used by policymakers to describe the process of opening government and Research and Development programs to foreign participation This book focuses on Japan s approach to techno globalism in particular the policies of the Ministry of International Trade and Industry MITI It also explores the politics underlying the approach to this issue in the triad of leading R D centers Japan the United States and the European Union The author examines various theoretical approaches to the political economy of globalization and he describes systems of innovation in Japan the United States and the European Union emphasizing research linkages among firms national labs and universities

The Politics of Western Water Stephen C. Sturgeon, 2022-12-06 As the Democratic congressman from Colorado s Fourth District from 1949 to 1973 Wayne Aspinall was an advocate of natural resource development in general and reclamation projects in particular A political loner considered crusty and abrasive he carved a national reputation by helping secure the passage of key water legislation in the process clashing with colleagues and environmentalists alike Fiercely protective of western Colorado s water supply Aspinall sought to secure prosperity for his district by protecting its share of Colorado River water through federal reclamation projects and he made this goal the centerpiece of his congressional career He became chair of the House Interior Committee in 1959 and ruled it with an iron fist for more than a dozen years a role that placed him in a key position to shape the nation s natural resource legislation at a time when the growing environmental movement was calling for a sharp change in policy This full length study of Aspinall s importance to reclamation in the West clarifies his role in influencing western water policy By focusing on Aspinall s congressional career Stephen Sturgeon provides a detailed account of the political machinations and personal foibles that shaped Aspinall s efforts to implement water reclamation legislation in support of Colorado s Western Slope along the way shedding new light on familiar water controversies Sturgeon meticulously traces the influences on Aspinall s thinking and the arc of his career examining the congressman s involvement in the Colorado River Storage Project bill and his clash with conservationists over the proposed Echo Park Dam recounting the fight over the Frying Pan Arkansas Project and his decision to support diverting water out of his own district and exploring the battles over the Central Arizona Project in which Aspinall fought not only environmentalists but also other members of Congress Finally he assesses the Aspinall legacy including the still disputed Animas La Plata Project and shows how his vision of progress shaped the history of western water development The Politics of Western Water portrays Aspinall in human terms not as a pork barrel politician but as a representative who believed he was protecting his constituents interests It is an insightful account of the political financial and personal variables that affect the course by which water resource legislation is conceived supported and

implemented a book that is essential to understanding the history and future of water in the West **Dams, Power, and the Politics of Ethiopia's Renaissance** Tom Lavers, 2024-10-01 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations After more than a decade of construction Ethiopia is filling the Grand Ethiopian Renaissance Dam GERD a controversial dam with the potential to transform the hydrology and politics of the Nile Basin The GERD is the culmination of a dam building boom carried out over three decades and a key pillar of the Ethiopian Peoples Revolutionary Democratic Front's EPRDF efforts to bring about an Ethiopian Renaissance Dams Power and the Politics of Ethiopia's Renaissance provides a detailed examination of the domestic and international political dynamics that shaped Ethiopia's dam building drawing on extensive primary research including more than a hundred interviews with politicians technocrats consultants and donors The authors reflect on the implications of Ethiopia's dam building for broader debates about the role of the state in late development the dynamics of twenty first century dam building and the political economy of renewable energy transitions A central argument of the book is that Ethiopia's dam building is symbolic of the successes and failures of the EPRDF's developmental state On the one hand this dam boom enhanced electricity generation capacity while constituting a key element of the state infrastructure investment that turned Ethiopia into one of the world's fastest growing economies In contrast a politically driven decision making process undermined electricity planning contributed to an unsustainable debt burden and ultimately failed to provide reliable electricity access to key users Following the EPRDF's collapse the subsequent Prosperity Party government has taken steps away from the state led development model of its predecessor while labouring towards the final completion of the GERD Oxford Studies in African Politics and International Relations is a series for scholars and students working on African politics and International Relations and related disciplines Volumes concentrate on contemporary developments in African political science political economy and International Relations such as electoral politics democratization decentralization gender and political representation the political impact of natural resources the dynamics and consequences of conflict comparative political thought and the nature of the continent's engagement with the East and West Comparative and mixed methods work is particularly encouraged Case studies are welcomed but should demonstrate the broader theoretical and empirical implications of the study and its wider relevance to contemporary debates The focus of the series is on sub Saharan Africa although proposals that explain how the region engages with North Africa and other parts of the world are of interest Series Editors Nic Cheeseman University of Birmingham Peace Medie University of Bristol and Ricardo Soares de Oliveira University of Oxford **The Politics of Public-Private Partnerships in Western Europe** Thomas Krumm, 2016-03-25 This comprehensive book provides a unique comparative policy analysis of public private partnerships PPPs in 14 Western European countries from Scandinavia to Greece bringing together important insights from government and politics as well as economics and institutional analysis

Thomas Krumm focuses on political drivers for policy change in favour of PPPs and the supportive and limiting socioeconomic and institutional conditions Using comparative data he charts key policies and actors involved in supporting collaboration between the State and private business organisations across Western Europe Students and scholars of public policy regulation and comparative politics among other disciplines will find this book to be useful in their research or teaching It will also be of substantial interest to PPP practitioners and other specialists in the subject **The Politics of**

Egalitarianism Jacqueline Solway,2006-03-01 The essays assembled in this book exemplify the way political anthropologists address a range of problems that deeply affect people throughout the world The authors draw their inspiration from the work of Canadian anthropologist Richard B Lee and like him they are concerned with understanding and acting upon issues of indigenous rights the impact of colonialism postcolonial state formation and neoliberalism on local communities and cultures the process of culture change what the history and politics of egalitarian societies reveal about issues of human nature or social evolution and how peoples in southern Africa are affected by and responding to the most recent crisis in their midst the spread of AIDS The authors in this volume discuss the state of a range of contemporary debates in the field that in various ways extend the political theoretical and empirical issues that have animated Lee s work In addition the book provides readers with important contemporary Kalahari studies as well as classic works on foraging societies **The**

Politics of Housing in (Post-)Colonial Africa Kirsten Rüther,Martina Barker-Ciganikova,Daniela Waldburger,Carl-Philipp Bodenstein,2020-06-08 Housing matters no matter when or where This volume of collected essays on housing in colonial and postcolonial Africa seeks to elaborate the how and the why Housing is much more than a living everyday practice It unfolds in its disparate dimensions of time space and agency Context dependent it acquires diverse often ambivalent meanings Housing can be a promise an unfulfilled dream a tool of self and class assertion a negotiation process or a means to achieve other ends Our focus lies in analyzing housing in its multifacetedness be it a lens to offer insights into complex processes that shape societies be it a tool of empire to exercise control over private relations of inhabitants or be it a means to create good obedient and productive citizens Contributions to this volume range from the field of history to architecture and urban planning African Studies linguistics and literature The individual case studies home in on specific aspects and dimensions of housing and seek to bring them into dialogue with each other By doing so the volume aims to add to the vibrant academic debate on studying urban practices and their significance for current social change **The Politics of Development**

Co-operation Lisa Aubrey,2002-11-01 First Published in 2004 The Politics of Development Cooperation interrogates the politics of interorganizational development cooperation examining issues of power autonomy and dependence Focusing on Kenya and in particular on Maendeleo Ya Wanawake MYWO the largest national women s organization and its partners in its relational environment this book probes the relationships between foreign donors grassroots development organizations and governments Aubrey examines whether it is possible for the North and the developing world to be engaged in genuine

development partnerships the influence resource contributions financial and technical have on agenda formulation and compromises and whether organizations such as MYWO are truly NGOs as they claim to be or whether they remain an extension of the state exploited by patriarchal party politics Gender is central to the analysis of this book with issues reflecting and reintroducing the politics of unequal resources in development cooperative partnerships Differences in status among women are also systematically examined because the politics of development affect elite and grassroots women differently

The Politics of Energy G. Bruce Doern, Glen Toner, 2019-06-26 Originally published in 1985 This in depth analysis of federal energy policy and politics in the oil and gas sector critically evaluates the National Energy Program one of the most controversial and wide ranging policy initiatives in Canadian history an import case study Bridging Canadian politics and public policy the book gives an historical overview of the development of energy policy since 1945 examining the shifts in the balance of power between public and private energy interests It presents the NEP's positive and negative impacts on energy policy and the nature of political power

The Politics of Greed Andrew Harrison Schwartz, 2006-10-12 With the dissolution of the Soviet Empire it seemed that market capitalism had triumphed and that democracy might replace authoritarian regimes Economic reformers in the former Eastern Bloc rushed to liberalize prices and transfer state assets to private hands They assumed that private owners in a market setting would have no choice but to behave rationally_ that is to invest in restructuring privatized enterprises so as to maximize profits They also assumed that these owners would perceive a stable institutional environment as conducive to economic success and thus become a powerful lobby in favor of the rule of law paving the way for democracy The post communist reality turned out to be very different Private owners found that in a weak state with limited laws and regulations and ineffective corporate governance structures it was more lucrative to steal enterprise assets and exploit opportunities for arbitrage than to restructure enterprises The lesson learned is that not all forms of private ownership are the same As this book's in depth political history of privatization in Central and Eastern Europe demonstrates the way that assets are privatized matters both with respect to national economic performance and the successful development of the rule of law Andrew Harrison Schwartz had unprecedented access to high level Czech government officials during the Czech Republic's privatization process This book is the result of the unique insights he gained and the innovative analytical framework he subsequently developed_ ownership regime theory_ which for the first time places ownership structures at the center of political transition analysis Engaging and important The Politics of Greed applies ownership regime theory to a broad range of post communist privatization cases including those of the Czech Republic Poland Hungary Russia and Ukraine

The Politics of Swidden farming Debojyoti Das, 2018-09-28 The Politics of Swidden Farming offers a new explanation for the changes taking place in swidden farming practised in the highlands of eastern India through an ethnographic case study The book traces the story of agroecological change and state intervention to colonial times and helps understand contemporary agrarian change by contextualizing farming not just in terms of the science and

technology of agriculture or conservation and biodiversity but also in terms of technologies of rule The Politics of Swidden Farming adds a new dimension to the underdeveloped literature on shifting cultivation in South Asia by focusing on the social ecology of farming and agrarian change in the hills It provides a comparative viewpoint to state centred and donor driven development in the frontier region by bringing in different actors and institutions that become the actants and agents of social change

The Politics Of Projects Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Politics Of Projects has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Politics Of Projects has opened up a world of possibilities. Downloading The Politics Of Projects provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Politics Of Projects has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Politics Of Projects. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Politics Of Projects. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Politics Of Projects, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Politics Of Projects has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Politics Of Projects Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Politics Of Projects is one of the best book in our library for free trial. We provide copy of The Politics Of Projects in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Politics Of Projects. Where to download The Politics Of Projects online for free? Are you looking for The Politics Of Projects PDF? This is definitely going to save you time and cash in something you should think about.
