The Power Of Faith For Todays Christian

Michael E. Pohlman

The Power Of Faith For Today's Christian:

The Power of Mentality Francis Leye, 2010-11-24 Mentality is a God given tool for learning understand imagination creativity thinking and a fertile ground for God's Word Thinking affects spiritual life Everything we think and do have spiritual significances on life It's for all those who want to know the right thing God wants them to do about everything in their lives It is for everyone *Faith in Christ Today Invitation to Systematic Theology* Klaus Nurnberger, 2016-06-29 In Volume I the author analyses the Word of God and the response of the Christian community in a lucid and accessible way In this second volume he interprets the classical assertions of the Christian faith in terms of God's creative and redemptive project in the world of today His experiential approach is meant to restore the credibility vibrancy and relevance of faith in Christ for our times *Christian Faith for Men of Today* Ezra Albert Cook, 1913 *Broadcasting the Faith* Michael E. Pohlman, 2021-02-02 Broadcasting the Faith tells the riveting story of the American church's embrace of radio in the early decades of the twentieth century By investigating major radio personalities like Walter Maier Aimee Semple McPherson Harry Emerson Fosdick and Charles Fuller this study considers the implications for theology in America when Christianity moved to the airwaves In the heyday of radio religious radio preachers sought to use their programs to counter the secularization of American culture Ultimately however their programs contributed to secularization by accelerating changes already evident in both the conservative and liberal streams of American Christianity To reach a vast American audience radio preachers transformed their sectarian messages into a religion more suitable to the masses thereby altering the very religion it aimed to preserve To make religion accessible to large and diverse audiences radio preachers accommodated their messages in ways suited to the medium of radio Although religious radio preachers set forth to advance the influence of religion in American society their choice to limit theological substance ironically promoted the secularization of the American church Witnessing to Christ Today Daryl M. Balia, Kirsteen Kim, 2010 The Centenary of the World Missionary Conference held in Edinburgh in 1910 is a suggestive moment for many people seeking direction for Christian mission in the twenty first century Since 2005 an international group has worked collaboratively to develop an intercontinental and multid denominational project now known as Edinburgh 2010 and based at New College University of Edinburgh Essential to the work of the Edinburgh 1910 Conference and of abiding value were the findings of the eight think tanks or commissions These inspired the idea of a new round of collaborative reflection on Christian mission but now focused on nine themes identified as being key to mission in the twenty first century The study process is intended to contribute from a research perspective to the aim of Edinburgh 2010 witnessing together to Christ in the twenty first century and to the development of a new vision in terms of God's purposes for creation in Christ and a renewed spirituality and mission ethos in the life of churches worldwide Witnessing to Christ Today contains a summary of what has been achieved through the study process up to the end of 2009 and forms the preparatory volume for the centenary conference to be held in Edinburgh on 2-6 June 2010

There the material will be subjected to rigorous critique from various transversal perspectives and engaged with by church and mission delegates from around the world

Jesus Christ Today Stuart G. Hall, 2009-02-26 Jesus of Nazareth is a perennial subject of interest and one of the most influential people that ever lived The religious movement which flowed from him produced the Christian Church in all its various manifestations Christian believers have in common a regard for Jesus as Lord and God in some way a bodily appearance revealing the Father of the universe Christian thinkers down the centuries have continually tried to define and explain who Jesus was and is This book draws together some of the best modern thinking about the biblical evidence the beliefs of the first few centuries when orthodoxy was being defined the past two centuries when churchmen have responded to the challenge of modern rationalism and some of the reactions to Jesus in the world wide spread of modern Christianity and in Islam It concludes with an attempt at a simple formula which might provoke and sustain faith in Jesus Christ in the most recent intellectual environment

Confessing the Faith Today Allan Janssen, 2016-11-30 With the understanding that confession is a witness to the gospel Confessing the Faith Today investigates how a sixteenth century Reformation confession the Belgic Confession can assist contemporary Christians testify to the truth of Gods gracious turn toward creation and do so in the context of the twenty first century s competing claims A close examination of the internal coherence of the Belgic Confession along with an exploration of how that confession might engage contemporary life offers fresh insight into how Christians might articulate what is at stake in the gospel Janssen encourages the church to enter a conversation with the forebears of the faith acknowledging the historical nature of not only the confession but of God s involvement in all creation

What Should Philosophy Do? Steven Yates, 2021-07-12 Philosophy as an academic discipline has fallen on hard times Its practitioners might retort that never have there been so many books articles blogs etc But quantity is not quality and while philosophers are graduating with PhDs few are finding adequate employment and this is just the most visible problem The question What Should Philosophy Do is going begging and the social justice warriors have tried to transform it into one of their political platforms right along with the rest of the liberal arts or humanities In this book

philosopher Steven Yates revisits the question anew and comes up with a fresh perspective He argues that philosophy is not a mere academic discipline that it has a job to do in civilization that transcends its academic niche He argues that philosophy should identify clarify and evaluate worldviews noting their contributions noticed as such or not to the conversations of civilization examining their capacity to solve problems their consistency and their overall adequacy in helping us live Yates concludes that we should revisit the Christian worldview and perhaps other worldviews as part of an intellectual move towards a philosophical pluralism that emphasizes the freedom and intrinsic value of persons and could provide an alternative to the technocratic world order towards which we are presently heading at breakneck pace Twelve Steps In Christ Ron Hordyk,2017-01-13 Understanding the Biblical principles that enable people to overcome habitual sin and addiction Keywords Victory Freedom Holiness Addiction Overcoming Addiction 12 Steps Sin Bondage Suicide *Current Literature* ,1910 **Current Opinion** Edward Jewitt Wheeler, Frank Crane,1923 ILLUMINATI BIBLE: Hidden Wisdom of Alpha & Omega Michael Cage,2015-04-07 Read today what your friends will be reading tomorrow because you ll tell them about it The Illuminati Bible is a treasure of esoteric knowledge and wisdom Track the secrets of the Christian Bible with a book that is full of cross references as well as Hebrew and Greek breakdowns Locate the encrypted message of the Christian Bible with easy to follow footnotes Find out who the ancient Hebrew s really were what the Tree of Life really represents and why the Tree of Knowledge bore forbidden fruit The Illuminati Bible also takes the reader step by step through the history of religion showing when where and why the three Abrahamic religions were created Look into the mind of the Illuminati and explore their doctrine and plans of world dominance through a New World Order Follow the sacred bloodline as it ruled in history and reigns today through the British Monarch and the Committee of Three Hundred *Sound Doctrine For Today's Christians; What the bible says* Rev. Preston N. Jr. Tolliver,2009-08-17 Sound Doctrine for Today s Christians addresses a multitude of today s issues from a scriptural stand point The author relies upon the scriptures to provide the commentary as chapter after chapter of Biblical clarity is given to provide sound doctrine for the reader The end result is a forthright scriptural presentation in complete thoughts as referenced from the King James Version exclusively of the Bible There are forty chapters presented that cover a gamut of topics from the reasons for reading the Bible to faith issues differentiation of Christianity in terms of denominations and from other religions personal life choices and the choices of a nation Profound statement after statement is presented with the irrefutable clarity of the scriptural basis provided for each statement This book provides a basis for Biblical doctrine examination and well as an awesome evangelistic thrust
