Juliana Claassens, Charlene van der Walt, Funlola O. Olojede, 2019-03-13 Contributors from various theological higher education institutions in South Africa and beyond come together to reflect on the best pedagogical practices to teach on often complex issues of gender sexual orientation race and class and on how they impact on health in our classrooms in our churches and in the communities where we live and work    *The Evangelical Herald* ,1919    **The American Friend** ,1922    **The Many Faces of Faith** Michael Taylor, 2009-12-02 Faith is one of the most critical aspects of the Christian life because it is the means by which we receive all that God has secured for us yet the nature of faith is one of the most misunderstood concepts of Christianity Some conceptualize faith as some mental state that one must reach before they are able to tap into God s resources Others view faith as some sort of incorporeal substance that is out there for which we must reach All of these concepts of faith are deficient if not heretical and yet all of them are found in the church Others view faith as a mere fantasy or hope with no basis in reality and thus religious claims are excluded from the arena of knowledge For a number of years my heart has been trilled over the doctrine of faith as it is received and taught among evangelical Christians everywhere Great emphasis is laid upon faith in orthodox circles and that is good but still I am troubled Specifically my fear is that the modern conception of faith is not the biblical one that when the teachers of our day use the word they do no mean what Bible meant when they used it I also share the same concerns with A W Tozer when he said the cause of my uneasiness are these 1 The lack of spiritual fruits in the lives of so many who claim to have faith 2 The rarity of a radical change in the conduct and general outlook of persons professing their new faith in Christ as their personal Savior 3 The failure of our teachers to define or even describe the thing to which the word faith is supposed to refer 4 The heartbreaking failure of

multitudes of seekers is they are even so earnest to make anything out of the doctrine or to receive any satisfying experience through it 5 The real danger that a doctrine that is parroted so widely and received so uncritically by so many is false as understood by them 6 I have seen faith put forward as an escape from reality a refuge from the necessity of hard thinking a hiding place for weak character natural optimism emotional thrills and nervous tics Therefore in the pages of this book I will endeavor to outline for your benefit the dynamics of faith What is faith How does faith works How to grow in faith The power of faith the Excellency of faith the demand of faith the perseverance of faith the challenges of faith the object of faith the effect of faith the response of faith the discipline of faith the necessity of faith and many more are discussed The Shaker ,1871 *The Congregationalist* ,1922 **Every Man's Bible NIV** Stephen Arterburn,Dean Merrill,2014-04 The Bible for every battle every man faces This is a man s type of Biblestraight talk about the challenges of life Every Man s Bible has thousands of notes on topics from work sex and competition to integrity and more and trusted advice from the pros just for men Every Man s Bible is written by the best selling author of the Every Man s series Steve Arterburn FEATURES New International Version text Book introductions and 44 charts Study Notes Help you gain a better perspective on a particular verse or passage Men Women and GodThis feature focuses on two of the most important relationships in every man s life his relationship with God and his relationships with women Someone You Should KnowProfiles of men in the Bible and what their lives can teach us about the importance of faith in our own lives What the Bible Says AboutGives insight into the Bible s vital message on all kinds of topics for daily living PerspectivesGlean bits of information from great men who have lived through many of the same issues and struggles that you face Personal GoldSound advice from the pros Henry Blackaby Stuart Briscoe Tony Evans David Jeremiah Gordon MacDonald Bill McCartney J I Packer Joseph Stowell and Chuck Swindoll Amazon com **The Journeyman Barber** ,1925
