The Price And The Prize:

The Price for The Prize Ifeoma Eze, 2018-02-17 A writer once said The heights attained by great men were not by sudden flight but they while others were sleeping were toiling away in the night While some men were busy paying the price others were busy sleeping and wasting away their precious time and opportunity And the disparity is the heights attained by these men Solving The Price Is Right Justin L. Bergner, 2023-03-15 The Price is Right is television's longest running game show Since its inception in 1956 contestants have won cars tropical vacations diamond jewelry even a live horse and the hosts excited catchphrase come on down has become part of our everyday vernacular Part of the program's enduring appeal is the apparent ease of the game guessing the cash value of certain prizes But if that's the case then why do so many contestants come away from the show empty handed Solving The Price is Right is an in depth exploration of the underlying probability theory of the popular television program that explores how biases and behavioral pitfalls limit our ability to successfully apply logic and math both on and off the show With rigorous data and analysis compiled from Seasons 47 and 48 356 total episodes investor and math practitioner Justin L Bergner draws strategic and mathematical insights from all facets of the show from Contestant's Row bidding to the Showcase Showdown and all 77 Pricing Games using a combination of game theory probability theory statistics and pattern recognition In each section Bergner summarizes contestant performance highlights the biases leading to sub par outcomes and shows how outcomes can be improved by executing the right strategies while avoiding cognitive biases Throughout Bergner applies the lessons learned to the fields of business finance and our real lives shedding light on themes of reverse psychology strategic patience and the importance of establishing what is sufficient for success in our pursuits The result is a truly unique and meticulously researched book that uses Solving The Price is Right as a lens to examine our own choices and how to make better ones **The Recovery Cycle** Joi Andreoli, 2022-09-28 This book introduces the Recovery Cycle the only relatable model for positive change in sobriety and a simple roadmap for sober living The author a clinician in recovery herself demonstrates how to talk to clients or anyone with an interest in sobriety in a pragmatic like minded way The easy conversational style encourages cultivation of solid sober relationships and spiritual connections all with an achievable open minded approach Concrete methods honor the thinking and feeling parts of the recovering individual thereby promoting personal empowerment and choice rather than generic prescriptive advice The book speaks to all addiction disorders and discusses what every addicted person must go through to love their sober life no matter what program they choose no matter what addiction Readers will find the journey toward emotional sobriety and spiritual recovery discussed in a simple straightforward way with depth and compassion For clinicians who want to guide clients in recovery or for any motivated individual in recovery desiring to transform their life from one of pain and struggle to a beautiful work of heart this book will be a welcome spark of inspiration and support without the snore factor of a dry textbook **English synonyms explained and illustrated** G?nther J.
