The Population Explosion A Christian Concern:

The Population Explosion Arthur McCormack, 1973 The Population Explosion and Christian Responsibility Richard Martin Fagley, 1960 **Final Report: Proceedings of Public Forum 2**, 1978 *Economic and Ecotheological Responses to Laudato Si'* John Capper, 2016-12-31 The journal is a scholarly ecumenical and interdisciplinary publication aiming to serve the church and its mission promoting a broad based interpretation of Christian theology within a trinitarian context encouraging dialogue between Christianity and other faiths and exploring the interface between faith and culture It is published in English for an international audience The White House Conference on Balanced National Growth & Economic Development, 1978 **Final Report, July 1978**, 1978 **Human Ecology - a Christian Concern** Stanley George Browne, 1972 Establishing a Commission on Population Growth, and Related Matters United States. Congress. House. Committee on Government Operations. Executive and Legislative Reorganization Subcommittee, 1970

Establishing a Commission of Population Growth, and Related Matters United States. Congress. House. Government Operations, 1970 Population Crisis United States. Congress. Senate. Committee on Government Operations. Subcommittee on Foreign Aid Expenditures, 1966 **Good Sex, Second Edition** Martin J. Buss, Nickie M. Stipe, 2023-04-13 During the biblical period society in a large part of the world including that of the Bible gave priority to males over females The Bible thus gives instruction about how to live in such a society But the Hebrew part of the Bible which Christians call the Old Testament said that this condition was part of a punishment for disobeying God in the first time period Later when the Christian New Testament was produced Jesus announced that a new much better world is in the process of beginning In this new world there is one inclusive principle of a good life namely love His follower Paul then stated specifically that in the new reality the sexes are equal In sexual relations spouses would need to accommodate each other on an equal basis as an expression of love That is the one basic rule He left further details open although there are useful guides that describe attitudes The present work will discuss specific guides but no firm ones for sexual partners beyond mutual accommodation

Population Problems and Catholic Responsibility L.H. Janssen, 1975-07-31 Since the time of Malthus population has been a favourite subject for debate but it is only during the past few decades that the full implications have begun to be generally understood among policy makers This change in attitude which still has a long way to go has apparently been precipitated on one hand by the development efforts of the Third World countries over the past two decades and on the other by the stark reality of the unprecedented high rates of population growth recorded in many developing countries over the same period This population expansion while it has been compared to earlier population growth in Europe is of a vastly different nature and has quite different implications At the height of population growth in the Western European countries the rate of increase was well below 2 % per annum and much closer to 1.5 % This is in vivid contrast to the situation in the less developed countries today where population growth rates tend to range from over 2% to 3.5% or even more A major implication of this

population expansion is its effects on development efforts **On Moral Medicine** M. Therese Lysaught, Joseph Kotva, Stephen E. Lammers, 2012-07-20 In print for more than two decades *On Moral Medicine* remains the definitive anthology for Christian theological reflection on medical ethics This third edition updates and expands the earlier awardwinning volumes providing classrooms and individuals alike with one of the finest available resources for ethics engaged modern medicine **Proceedings of Public Forum 2** ,1978 Judgment Day Paul Collins, 2014-07-30 In Defense of Doctrine Rhyne R. Putman, 2015-06-01 In *Defense of Doctrine* is an apologetic for the ongoing constructive theological task in Protestant and Evangelical traditions It suggests that doctrinal development can be explained as a hermeneutical phenomenon and that insights from hermeneutical philosophy and the philosophy of language can aid theologians in constructing explanatory theses for particular theological problems associated with the facts of doctrinal development Joining the recent call to theological interpretation of Scripture Putman provides a constructive model that forwards a descriptive and normative pattern for reading Scripture and theological tradition together **Establish a Commission on Population Growth and the American Future** United States. Congress. Senate. Government Operations, 1969 Issues Facing Christians Today Dr. John R.W. Stott, John Wyatt, 2011-04-19 Terrorism Same sex marriage Debt cancellation The AIDS pandemic These are just some of the critical contemporary issues addressed in this book *Issues Facing Christians Today* helps thinking Christians sift through and respond to a sweeping array of complex and pressing topics Thoroughly revised and updated by Roy McCloughry and fully endorsed by John Stott this fourth edition continues a two decades plus legacy of bringing important current issues under the lens of biblically informed thinking Combining a keen global awareness with a gift for penetrating analysis the authors examine such vital topics as Pluralism and Christian witness Cohabitation environmentalism and ecological stewardship War and peace Abortion and euthanasia And much more An entirely new chapter on bio engineering has been contributed by Professor John Wyatt of University College London Including a study guide *Issues Facing Christians Today* is essential reading for Christians who wish to engage our culture with insight passion and faith knowing that the gospel is as relevant and deeply needed today as at any time in history As the culture wars continue this book will remain a critical contribution helping to define Christian social and ethical thinking in the years ahead *Hearings, Reports and Prints of the Senate Committee on Government Operations* United States. Congress. Senate. Committee on Government Operations, 1966 **Family Planning and Population Research, 1970, Hearings Before the Subcommittee on Health...91-1 and 2, on S. 2108 and 3219, Dec. 8, 9, 1969; and Feb. 19, 1970** United States.
