Thoughtful very readable We have been lucky lucky lucky to have him The Times Pithy and amusing Sunday Times David Dimbleby has interviewed prime ministers and presidents made award winning documentaries chaired Question Time for 25 years and anchored the BBC s live coverage of historic national and world events KEEP TALKING is David s wry look at his own extraordinary career and the people events and controversies he has encountered along the way As a broadcaster for the BBC David had an obligation to appear a neutral observer Now finally off the leash he writes without inhibition but with his characteristic wit clarity and insight about monarchy politics and the state of Britain His book is enlivened with honest

accounts of broadcasting from the inside from commentating on Diana's funeral to anchoring ten successive General Election night results programmes The faux pas the secrets of the craft and what he was really thinking are shared for the first time He reveals his own battles with politicians queries the purpose and effect of political interviews and considers the power of broadcasting through programmes such as Question Time to explore and amplify the public voice Whilst profoundly British the book ranges wider in particular reflecting David's time in many countries including Southern Africa and the United States David has been there for us at nearly every major national event of the last fifty years Serious outspoken and leavened with humour KEEP TALKING reveals how David has seen it all and is now telling it as he sees it
