**The River Dove; with Some Quiet Thoughts of the Happy Practice of Angling, Near to the Seat of Mr. Charles Cotton, at Beresford Hall, Staffordshire. [The Address to the Reader Signed: J. L. A., I.e. John L. Anderdon.]** J. L. A.,John Lavicount Anderdon,1845 *Samyama: The Power of Self Transformation (Yoga the Sacred Science Book 3)* Swami Rama,2024-06-01 Samyama the Power of Self Transformation is the third and final volume of Yoga the Sacred Science a series based on Swami Rama's comments on Patanjali's Yoga Sutras and other aspects of yoga science and philosophy

Samyama represents the culmination of the sacred inner journey to the center of consciousness that resides in every human being. The main theme as can be induced from the title is power. This is not a novel that can be read hurriedly from cover to cover as you will soon realize. It requires several slow readings to appreciate and savor the beauty of yoga science and how to apply it in daily life to access one's personal power and inner knowledge. Anyone who has tried to study the Yoga Sutras without a guide can attest to how difficult it is to understand them. Within the text, Swamiji mentions that even after studying the Yoga Sutras many times in his youth, he did not understand them until he was taught by authentic yoga masters. Swamiji has shared the precious knowledge he was given to assist those who are sincerely on the spiritual path to more easily understand the sutras and especially their practical aspects. Hopefully, this volume will serve to clarify the true meaning of the Yoga Sutras and will serve as a guide to those persons who have the courage to embark on the sacred journey of self-transformation to reach its limitless and unfathomable goal of the highest state of consciousness. The final reality is silence.

**Don't Be Negative** Baldev Bhatia, 2018-07-23

ABOUT THE BOOK Don't Be Negative Negativity Will Destroy You is a very useful and interesting book specially written for those who tend to be negative and worry a lot in life. They often suffer from depression and negativity due to unnecessary worries which surround their minds and does not allow them to find happiness in their lives. The feeling of happiness or sadness is within us. Yes, negativities can surely destroy you. The only way out is to be careful, bold, and be strong. It is said that worry is purely our own matter. Though it has got something to do with our external circumstances, but there are certainly some positive factors within us that keep us happy, and there is something negative within us also which keeps us unhappy. Happy living through positive and good thoughts is nothing more than that of living a normal life free from undue pressures, problems, and tensions. If we want to live a good and happy life, then we need to get rid of the negativity within us which makes us unhappy. Negative approach always complicates the problems and increases unhappiness. Most of us do the fatal mistake of looking outwards for happiness rather than looking inwards. Be positive, be strong, be bold, and be courageous; you are sure to find the feeling of happiness within you.
