

The Politics Of Recession

Vassilis Fouskas

The Politics Of Recession:

The Politics of Recession Maurice Mullard, 2011-01-01 This timely book utilizes the tools of politics economics and public policy to explore the causes of the recent global financial crisis which the author argues can be explained as the absence of a public interest perspective in policy making Maurice Mullard points out that recessions are not collective shared experiences Recessions create winners and losers Furthermore recessions are not an external event but reflect the outcomes of the policy process The author looks beyond economic explanations for the economic crisis and instead points towards a structural explanation He explores the concept of social structures the effects of the relationships between power and influence and the role of ideology and income inequalities as contributory factors The commitment to deregulated financial markets created an over the counter derivatives market worth some 640 trillion dollars compared to a global GDP worth 65 trillion dollars The growth of derivatives markets the role of credit rating agencies major shifts in policy making and growing income inequalities are described as major factors explaining the present economic recession The absence of a public interest perspective the breakdown of trust in institutions policy makers dependence on financial contributions the housing bubble and the increased concentration of income have distorted the democratic process Thought provoking and stimulating this book will provide a fascinating study for students and academics with an interest in politics economics political economy and public policy

The Politics of Recession R. W. Johnson, Richard William Johnson, 1985 **The Politics of Recession** Richard William Johnson, 1985 *Politics in the New Hard Times* Miles Kahler, David A. Lake, 2013-04-02 The Great Recession and its aftershocks including the Eurozone banking and debt crisis add up to the worst global economic crisis since the Great Depression of the 1930s Although economic explanations for the Great Recession have proliferated the political causes and consequences of the crisis have received less systematic attention Politics in the New Hard Times is the first book to focus on the Great Recession as a political crisis one with both political sources and political consequences The authors examine variation in crises over time and across countries rather than treating these events as undifferentiated shocks Chapters also explore how crisis has forced the redefinition and reinforcement of interests at the level of individual attitudes and in national political coalitions Throughout the authors stress that the Great Recession is only the latest in a long history of international economic crises with significant political effects and that it is unlikely to be the last Contributors Suzanne Berger MIT J Lawrence Broz University of California San Diego Peter Cowhey University of California San Diego Peter A Gourevitch University of California San Diego Stephan Haggard University of California San Diego Peter A Hall Harvard University Miles Kahler University of California San Diego Peter J Katzenstein Cornell University Ikuo Kume Waseda University David A Lake University of California San Diego Megumi Naoi University of California San Diego Stephen C Nelson Northwestern University Pablo Pinto Columbia University James Shinn Princeton University **The Political Economy: Readings in the Politics and Economics of American Public Policy** Thomas Ferguson, Joel

Rogers,2021-02-14 The Political Economy is ideally suited as a supplementary text for courses in American government and politics policy studies business government relations and economic issues and policy making It integrates selections from the very finest new and classical works of political and economic analysis by distinguished scholars into a comprehensive overview of the American political system **The Spectre at the Feast** Andrew Gamble,2019-10-10 After a long feast of prosperity in the western world the crisis in the financial markets has conjured up an old spectre the spectre of capitalist crisis which many thought had been finally exorcised On past experience a full blown capitalist crisis would bring with it the threat of slump collapse polarisation conflict and even war spreading to all parts of the global economy hence the great efforts being made to contain the present downturn This important new book by a leading authority sets the financial crisis of 2007 8 in historical context and assesses its global consequences how far it might go and what is to be done *The Politics of International Political Economy* Vassilis Fouskas,2014-08-13 This timely book will explain via a number of thematic and case studies that international economics is not an independent terrain of economic activity reproducing itself throughout history but a complex articulation of social political and culturally determined actions that are inextricably linked Chapters will address the role of dominant global powers in the making of global industrial and monetary relations and in particular ways in which and the degrees to which dominant economic and military powers such as the USA tend to shape the domestic economic environments of lesser powers after their own image Supplementing the chapters will be a comprehensive A Z glossary section which will include key International Political Economy terms e g international debt European free trade area International Bank for Reconstruction and Development IMF GATT WTO Foreign exchange fixed exchange rates floating exchange rates reserve currency gold dollar parity multinational corporation preferential trade agreement hedge funds etc Entries will be cross referenced for ease of use This book will be ideal for researchers and students in the areas of politics international relations and international economics as well as for academics economists business people and those with an interest in the workings of international political economy **The Politics of Austerity** Michael Burton,2016-10-12 This book considers the relationship between public spending and public deficit and the varying successes and difficulties governments have had in recent years to balance the two As the fiscal crash of 2007 8 turned into the Great Recession and tax revenues tumbled public finances across the UK the USA and Europe plunged into deficit Controversial attempts by governments to balance their budgets commonly described as austerity by critics had mixed success politically and economically Michael Burton outlines how politicians tackled the worst economic downturn in over half a century drawing on previous examples of deficit reduction to see how governments managed public finances in recessions and where austerity worked and where it failed This two part book which for the first time provides an historical context to austerity analyses firstly deficit reduction in the UK in the 1970s 1980s 1990s and 2010 2016 and then looks at case studies in Europe the USA Canada and Asia Pacific The author concludes that with the ageing population placing greater pressure through health and

pensions on the public finances of the developed world politicians and their electorates will have to learn to live long term with austerity

The Politics of Military Rule in Brazil, 1964-1985 Thomas E. Skidmore, 1990-03-08 The largest and most important country in Latin America Brazil was the first to succumb to the military coups that struck that region in the 1960s and the early 1970s In this authoritative study Thomas E Skidmore one of America s leading experts on Latin America and in particular on Brazil offers the first analysis of more than two decades of military rule from the overthrow of Jo o Goulart in 1964 to the return of democratic civilian government in 1985 with the presidency of Jos Sarney A sequel to Skidmore s highly acclaimed *Politics in Brazil 1930-1964* this volume explores the military rule in depth Why did the military depose Goulart What kind of economic miracle did their technocrats fashion Why did General Costa e Silva s attempts to humanize the Revolution fail only to be followed by the most repressive regime of the period What led Generals Geisel and Golbery to launch the liberalization that led to abertura What role did the Brazilian Catholic Church the most innovative in the Americas play How did the military government respond in the early 1980s to galloping inflation and an unpayable foreign debt Skidmore concludes by examining the early Sarney presidency and the clues it may offer for the future Will democratic governments be able to meet the demands of urban workers and landless peasants while maintaining economic growth and international competitiveness Can Brazil at the same time control inflation and service the largest debt in the developing world Will its political institutions be able to represent effectively an electorate now three times larger than in 1964 What role will the military play in the future In recent years many Third World nations Argentina the Philippines and Uruguay among others have moved from repressive military regimes to democratic civilian governments Skidmore s study provides insight into the nature of this transition in Brazil and what it may tell about the fate of democracy in the Third World

The Politics of Problem Definition David A. Rochefort, Roger W. Cobb, 1994 At the nexus of politics and policy development lies persistent conflict over where problems come from what they signify and based on the answers to those questions what kinds of solutions should be sought Policy researchers call this process problem definition Written for both scholars and students this book explains how and why social issues come to be defined in different ways how these definitions are expressed in the world of politics and what consequences these definitions have for government action and agenda setting dynamics The authors demonstrate in two theoretical chapters and seven provocative case studies how problem definition affects policymaking for high profile social issues like AIDS drugs and sexual harassment as well as for problems like traffic congestion plant closings agricultural tax benefits and air transportation By examining the way social problems are framed for political discussion the authors illuminate the unique impact of beliefs values ideas and language on the public policymaking process and its outcomes In so doing they establish a common vocabulary for the study of problem definition review and critique the insights of existing work on the topic and identify directions for future research

The Office for Budget Responsibility and the Politics of Technocratic Economic Governance Ben Clift, 2023-02-12 The Office for Budget

Responsibility and the Politics of Technocratic Economic Governance is about the politics of economic ideas and technocratic economic governance. It is also a book about the changing political economy of British capitalism's relationship to the European and wider global economies. It focuses on the creation in 2010 and subsequent operation of the independent body created to oversee fiscal rectitude in Britain, the Office for Budget Responsibility (OBR). More broadly, it analyses the politics of economic management of the UK's uncertain trajectory and of British capitalism's restructuring in the 2010s and 2020s in the face of the upheavals of the global financial crisis (GFC), Brexit, and COVID. A focus on the intersection between expert economic opinion of the OBR as UK's fiscal watchdog and the political economy of British capitalism's evolution through and after Brexit animates a framework for analysing the politics of technocratic economic governance. The technocratic vision of independent fiscal councils fails to grasp a core political economy insight that economic knowledge and narratives are political and social constructs. The book unpacks the competing constructions of economic reason that underpin models of British capitalism and through that inform expert economic assessment of the UK economy. It also underlines how contestable political economic assumptions undergird visions of Britain's international economic relations. These were all brought to the fore in economic policy debates about Britain's place in the world which in the 2010s centred on Brexit. This book analyses OBR forecasting and fiscal oversight in that broader political context rather than as a narrowly technical pursuit.

Mass Politics in Tough Times Nancy Bermeo, Larry Bartels, 2014. In *Mass Politics in Tough Times*, the eminent political scientists Larry Bartels and Nancy Bermeo have gathered a group of leading scholars to analyze the political responses to the Great Recession in the US, Western Europe, and East Central Europe.

The Politics of Energy G. Bruce Doern, Glen Toner, 2019-06-26. Originally published in 1985, this in-depth analysis of federal energy policy and politics in the oil and gas sector critically evaluates the National Energy Program, one of the most controversial and wide-ranging policy initiatives in Canadian history. An important case study bridging Canadian politics and public policy, the book gives an historical overview of the development of energy policy since 1945, examining the shifts in the balance of power between public and private energy interests. It presents the NEP's positive and negative impacts on energy policy and the nature of political power.

The Politics of Public Expenditure Maurice Mullard, 2005-08-09. The question of public expenditure has proved to be one of the perennial problems for British Governments. Given forecasts of low growth and record levels of unemployment, the present Government could be faced with dilemmas of greater magnitude than ever. This new edition of Maurice Mullard's book has been carefully revised to provide students with an accessible text. It is principally concerned with explaining the political contexts in which public expenditure decisions have had to be made over the last twenty years. It examines the way in which Governments make choices according to public pressure and the fact that bargains and compromises have to be made in order to maintain political credibility. Maurice Mullard provides examples of the way in which Government policy and individual expenditure programmes have been shaped according to the political climate. The

text combines theoretical frameworks with policy analysis This edition contains new chapters on Conservative and Labour politics and a section on John Major's government The Politics of Millennials Stella M. Rouse, Ashley D Ross, 2018-08-09 Today the Millennial generation the cohort born from the early 1980s to the late 1990s is the largest generation in the United States It exceeds one quarter of the population and is the most diverse generation in U S history Millennials grew up experiencing September 11 the global proliferation of the Internet and of smart phones and the worst economic recession since the Great Depression of the 1930s Their young adulthood has been marked by rates of unemployment and underemployment surpassing those of their parents and grandparents making them the first generation in the modern era to have higher rates of poverty than their predecessors at the same age The Politics of Millennials explores the factors that shape the Millennial generation's unique political identity how this identity conditions political choices and how this cohort's diversity informs political attitudes and beliefs Few scholars have empirically identified and studied the political attitudes and policy preferences of Millennials despite the size and influence of this generation This book explores politics from a generational perspective first and then combines this with other group identities that include race and ethnicity to bring a new perspective to how we examine identity politics **The Politics of Inflation and Economic Stagnation** Leon Lindberg, Charles S. Maier, 1985-06-01 The inflation of the 1970s represented the greatest peacetime disruption of the Western economies since the Depression Even as inflation receded the recession in its wake brought more joblessness than at any time since the 1930s The governments of industrialized nations found that the economic policies they had developed since World War II no longer assured price stability or high employment What are the lessons of over a decade of economic difficulty In this conference volume which focuses on aspects of the crisis that economists often presuppose to be beyond control the authors analyze the political and social underpinning of inflation and recession Part 1 places the economic problems of the 1970s in the historical context of postwar development and then compares economic and political science analyses of inflation Part 2 examines how rivalries between social groups affect inflationary processes One chapter draws on the history of Latin American inflation to suggest the conflicts in play Two others weigh the role of labor and industry in the formation of economic policy And another shows how rivalry between countries like rivalry between classes at home permitted inflation to rise The chapters in part 3 contest the claim that big government or big labor causes inflation Two studies emphasize that a high degree of public expenditure does not itself lead to inflation Further contributions explore the role of central banks and subject such concepts as the political business cycle to critical analysis Part 4 comprises case studies about macroeconomic policymaking in four nations Italy Germany Japan and Sweden The studies reveal what institutional attributes rendered those countries resistant to inflation or vulnerable to economic setback In the last part the editors pull together the findings and lay out the contemporary political feasibility of alternative approaches to macroeconomic management The Politics of Reform in Ghana, 1982-1991 Jeffrey Herbst, 2023-04-28 Economic reform

was the most pressing question for African and other Third World countries during the 1980s In this first full length examination of the political economy of adjustment in Ghana Jeffrey Herbst describes the causes of Ghana s dramatic economic decline and reviews the politics of reform that began in 1983 Since Ghana was one of the first African countries to adopt a comprehensive reform program and the one that has sustained adjustment longest the Ghanaian experience has profound ramifications for debates regarding stabilization and structural change across the continent Herbst devotes special attention to the interaction between the type of government and the politics of adjustment the reaction of interest groups such as urban labor and the peasantry and the relationship between economic and political change His extended field research and sophisticated knowledge of the issues involved both from the economic and political science literature make this study of importance not only to Africanists political scientists economists and sociologists but also to government and financial leaders wrestling with economic reform in developing countries This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 The Politics of Africa's Economic Stagnation Richard Sandbrook, Judith Barker, 1985-11-29 Study of economic development politics and steady state economy in Africa discusses the disappointments of independence democracy and the economic recession explains the failure of capitalism and the post colonialism economic implications looks at political systems and the negative impact of personal rule political leadership in institutional framework the economy incl Black market and defence dependence presents prospects and recommendations Bibliography map statistical tables **The Politics of Economic Leadership** B. Dan Wood, 2021-02-09 The American president is widely viewed by the public and media as the nation s single most influential political and economic figure But social scientists have often concluded that presidential words fall on deaf ears or have little lasting impact on policy or public opinion Then why did Bill Clinton make 12 798 public references to the economy during his eight years in office compared with Harry Truman s mere 2 124 during his own two terms Why George W Bush s 3 351 remarks during his first term Did all these words matter The Politics of Economic Leadership is the first comprehensive effort to examine when why and how presidents talk about the economy as well as whether the president s economic rhetoric matters It demonstrates conclusively that such presidential words do matter Using an unprecedented compendium of every known unique statement by U S presidents about the economy from World War II through the first George W Bush administration Dan Wood measures the relative intensity and optimism of presidents economic rhetoric His pathbreaking statistical analysis shows that presidential words can affect everything from approval of the president s job performance to perceptions of economic news consumer confidence consumer behavior business investment and interest rates The impacts are both immediate and gradual Ultimately Wood concludes rhetoric is indeed a tool of presidential

leadership that can be used unilaterally to affect a range of political and economic outcomes The politics of old age
Martha Doyle, 2015-02-01 The politics of old age in the twenty first century is contentious encompassing ideological debates about the rights and welfare entitlements of individuals in later life An important aspect is the manner in which older people and their representative groups are given the opportunity to articulate their interests in the policy making process Drawing upon key literature in political science social gerontology and cultural sociology The politics of old age explores the relationship between ageing politics and representation It reveals the complexity of older people s representation and how the power the organisations exercise their legitimacy and existence remain highly contingent on government policy design political opportunity structures and the prevailing cultural and socioeconomic milieu This book is essential reading for policymakers and organisations interested in ageing policy and the political process and for students of ageing social policy and political sociology

The Politics Of Recession Introduction

The Politics Of Recession Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Politics Of Recession Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Politics Of Recession : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Politics Of Recession : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Politics Of Recession Offers a diverse range of free eBooks across various genres. The Politics Of Recession Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Politics Of Recession Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Politics Of Recession, especially related to The Politics Of Recession, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Politics Of Recession, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Politics Of Recession books or magazines might include. Look for these in online stores or libraries. Remember that while The Politics Of Recession, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Politics Of Recession eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Politics Of Recession full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Politics Of Recession eBooks, including some popular titles.

FAQs About The Politics Of Recession Books

What is a The Politics Of Recession PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Politics Of Recession PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Politics Of Recession PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Politics Of Recession PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Politics Of Recession PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
