## **The Powerbook:**

**The PowerBook** Jeanette Winterson, 2013-04-17 Winterson enfoldes her seventh novel within the world of computers and transforms the signal development of our time into a wholly human medium The story is simple an e mail writer called Ali will compose anything you like on order provided you re prepared to enter the story as yourself and risk leaving it as someone else You can be the hero of your own life You can have freedom just for one night But there is a price and Ali discovers that she too will have to pay it The PowerBook reinvents itself as it travels from London to Paris Capri and Cyberspace using fairy tales contemporary myths and popular culture to weave a story of failed but requited love The PowerBook Companion Richard Wolfson, 1992 This is a practical guide for users who want to take their computer on the road Written for anyone who owns or is considering buying a PowerBook the book covers set up software installation productivity communications upgrading and troubleshooting **PowerBook Fan Book** Derrick Story, 2005 You ve coveted one for a long while and now it s yours the sleek and speedy PowerBook It s as stylish as you wanted as slick as you imagined and as mighty as you hoped So now what The PowerBook Fan Book is your quick and fun guide to mastering all the features and taking advantage of the infinite advanced capabilities of your beloved new laptop No PowerBook owner should be without a copy Lightweight but power packed your PowerBook comes with all sorts of high end features so that you can effortlessly enjoy portable connectivity wireless networking lightning fast graphics and much more In either the 12 inch 15 inch or 17 inch model the PowerBook boasts a PowerPC G4 processor with speeds topping the charts at 1.5GHz and 4x speed SuperDrives and it comes standard with AirPort Extreme offering the fastest speeds in wireless networking and Bluetooth But there s a lot to learn before you know your trusty machine well enough to make the most of these many offerings The PowerBook Fan Book is just the thing to get you up to speed in a flash with your new laptop This compact affordable and accessible guide takes you through the process of getting familiar with your machine and OS X Panther learning cool tricks and tidbits and finding out about often little known but must have accessories for your favorite new piece of hardware The ideal gift for anyone wielding the most desirable of Apple s laptops this book includes sections on getting started organizing your digital lifestyle advanced features using your PowerBook at home at the office or on the go and tips and tricks for doing most anything and everything you could want In no time you ll be burning DVDs crunching numbers building a website composing music and editing digital video like an expert *Fairy Tales Reimagined* Susan Redington Bobby, 2014-01-10 Although readers and filmgoers are strongly familiar with Disney s sanitized child centric fairy tales they are quick to catch on to reworkings of classic tales into a contemporary context The rise in such retellings seems to indicate that readers are hungry for a new narrative one that hearkens back to the old yet moves the storyline forward to reflect conditions of the modern world No mere escapist fantasies the reimagined fairy tales of the late 20th and early 21st centuries reflect social political and cultural truths Sixteen essays consider fairy tales recreated through short stories novels poetry and the graphic novel from both best selling and

lesser known writers applying a variety of perspectives including postmodernism psychoanalysis Marxism feminism queer theory and gender studies Along with the classic fairy tales fiction from writers such as Neil Gaiman Stardust and Gregory Macquire Wicked is covered Computerworld ,1993-11-15 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **Sad Macs, Bombs, and Other Disasters** Ted Landau,2000 Landau contributing editor to Macworld magazine and the Webmaster for MacFixIt a Web site for Mac troubleshooting offers clear step by step instructions that are as useful for near beginners as for pros Not only does Landau show readers how to fix things and prevent problems but he sharpens their diagnostic skills so they can fix problems that aren t discussed in the book **Apple Inc.** Jason D. O'Grady,2008-12-30 Two guys named Steve working in a garage created a prototype computer designed to be different in a way no one thought possible It would be easy to use Those two Steves one now a billionaire and still at the head of Apple not only succeeded with that product but they also broke ground in the business world in ways few thought possible They proved you could not only have fun at work but pursuing a capitalist dream could be hip How did Apple do it How did it go from making computers that made a difference but not much of a dent in the overall market to creating a device the iPod and a music service iTunes that has changed the way we buy and experience music And how did the Macintosh and its successors capture the hearts and minds of computer users so deeply that being a Mac person makes you a member of a special club That s what this book is all about As author Jason D O Grady shows Apple is a rare company one that is not afraid to think about a future that does not exist and turn it into reality Critics have written Apple off time and again yet it rises from the ashes to astound the critics and delight its customers That s not luck or happenstance it s vision dedication and persistence Besides delighting Apple aficionados this book will inspire students eager to launch a business career or work in the technology sector Apple has never been afraid to chart its own path and readers will learn what makes the company tick

Women's Fiction and Post-9/11 Contexts Peter Childs,Claire Colebrook,Sebastian Groes,2014-10-21 9 11 is not simple a date on the calendar but marks a distinct historical threshold ushering in the war on terror various states of emergency a supposed clash of civilizations and the putative legitimization of counter democratic procedures ranging from extraordinary renditions to enhanced interrogation Perhaps no date since Virginia Woolf declared that on or about December 1910 human character changed has marked such a singular point in the perception of time identity and nature Women s writing has always been something of a counter canon offering modes of voice and point of view beyond that of the man of reason This collection of essays explores the two problems of what it means to write as a woman and what it means to write in the twenty first century **ABA Journal** ,1993-09 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **Macintosh Troubleshooting**
