Bonhoeffer's New Beginning Andrew D. DeCort,2018-09-15 Bonhoeffer s New Beginning investigates the ethics of making new beginnings after devastating moral rupture The work argues that new beginnings must be made in order to sustain the fundamental convictions that it is good to exist and that life in the world with others should be loved without exclusion Bonhoeffer s ethics of new beginning is set in conversation with the thought of four moral philosophers Friedrich Nietzsche Hannah Arendt Jonathan Glover and Jonathan Lear DeCort argues that Bonhoeffer s ethics of new beginning opens and energizes a more promising world affirming moral vision with radical hope for new beginnings vis vis the perceived absence of God in the face of devastation

Discerning the Good in the Letters & Sermons of Augustine Joseph Clair,2016-03-17 Discerning the Good in the Letters and Sermons of Augustine turns to the vast collection of moral advice found in Augustine s letters and sermons mining these neglected and highly illuminating texts for examples of Augustine s

application of his own moral concepts It focuses on letters and sermons in which Augustine offers concrete advice on how to interact with the various goods relevant to social and political life A special set of goods reappears throughout the letters and sermons namely sexual intimacy and domestic life power and public office and wealth and private possessions Together these goods form the central topics of this book Joseph Clair highlights that the most revealing cases are those in which an individual must choose between competing goods and cases in which an individual's role and role specific obligations inform their decisions Such cases uncover the nimbleness of Augustine's moral reasoning in action an artful blend of scriptural interpretation virtue theory and sensitivity to the circumstances of individual lives He reveals that Augustine's understanding of the goods constitutive of social and political life is deeply indebted to the Stoic and Peripatetic doctrine of oikei-sis or social appropriation The colorful personal and practical details found in these writings provide a window onto Augustine's moral reasoning not available in his more theoretical treatments of the good and the concrete cases often illustrate the human significance of properly discerning the good Beyond providing one of the first analyses of these ethical writings this work contributes a new sense of Augustine's ethics both in terms of the range of questions he addresses and the manner in which he treats them

Intercessory Prayer Philip Clements-Jewery, 2016-05-23 How is prayer possible How does prayer work Why is it necessary to ask for God's gifts Intercessory Prayer attempts to provide answers to questions about the nature of intercessory prayer Critically examining biblical teaching and modern theological and philosophical thinking this book shows how intercessory prayer may be seen as one of the means by which God enlists the freely given cooperation of human persons in the realisation of the divine purpose Clements Jewery adopts a process view of the universe to show how intercession both makes certain possibilities greater and strengthens the likelihood of response so that people who pray may have every confidence that their prayers will make a difference to the world through the God who both influences and is influenced by the creation

The ^ACare of Nuns Katie Ann-Marie Bugyis, 2019-04-01 In her ground breaking new study Katie Bugyis offers a new history of communities of Benedictine nuns in England from 900 to 1225 By applying innovative paleographical codicological and textual analyses to their surviving liturgical books Bugyis recovers a treasure trove of unexamined evidence for understanding these women's lives and the liturgical and pastoral ministries they performed Essential to this argument is the discovery that the production of the liturgical books used in these communities was carried out by female scribes copyists correctors and creators of texts attesting to the agency and creativity that nuns exercised in the care they extended to themselves and those who sought their hospitality counsel instruction healing forgiveness and intercession

Questions for the Journey Alan Gibson, 2022-04-19 Questions for the Journey came as a result of a passion to know God more fully by exploring questions in the Bible To my amazement the questions created space for God to work deeply in my life This devotional book by design requires a process for the integration and application of daily Bible reading I have included that process for devotional reading in the beginning of the book It is not a Bible study but a meditative

approach that allows God to speak into your life I discovered this approach after many years of using other methods After being exposed to the Lectio Divina I was able to develop something which worked Devotional times no longer needed to be boring or dutiful but became moments of enjoyment with God If your time alone with God has become mundane I encourage you to try this book After utilizing this method I am convinced you will once again enjoy the quiet time with God and embark on a journey of discovery where God brings things to light in your life **Religious Telescope** ,1906
