**Beacon Lights of History, Volume 12- American Leaders** John Lord,2016-07-05 Since the intense era of the Civil War has passed away and Northerners and Southerners are becoming more and more able to take dispassionate views of the controversies of that time finding honorable reasons for the differences of opinion and of resultant conduct on both sides it has been thought well to include among American Leaders a man who stands before all Americans as the chief embodiment of the cause for which so many gallant soldiers died Robert E Lee His personal character was so lofty his military genius so eminent that North and South alike looked up to him while living and mourned him dead His career is depicted by one who has given it careful study and who himself a wounded veteran officer of the Union army and regarding the Southern cause as one well lost as to its chief aims of Secession and protection to Slavery in the interest of civilization and of the South itself yet holds a high appreciation of the noble man who is its chief representative The paper on Robert E Lee The Southern Confederacy is from the pen of Dr E Benjamin Andrews Chancellor of the University of Nebraska      Beacon Lights of History: American Leaders John Lord,2023-08-12 In Beacon Lights of History American Leaders by John Lord the author provides a comprehensive overview of prominent American figures who have shaped the nation s history Written in a clear and engaging style Lord delves into the lives of influential leaders such as George Washington Thomas Jefferson and

Abraham Lincoln offering readers a detailed look at their contributions and legacies The book is a valuable resource for those interested in American history providing a rich literary context for understanding the impact of these leaders on the nation's development Lord's narrative style weaves together historical facts with insightful analysis making the book both informative and enjoyable for readers John Lord's meticulous research and passion for history shine through in his writing demonstrating his expertise in the subject matter His dedication to highlighting the achievements of American leaders is evident throughout the book making it a must read for anyone seeking a deeper understanding of the nation's past Overall *Beacon Lights of History: American Leaders* is a captivating read that illuminates the lives of key figures in American history making it essential reading for history enthusiasts and scholars alike *Beacon Lights of History: American leaders* John Lord,1913

*Woodrow Wilson and the Roots of Modern Liberalism* Ronald J. Pestritto,2005-01-20 Woodrow Wilson is best known for his service as the twenty eighth president of the United States and his influence on American foreign policy in the twentieth century and beyond Yet Wilson is equally important for his influence on how Americans think about their Constitution and principles of government *Woodrow Wilson and the Roots of Modern Liberalism* highlights Wilson's sharp departure from the traditional principles of American government most notably the Constitution Ronald J Pestritto persuasively argues that Wilson's unfailing criticism places him clearly in line with the Progressives assault on the original principles of American constitutionalism Drawing primarily from early writings and speeches that Wilson made during his years as a scholar Pestritto examines the future president's clear and consistent ideologies that laid the foundation for later actions taken as a public leader Engaging and thought provoking *Woodrow Wilson and the Roots of Modern Liberalism* gets to the heart of Wilson's political ideologies and brings a fresh perspective to the study of American political development **The Baptist**
